WHOLESALE WATCH AND JEWELRY STORE.
L. H. MILLER & CO.
IMPORTERS, Manufacturers and Jobbers of WATCHES, JEWELRY, and FANCY GOODS. Have leased the Old Stand formerly occupied by Messrs. Canfield, Brother & Co. SOUTH-EAST CORNER OF CHARLES AND BALTIMORE STREETS, (No. 227,) which they are putting in complete order for the WHOLESALE WATCH AND JEWELRY BUSINESS, to be opened about the 30th of July.

In calling the attention of the trade to the new concern, we mention the fact that we are associated with one of the most extensive JEWELRY MANUFACTURING ESTABLISHMENTS in the country, which must give a decided advantage over all others in this market, for supplying dealers with Jewelry at manufacturers' prices, a feature in this branch of trade long since needed, between Baltimore and the Southern and Western Merchants.

We desire to call particular attention to the Watch Department, which will at all times be supplied with a great assortment from the most celebrated manufacturers, and kept in perfect running order, so that purchasers may at once take them, with a written guarantee that they will perform correctly.

This branch of the business will receive the especial attention of one of the firm, whose extensive and practical knowledge of the business, will we hope, give us a place in the confidence of buyers.

We respectfully invite you to call upon us when you next visit our city, confidently believing that an examination of our Goods will prove to you, that they are better styles and cheaper than you have ever seen in this market, and assure you that no effort shall be wanting on our part to make the acquaintance one of mutual benefit.

THE CHARLOTTE MINT.

Uncle Sam seems disposed to verify towards North Carolina the so fatal threat towards a worse character; for while to Virginia, (for instance,) which hath much in the way of federal emolument and office, more is given; but from North Carolina, which hath not, is taken away even that which she hath.

The Secretary of the Treasury in the report to the present Congress, recommends the discontinuance of the Mint at Charlotte. The Honorable Secretary may not be as well informed of our State history and prospects as those nearer home; to us it appears as ill-considered recommendation, while our people sigh hard at work, building a railroad through the State, and furnishing access by steam to Charlotte from the North, as well as from the South. Charlotte will soon be
