TO THOSE ACCUSTOMED TO GETTING LUMBER & TURPENTINE, THE subscriber designing to make a settlement in his hands in the South West, offers for sale a Plantation or tract of Land, lying in Glynn County, Georgia, on the head waters of Tyule River, which river is navigable for vessels of a hundred tons. This tract contains 4,500 acres, chiefly timber land, none of which has been cut, and is most advantageously situated at the head of navigation of Tyule River, and only sixteen miles by the course of the river from the town of Brunswick. Its convenience to water carriage, healthiness, and location (being the key to the whole surrounding country) make it the most desirable situation in this section of country. As a place for trade and furnishing a good site for a Steam Saw Mill and Turpentine Distillery, it is unrivalled. As Brunswick is about to be built up, a market for Lumber and Turpentine will be certain. This Plantation is well settled--having a good dwelling house--every necessary out building complete, situated at the head of navigation of Tyule River, and only sixteen miles by the course of the river from the town of Brunswick. Its convenience to water carriage, healthiness, and location (being the key to the whole surrounding country) make it the most desirable situation in this section of country. As Brunswick is about to be built up, a market for Lumber and Turpentine will be certain. This Plantation is well settled--having a good dwelling house--every necessary out building complete, situated at the head of navigation of Tyule River, and only sixteen miles by the course of the river from the town of Brunswick. Its convenience to water carriage, healthiness, and location (being the key to the whole surrounding country) make it the most desirable situation in this section of country. As a place for trade and furnishing a good site for a Steam Saw Mill and Turpentine Distillery, it is unrivalled.
