

Cupid Frustrated By Girl's Parents

South Mills had two visitors Sunday night, who arrived in the best of spirits but departed in the very depths of dejection.

One was a youth of about 19. The other was a girl, who gave her age as 18, but who appeared not to be more than 14. They had come from Norfolk, and they wanted to be married.

It happened that Dr. J. R. Spencer, of South Mills, was away from home when they arrived. A medical examination is an essential preliminary to matrimony in North Carolina, and with no other physician immediately available there was nothing for them to do but wait.

They waited an hour or more. Finally Dr. Spencer arrived, and promptly began the medical examination. It looked as though everything was coming out all right, after all.

Just as Dr. Spencer had finished his examination, the parents of the girl came upon the scene, and took her in their fortuitous arms. In spite of her parental pleadings, they carried her back to Norfolk.

A disappointed bridegroom, who hadn't been "elected" after all, followed in another car.

Had the girl's parents arrived 10 minutes later, the couple would have been wed, for better or for worse. Who will undertake to say which?

Shoots Young Wife Then Kills Himself

Robbinsville, July 12.—(AP)—Walter Grant, successful Graham County farmer, shot his young wife through the heart and then committed suicide "at" his home last night in an isolated section 15 miles north of here, according to word received at the office of Sheriff G. W. Shuler, early today.

A friend living more than a mile from the scene of the tragedy discovered the bodies about 8 o'clock last night, apparently about an hour after the shooting, when summoned by the plaintive appeal of a six year old daughter of the Grants, who walked to the home of B. Carringer and cried "Papa has shot Mama."

TO PLAY INDEPENDENTS

Through a change in arrangements, the Elizabeth City baseball nine will play the Seaboard Independents, of Portsmouth, Wednesday afternoon at 5 o'clock, instead of Edenton, as had been announced earlier. The Independents are declared to have one of the fastest semi-professional teams in this section. On Friday, the local nine will play the Sewanee Club, also of Portsmouth.

BODY OF WOMAN IS CLAIMED BY BROTHER

Burlington, July 12.—(AP)—The body of Mrs. Doris J. Pollard, killed in an automobile accident Sunday, was claimed today by her brother, C. P. Johnson of Raleigh. Her husband, Henry Pollard of Smithfield, whom she left last October, had requested that the body be turned over to her family for burial as he was financially unable to handle the expense, as he had four children to support.

The woman was killed while automobile riding with two men, S. Clint of Raleigh and J. M. Houck of Cary. The car turned over three times on the highway a mile from here and plunged down a steep embankment. The woman died a few hours later. Houck is in the hospital with minor injuries while Clint is out under bond of \$500 for his appearance Saturday at an investigation.

Libel Suit May Be Settled

Henry Ford

"Aaron Sapiro—Just an accident of destiny in the vindication of the Jewish people," as he described himself, is completely satisfied with Henry Ford's apologies for what Ford's Dearborn Independent has said about the Jews.

So satisfied is he, in fact, that he said after returning home from Canada Sunday night that he believed his million dollar libel suit against Mr. Ford and the Dearborn Independent would be settled out of court.

"The retraction, apology and recantation have fulfilled the purpose of the suit, so far as the main intention is concerned," he said.

"I certainly have no desire to cause Mr. Ford any embarrassment whatsoever, and I mean that to apply from all standpoints."

Mr. Sapiro, a Chicago lawyer, whose activity in agricultural economics and co-operatives drew the editorial fires which kindled the libel suit, said that negotiations for an out-of-court settlement have been conducted over the heads of Mr. Ford's counsel.

Be-Popped

This large hat of leghorn, edged with red velvet and trimmed with red poppies, sewed flat on the brim, their stems winding about the crown, is a charming companion for the summer afternoon.

Golden Strands

An example of gold jewelry, the advent of which has been long predicted, is illustrated in this necklace of four strands of gold beads.

GRAIN MARKET

Chicago, July 12.—(AP)—Wheat suffered sharp breaks in price today as a result of the Government forecast of a yield much in excess of what has generally been looked for. NEW YORK STOCKS

New York, July 15.—(AP)—Prices again rose in a spirited fashion in the stock market today, influenced by good crop reports, sustained investment buying, the usual stock of rumors of new combinations in the railroad and industrial fields.

Pools derived encouragement from the outlook of improved business in certain lines and resumed their operations on a large scale in the hope of attracting a larger public participation, which was still extremely limited despite recent sharp advances in particular stocks.

The closing was strong. Total sales approximated 1,700,000 shares.

Seven Murders Charged to Him

This picture of Matthew Kimes (left), most notorious of Oklahoma bandits, was taken in front of the jail in Flagstaff, Ariz., following Kimes' capture in the Grand Canyon. With the bandit are shown a couple who gave their names as Mr. and Mrs. G. H. Kady, in whose car Kimes was riding. They explained they had no knowledge that Kimes was being sought. Seven murders and a dozen bank robberies in Oklahoma are charged to Kimes, whose brother, George, is serving a life term in the Oklahoma penitentiary.
