mind, were cured immediately. TAKE PARTICULAR NOTICE.
Dr. J. addresses all those who have injured themselves by private and improper indulgences, that secret and solitary habit which rules both body and mind, unfitting them for either business or society. These are some of the sad and inclancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dinness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derange-ment of the Digestive Functions, General Debility,

Symptoms of Consumption, &c. Love of Solitude, Timidity, &c., are some of the evils produced. Thousands of persons, of all ages, can now judge what is the cause of their declining health. Such persons, before contemplating MARRIAGE.

Should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgitinage, the prospect hourly darkens to the view—the mind becomes shadowed with despair, and filled with the melan-cholly reflection, that the happiness of another be comes blighted with our own. READ AND BE CONVINCED.

The "Pulladelphia Saturday Gazette," says of Dr. Hoofiand's German litters, "It is seldom that we recommend what are termed Patent Medicines, to the confidence and patronage of our readers; and therefore when we recom-mend Dr. Heofland's German Bitters, we wish It to be distinctly understood that we are not speaking of the nostraces of the day, that are noised about for a brief period and then for outen after they have dene their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."

"Scott's weekly," said, Aug. 25: "Dr. Hoofand's derman bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent men." MORE EVIDENCE.

J. G. Moore, Esq., of the Daily News, said, Oct 31.
"Dn. Hoofland's German Bitters.—We are tryng this renowned medicine for a stubborn disease of the bowels, and can with truth testify to its efficacy. We have taken the contents of two bottles, and we have derived more benefit from the experiment than we derived previously from years of allophatic treat-ment at the hands of our first physicians. Hon. C. D. Hineline, Mayor of the City of Cam-

den. N. J., says: "HOOFLAND'S GERMANS BITTERS. - We have seen many flattering notices of this medicine, and the source from which they came induced as to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organ, and the powerful it fluence it excits upon nervous prostration, is really surprising.
