"Da, Hoofland's German Birthis.— We are trying this renowned medicine for a stubiorn disease of the bowels, and can with truth testify to its efficary.

We have taken the contents of two bottles, and we have derived more benefit from the experiment than we derived previously from years of allophatic treatment at the hands of our first physicians."
Hon. C. D. Hincline, Mayor of the City of Camden. N. J., says : "HOOPLAND'S GERMANS BITTERS.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we

were persuaded to use it, and must say we found it

specific in its action upon diseases of the liver and

digestive organ, and the powerful influence it exerts upon nervous prostration, is really surprising ilt calms and strengthens the nerves, bringing them in 10,000 MORE or LESS, of superior lia-brand, and other popular brands, which are very stonach, liver and nervous system, the great majority of real and imaginary deseases emanate. Have them in a healthy condition and you can bid defi-ance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial-it will recommend it-self. It should, a fact, be in every family. No other

medicine can produce such evidences of merit." For sale wholesale and retail at the GERMAN MEDICINE. STORE. No. 120 Arch street, one door below Sixth. Philadelphia, and ny respectable dealers generally throughout the country. ngton by S. B & J. A. EVANS, in Fayetteville by S. J. HINSDALE.
