CHAPPELL'S

SUBSTITUTE FOR GUANO. TO THE AGRE CLIVEAL CON VUNITE: THE APPEN HON of the "Agric Starae e m L'amunity" is respectably directed to the lefters inglestimony to reference to the action and sure bility of CHAPPELL'SIMPROVED FERENCIAL ZER, its uniform g sod quality; and its efficacy in promoting the growth of any cop. The result of the experiments for the past 2 years which have been kindly furmished us by Coin Jones, fully as tablishes all that we have stated in regard to its su periority as a renovator of the soil, and the fuch

from gendemen of the highest respectability, that

has enabled us to overcome the prejudices which have existed in the minds of some of the farming community against all "artificial minnings," and the result has been that the demand for our Far dilzer, the past scass, was much greater than we could possibly sangle, and behave yet to hear of one single complaint of its artion from any of those to whom we sold the part year.

This article having been a finity rested for the past five years, and with such liverable results, we now offer it to the Agri unrealists of the country as the cheapest, must certain and durable manure THE fast sailing regular Packet Schr. for any crop or my soil. One adsumage we con John Potts Brown, Collett, Master, will promise in the use of our Fertilizer, that by an have quick dispatch as above. For light equal amount of outlay of the Fertilizer upon an acre of ground, we can give a larger crop of grain, and leave the ground in a much better condition

for after crops, then can be obtained from the use

Fig. 1 May 2 May 1 May 1 May 1 May 1 May 1 May 2 May 2

esant for my apparent neglect in not responding to your request alluded to in your last letter, and even now Lam writing with much difficulty, and alized the best impressions produced by the first year's use of it. On Corn, in 1851, planted in drib, one half of which was enriched by the application of 200 lbs, best Perneam Guano, and the other with 400 lbs. of your Fertilizer, both applied in the drill, not only was the Corn (9 bartels per sere) best where the Fertilizer was used, but the same ground linen used, and when the same land was stubbad up in September, for Rve, the part whereon, the Fer-tilizer had been used in 1851, was to the line thick-ly set with where clover of positioneds, growth. whilst the grant of part showed but here and to rea sprig at that valuable grass, and my corn ground lying over for Oats and Barley, which gave last year 230 hartels from about 56 neres, showed a good set of white clover in October. In a cut of four acres, which the past veirs pro-

duced 114 barrols per acre, one acre through the body Diuggists generally, middle was guanoed with 390 lbs of free Peracion. May 12. Guano-to the other three acres Pertifizer was appried, two barrels or 600 lbs., to the sare, and in every other respect at treated alike, cores of persons examined the corn at every stage, from planting to gathering, and no one could mark the place where the Guano was applied, unless pointed vor of the double sere-that is to say it required the acre which received the double dressing by

will be demanded upon all monies unjoid upon last seed time, and I have little doubt that next sired. A practical experience of over 25 years enables harvest will put to test all doubts and prejudices of the properties of tain class of diseases, which have too long been vielded by regular Physicians to the hands of quack-ery. He may be consulted confidentially, either rangements for spring and summer crops look to the use of 150 barrels of Fertilizer and Phosphate of Lime, three-fourths of the former-i. c., 120 of ing a letter to DR. GORDON HARRISS, Batti- the Fertilizer and 30 of the latter article-specific orders for which will be given as required. I fear you will have great difficulty in decyphering this letter, and I am not sure it will be worth the trouble, but you can make any use of it, or any portion of it, you may think proper, or pass it by altogether. I shall be glad to have a copy of your pamphlet, and wishing you every success which your untiring zeal, in so noble a cause merits, I subscribe myself, Yours faithfully. subscribe myself, THOS. AP. C. JONES.

Extract of a Letter from Com Jones Dated PROSPECT HILL. (Va.) June 4th, 1853. o I am very glad to hear of the increased demand by solicited, as money must be had, in order to re for your 'Fertilizer.' I am more and more satisfied with its superiority when computed with Guano, as regards durability or the effect on succeeding crops. The Fertilizer is incomparably superior to RYDER'S PATENT PURCHASE LOG Gunno, even when 300 lbs, of the best are used against 600 lbs., of the Fertilizer.

"In haste, with great respect, your obd't, serv't,
THOS, AP, C. JONES."
MONTROSS, Westmoreland co., Va., April 11th, 1853. Mr. P Stockton Chappell-Dear sir: In answer

to yours of the 8th in-t., in regard to my Wheat I can only say at this time, that, on corn ground, when last in cultivation (1851) did not produce more that one half barrels of corn to the acre, I fallowed it up in September 10 or 12 inches deep, harrowed it, sowed white blue stem wheat at the rate of 13 bushels per acre; used 280 lbs. Chappell's Fertilizer and Guano, mixed half and half each per acre, and from present appearance will make 25 bushels of Wheel per acre. Sowed first week in October. You's respectfully, JNO. GOODING.

the 1st inst., your attention to the same is earnest-F. BROWN'S ESSENCE OF JAMAICA GINGER. THIS ESSENCE is a preparation of anusual excellence. In ordinary diarrhea, incipient cholers, in short, in all cases of prostration of the digestive functions, so common, it is of incrimable value. During the prevalence of epidemic cholers and all the prevalence of children, it is peculiar to the prevalence of the prevalen lera and summer complaints of children, it is peculiarly efficacious; no family, individual or travellar should be without it, as it enables the system to resist the influence of incipient disease, which lurk in a changing climate.

Caurion. - Be sure to get the genuine Essence. CAUTION.—Be sure to get the genuine Essence, which is prepared only by F. Brown, at his Drug and Chemical Store, N.
