CELEBRATED GERMAN BITTERS.

PREPARED BY DR. C. M. JACKSON, No. 120 Arch street, Philadelphia. Their power over the above discaets is not excelled, if equalled, by any other preparation in the United States, as the cures after, in many cases after skilful physicians had faik d.

These Bitters are worthy the attention of invalids Possessing great virtues in the rectification of dis-eases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withol, safe, certain and pleasant.

READ AND BE CONVINCED.

The "Philadelphia Saturday Gazette," says of Dr. Hoofland's German Bitters. "It is seldom that we recommend what are termed Patent Medicines, to the confidence and patronage of our readers; and therefore when we recomage of our readers; and therefore which we recom-mend Dr. Hoofland's German Blittrs, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are notsed about for a brief period and then forgotten after they have done their guilty race of mischief, but of a middleine long

brief period and then forgotten after they have done their guilty race of mischief, but of a middiene long established, universally prized, and which has met the hearty approval of the faculty itself."

"Scott's Weekly," said, Arg. 25: "Dr. Hot fand's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the mest promittent members of the faculty as an article of much efficated in the cases of female weekly as an article of much efficacy in cases of female wenkness. Persons of debili-tated constitutions will find these Bitters advantage ous to their health, as we know from experience the salutary effect they have upon weak systems."

MONE EVIDENCE.

J. G. Moore. Esq., of the Dully News, said. Oct 31.
Da. Hoofland's German Bitters. We are trying this renowned medicine for a stubborn disease of the bowels, and can with truth testify to its efficacy. We have taken the contents of two bottles, at d we have derived more benefit from the experiment than we derived previously from tears of allo, hatic treatment at the hands of our first physicians."

Hon. C. D. Hineline, Mayor of the City of Camdan V.

den. N. J., says: "HOOFLAND'S GLEMANS BITTERS .-- We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From irquiry we were personded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organ, and the powerful influence it exerts upon nervous prostration, is really surprising. It calms and strengthens the nerves, bringing them in to a state of repose, making sleep refreshing.

If this medicine was more generally leed, we are

satisfied there would be less sickness, as from the stomach, liver and nervous system, the great mejority of real and imaginary desenses emarate. Have them in a healthy condition and you can hid defiance to epidemics generally. This extraordinary medicine we would not see our friends who are at all indisposed, to give a trial to the state of the second self. It should, in fact, be in every family. No other medicine can produce such evidences of merit."
