public, which they do with the atmost confidence in its virtues and wonderful curative properties.—
Thefollowing certificates, selected from a large number, are, however, stronger testimony than the mere word of the proprietors: and are all from gentlemen well known in their localities, and of the highest respectability, many of them now residing in the city of Richmood, Virginia.

F. Boyden, Req., of the Exchange Hetel Richmond, known every where, says in has seen the Medicine called Carter's Spanish Mixture administered in over a hundred cases, its nearly all the discases for which it is recommended with the most astonishingly good results. He says it is the most extraordinary medicine he has ever seen.

Ague and Fever—Great Cure.—I hereby cartify, that for three years I had Ague and Fever of the most violent description. I had several Physicians, took large quantities of Quinine, Mercury, and I believe all the 1 onics advertised, but all without any permanent relief. At last I tried Carter's Spanish Mixture; two bottles of which effectually cared me, and I am happy to say I have had neither Chills or Fevers since. Great cure of rerofula.—The Editors of the Rich wond Republican had a servant employed in their press room, cured of violent Scrofula combined with Rheumatism, which entirely disabled him from work. Two bottles of Carter's Spanish Mixture made a perfect cure of him, and the Editors, in a pottice, say they "cheerfully recommend it to all who are afflicted with any disease of the blood."

are afflicted with any disease of the blood.

Still another cure of Scrofula — I had a very valuable boy cured of Scrofula by Carter's Spanish Mixture. I consider it a truly valuable Medicine.
