Subscriptions received by us to any of the above Newspapers and Magazines at the annexed prices. Our business has been established in Baltimore ever since the year 1840, and we can now state without exaggeration that we have a larger assortment of good Romances and Cheap Publications than any house in the United States. After the 1st of October, when the new postage law goes into operation, we will send any of our Cheap Publications POSTAGE PAID, on remittance to us by letter of the price of the book, so that every one can thus get books of us through the mail at the same price as if they bought them at our counter. All letters addressed to us must be POST PAID, or they will not be taken out of the office.
Send Postage Stamps rather than Silver change, as they are not so liable to get lost.
Specimens of Newspapers sent gratis on application, post paid.
We would refer persons wishing to make inquiries about our establishment to A. S. ABELL & Co., publishers of the Baltimore Sun, or any of the New York and Philadelphia publishers, BURGESS, TAYLOR & Co., Sun Iron Building, Baltimore, Md.

3600 CHALLENGE.
WHATSOEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all seasons. I feel it my duty to solemnly assure you that **WORMS**, according to the opinion of the most celebrated Physicians, are the primary cause of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Pickling at the Nose, Harshness and Fullness of the Belly, Dry Cough, Fever, Pains Irregularities, remember that all these denote **WORMS**, and you should at once apply the remedy.
HOBBENACK'S WORM SYRUP.
An article founded upon Science and Philosophy, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant, with decided benefit. It is a safe and reliable remedy for those afflicted with **Dyspepsia**, the most common complaint, and which is cured after Physicians have failed, in the best and most superior efficacy over all others.

THE TAPE WORM!
This is the most difficult Worm to destroy of all that infests the human system, it grows to an almost indefinite length, becoming so entangled and fastened in the Intestines and Stomach, affecting the health so sadly as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is in Time to destroy them, and an early cure. In order to destroy this Worm, a very energetic treatment must be pursued, if you wish to recover, you must take 6 to 8 of my Liver Pills, as it is necessary to move all obstructions that the Worm Syrup may set direct upon the Worm, which must be taken in doses of 2 Table Spoonfuls 3 times a day; these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

HOBBENACK'S LIVER PILLS.
No part of the system is more liable to disease than the LIVER, it serving as a filter to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver affects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of **ROOTS & PLANTS** furnished by nature to heal the sick. Namely, 1st, An **EXPECTORANT**, which augments the secretion from the Pulmonary mucous membrane, to promote the discharge of secreted matter. 2nd, An **ALTERATIVE**, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd, A **TONIC** which gives tone and strength to the nervous system, renewing health and vigor, from its irregularities, as headache, dizziness, dimness of sight, pain in the side back, &c.
