CELEBRATED GERMAN BITTERS,

PREPARED BY DR. C. M. JACKSON,
No. 120 Arch street. Philadelphia.
Their power ever the above disease is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had falled. These Bitters are worthy the attention of invalids Possessing great virtues in the rectification of dis-cases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withal, sale, cer

tain and pleasant. READ AND BE CONVINCED. The "Philadelphia Saturday Gazette," says

Dr. Hoopland's German Bitters. "It is seldom that we recommend what are termed Patent Medicines, to the confidence and patronage of our readers; and therefore when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a will be completed brief period and then forgotten after they have done lowing articles. their guilty race of mischief, but of a medicine long established, universal y prized, and which has met the hearty approval of the faculty itself." "Scott's Weekly," said, Aug. 25 : "Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent

members of the faculty as an article of much efficacy in cases of female weakness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

MOXE EVIDENCE.

J. G. Moore, Esq., of the Daily News, said, Oct 31.
"Dm. Hoofland's German Bittems.—We are trying this renowned medicine for a stubborn disease of

the bowels, and can with truth testify to its efficacy. We have taken the contents of two bottles, and we have derived more benefit from the experiment than we derived previously from years of allophatic treatment at the hands of our first physicians." Hon. C. D. Hineline, Mayor of the City of Cam-

den, N. J., says:
"Hooflawd's Germans Bitters.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organ, and the powerful influence it exerts upon nervous prostration, is really surprising It calms and strengthens the nerves, bringing them in to a state of repose, making sleep refreshing.

If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver and nervous system, the great major-ity of real and imaginary deseases emanate. Have If this medicine was more generally used, we are them in a healthy condition and you can bid defi-ance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend it-self. It should, a fact, be in every furnily. No other medicine can produce such evidences of merit." For sale wholesale and retail at the GERMAN MEDICINE STORE,
