STABLER'S ANODYNE CHERRY EXPECTORANT Is confidently recommended to Invalids, as unsurpassed by any known preparation, for the cure of Coughs, Hoarseness, and other forms of Common Golds; Bronchitis, Asthma, Croup, Consumption is an early stage, and for the relief of the Patient even in advanced stages of that fatel disease. It combines, in a scientific manner, remedles of long estimated value, with others of more recent discovery; and breides its soothing and tonic qualities, acts through the skin gently, and with great officacy, for the cure of this class of diseases.

The valuable Medicines above named have re cently been introduced, with the approval of a num-ber of the Medical Profession in the City of Baltire and elsewhere, and in practice have succeedd most admirably in curing the diseases for which hey are prescribed. They are offered to the Coun-ry Practitioner, as Medicines which he can in all ts depend upon, as prepared in agreement with the experience of some of the most learned and judicious Physicians, and strictly in conformih the rules of Pharmacy, and us especially serving his convenience, who cannot so readily as the City Physician, have his own prescriptions compounded by a practical Pharmaceutist.

This valuable Madicine which has become celebrated for the number of extraordinary cures effected through its sgency, has induced the proprietors, at the present request of their friends, to offer it to the public, which they do with the utmost confidence in its virtues and wonderful curative properties.— The following certificates, selected from a large number, are, however, stronger testimony than the mere word of the proprietors: and are all from gentlemen well known in their localities, and of the highest respectability, many of them now residing in the city of Richmond, Virginia.

F. BOYDEN, Esq., of the Exchange Hotel, Rich mond, known every where, says he has seen the Medicine called Carter's Spanish Mixture administered in over a hundred cases, in nearly all the diseases for which it is recommended, with the most astonishingly good results. He says it is the most extraordinary medicine he has ever seen.

Ague and Fever-Great Cure .-- I hereby certify,

that for three years I had Ague and Fever of the most violent descriptiou. I had several Physicians, took large quantities of Quinine, Mercury, and I believe all the l'onics advertised, but all without any permanent relief. At last I tried Carter's Spanish Mixture; two bottles of which effectually cured me, and I am haypy to say I have had neither Chills or Fevers since. I consider it the best Tonic in the world

and the only inedicine that ever reached my case.

JOHN LONGDEN,

Beaver Dath, near Richmond, Va.

C. B. Luck, Esq., now in the city of Richmond, and for many years in the Post Office, has such confidence in the astonishing efficacy of Carter's Spanish Mixture, that he has bought upwards of 50 bottles, which he has given away to the afflicted. Mr. Luch says he has never known it to fail when taken according to directions,
Dr. Mines a practising Physician, and fornierly

HERE IS YOUR R

Holloway's Ointment a most miraculous cure of Bad Legs, after 43 years suffering. Fatract of a letter from Mr. Wm. Galpin, of 70 St. Mary's street, Weymouth, dated May 15th 1851,

To Professor Holloway:

Sir—At the age of 18, my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore and greatly inflamed. Her agonies were distracting and for months together she was deprived entirely o rest and sleep. Every remedy that medical men ad-vised, was tried, but without effect, her health suffered severely, and the state of her legs was terrible. I had often read your advertisements, and advised her to try your Pilis and Ointment; and as a last resource, alter every other remed; had proved use-less, she consented to do so. She commenced six weeks ago, and strange to relate, is now in good health. Her legs are painless, without seam of star, and her sleep sound and a disturbed. Could you have witnessed the sufferings of my wife for the last forth three years, and contrast them with her present enjoyment of health, you would indeed feel delight eu in having been the means of so greatly alleviation the sufferings of a fellow creature.

To Professor Holloway: Sir - I suffered for a period of thirty years from a bad leg, the result of two or three different reldents at the Gas Works, accompanied by scorbut toms. I had recourse to a variety of medic without deriving any behefit, and was even the leg must be amputated, yet, in opposition opinion, your Pills and Ointment have effe complete cure in so short a time, that few not witnessed it would credit the fact,

To Prolessor Holloway:
Dear Sir—My wife had suffered from the breast more than six months, and during the whole period had the best medical attendance, but all to no use.—Having before healed an awful wound is my own legs by your unrivalled medicine, I determined again the your Pills and Ointment, and the fore gave them a trial in her case; and fortunate a was I did so, for in less than a month a perfect cure was a flected, and benefit that various other branches of my family have derived from their use, is really astonishing.
