class of properity sgainst the uncertainty of life. Slave insurance presents a new and interesting feature in the history of North Carolina, which will prove very important to the Southern States. The last four months operation of this Company shows a very large amount of business-more than the Directors expected to do the first year-having already issued more than 200 Policies. Dr. W.M. W. HARRISS, Medical Examiner, and Agent, Wilmington, N. C. All Communications on business of the Company should be addressed to den, N. J., says:

"HOOFLAND'S GERMANS BIT ERS.-We have seen many flattering notices of this medicine, ind the source from which they came induced us to make source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and most say we found it specific in its action upon discusses of the liver and digestive organ, and the powerful influence it exerts upon nervous prostration. Freally surprising ill-caims and strengthens the nerves, bringing them in-to a state of repose, making sleep refreshing. If this medicine was nore generally used, we are satisfied there would be loss sickness, as from the stomach, liver and nervous system, the great major-ity of real and imaginary deseases emanate.
