Dr. R. B. Haywood, }
J. Hersman, General Agent.
This Company has received a charter giving advantages to the insured over any other Company.—The 5th Section gives the Husband the privilege to insure his own life for the sole use of his Wife and Children, *free* from any claims of the representatives of the husband or any of his creditors.
Organized on purely *mutual* principles, the life members participate in the *whole* of the profits which are declared annually. Besides, the applicant for life, when the annual premium is over $30 may pay one half in a Note.
All claims for insurance against the Company will be paid within ninety days after proof of the death of the party is furnished.
Slaves are insured for one or five years, at rates which will enable all Slaveholders to secure this class of property against the uncertainty of life.
Slave insurance presents a new and interesting feature in the history of North Carolina, which will prove very important to the Southern States.
The last four months operation of this Company shows a very large amount of business—more than the Directors expected to do the first year—having already issued more than 200 Policies.

TO THOSE ACCUSTOMED TO
GETTING LUMBER & TURPENTINE.
THE subscriber designing to make a settlement of his hands in the South West, offers for sale a Plantation or tract of Land, lying in Glynn County, Georgia, on the head waters of Turtle River, which river is navigable for vessels of a hundred tons.—This tract contains 4,500 acres, chiefly timber land, none of which has been cut, and is most advantageously situated at the head of navigation of Turtle River, and only sixteen miles by the course of the river from the town of Brunswick. Its convenience to water carriage, healthiness, and location (being the key to the whole surrounding country) make it the most desirable situation in this section of country. As a place for trade and furnishing a good site for a Steam Saw Mill and Turpentine Distillery, it is unrivalled. As Brunswick is about to be built up, a market for Lumber and Turpentine will be certain. This Plantation is well settled—having a good dwelling house—every necessary out building and about 4 or 500 acres of swamp and savannah Land cleared. With the premises, will be sold furniture, stock, &c. W. M. RILEY.
