THE NORTH CAROLINA MUTUAL LIFE INSURANCE COMPANY, RALEIGH, N. C. The above Company has been incorporated since the late April, 1848, under the direction of the following Officers: viz: Dr. Chas. E. Johnson, President, Wm. D. Hayward, Vice President, James F. Jordan, Secretary, Wm. H. Jones, Treasurer, Percin Bonas, Attorney, Dr. Charles Johnson, Medical Board of Dr. Wm. H. McKee, Dr. R. B. Hayward, J. Horman, Gen'l Agent.

This Company has received a charter giving advantages to the insured over any other Company. The 5th Section gives the Husband the privilege to insure his own life for the sole use of his Wife and Children, free from all claims of the representative of the husband or any of his creditors.

Organized on purely mutual principles, the life members participate in the whole of the profits which are declared annually. Besides, the plan for life, when the annual premium is over \$3 may pay one half in a Note.

All claims for insurance against the Company will be paid within ninety days after proof of the death of the party is furnished.

Saves are insured for one or five years, at rates which will enable all Slaveholders to secure this class of property against the uncertainty of life.

Slave insurance presents a new and interesting feature in the history of North Carolina, which will prove very important to the Southern States.

The last four months operation of this Company shows a very large amount of business--more than the Directors expected to do the first year--having already issued more than 200 Policies.

All Communications on business of the Company should be addressed to JAS. F. JORDAN, Secretary, Raleigh, April 8, 1851. 8-ly.

VALUABLE TURPENTINE LAND FOR SALE. SIX thousand acre of well Timbered pine Land, situated near the Salts, in McIntosh County, Georgia, fifteen miles from Darien, and forty-five miles from Savannah, on the Stage Road.

There are fifteen tasks of boxes cut on the tract, five of which have been worked but one year, the other ten tasks have been worked from three to four years.

The extreme distance to haul is about four miles on the tract. A distance of two miles from a good landing on the Sapelo River, at which Vessels of 100 tons can load; is a good Turpentine Still, with all necessary wagons, teams, tools, fixtures and appurtenances.

A portion of this land is well adapted to the culture of Cotton, Corn, Cane and Rice.

On the property is a comfortable Dwelling House recently erected, and contiguous are Negro Houses, Stables, &c.

The settlement is one of the most healthy locations in the low country.

As a large portion of the tract remains unworked, it constitutes a valuable reserve of pitch pine Timber which could be cut for exportation, rafted at the landing, and landed twelve miles down the River in Vessels of 2 to 300 tons burthen, there being full water in winter at ordinary tides on Sapelo Bar. If desired, a good Mill-site could be obtained on reasonable terms at a convenient point on the River.

For further particulars apply to Messrs. DeRosset & Brown Wilmington or Andrew Low & Company, Savannah, May 25th, 1852. 30-6m-c.

THE GREAT CURE FOR BAIRDNE'S GREY HAIR, CURRY & DANBAUFF, SAUNDERS' MEDICATED HAIR RESTORATIVE. I am acknowledged by thousands, to be a daily, to be the only remedy to prevent hair from falling out, and to restore the Hair that has fallen out, or to prevent Grey Hair; to cure and restore every appearance of Scurf and Dandruff from the Hair; and to keep it in the most healthy and glossy state, yet free from all oily and greasy appearance.

The Restorative is wholly different in its composition from all other articles of the same name for a similar purpose. It is intended to act through the skin upon the nerves, blood-vessels and absorbents connected with the root or bulb of the hair, to rouse and sustain a healthy action in these and thus produce a new and healthy growth of hair. It will prevent grey hair, entirely eradicate scurf and dandruff and all other accidental impurities of the skin. By its use the hair will, under all circumstances, be kept luxuriant, healthy, and in its natural color to the latest period of life.

THE REV. SETH MORGAN'S TESTIMONY. I do hereby certify that I have used L. K. Saunders' celebrated HAIR RESTORATIVE, for the purpose of preventing my hair from falling off, and found it to have the desired effect, not only in preventing the hair from coming out, but the producing of a very fine growth of young hair, where the head was almost entirely bald. I have used only four bottles, and have every reason to believe that by the use of as many more, I will have a fine suit of hair. I therefore cheerfully recommend it to the public as worthy their best confidence.

SETH MORGAN. Elizabeth City, N. C., April 16th, 1852. C. W. COVENS, N. C., April 16th, 1852.

Mr. L. K. Saunders' Hair Restorative, some weeks since, began to fail, and I began to fear, that I should become prematurely bald. After using many preparations of the day without any benefit I had nearly despaired of every hope, when I was recommended to try your "Hair Restorative" which I was induced to try with but little hope of success. I was, however, surprised and gratified after a short trial to find a very decided improvement. I now possess a full crop of healthy hair, which I can only attribute to the extraordinary qualities of your justly celebrated Hair Restorative.

MARTHA ETHERIDGE. ELIZABETH CITY, N. C., June 1st, 1852.

We the undersigned having used "L. K. Saunders' Hair Restorative" and fully tested its merits individually take pleasure in saying that we believe it is all that it is recommended to be, and we would from our knowledge of its extensive usefulness cheerfully recommend it as the very best article for the hair now in use, and with the firm belief that it will give entire satisfaction to every one who will give it a fair trial.
