MOXE EVIDENCE.

J. G. Moore. Esq. of the Daily News, sald, Oct 31.
"Dn. Hoof-Land's German Bitters.—We are trying this renowned medicine for a stubborn disease of the bowels, and can with truth testify to its efficacy.
We have taken the contents of two bottles, and we have derived more benefit from the experiment than we derived previously from years of allophatic treatment at the hands of our first physicians,"

ment at the hands of our first physicians."

Hen. C. D. Hineline, Mayor of the City of Cameden, N. J., says:

"Hooptand's Germans Bitters.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the livered. solicits a visit from those desirous of selecting specific in its action upon diseases of the liver and digestive organ, and the powerful influence it exerts upon nervous prostration, is really surprising it calms and strengthens the nerves, bringing them in to a state of repose, making sleep refreshing.

If this medicine was more generally used, we are satisfied there would be less-sickness, as from the stomach, liver and nervous system, the great majerity of real and imaginary deseases emanate. Have them in a healthy condition and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial-it will becommend it. indisposed, to give a trial—it will fecommend it-self. It should, a fact, be in every family. Noother medicine can produce such evidences of merit," For sale wholesale and retail at the GERMAN MEDICINE, STORE,
