500 PHYSICIANS!

In Maryland, Virginia, District of Columbia, Ohio, LISH. Richmond. Va; Henry H. Williams, Char- and other places, all of whom, without a single exception, have approved of the formula, and most of them acknowledge that they are the best remedies that they have ever known for the cure of the dis-eases for which they are recommend d. Our confid. nce in the excellence of these medicines, added to our desire to avoid the just prejudice of the medical profession against secret and quack nostrums, induced us to adopt this candid course. We append a few of the notices we have received from physiclars, viz: From Dr. Wm. H. Farrow, of Snow Hill, Mary

land. GENTLEMEN-I have frequently in my practice prescribed your "Stabler's Anodyne Cherry Expectorant" and Diarrhæn Cordial, with great satisfac-tion to myself, and to the entire relief of such dis easeases as they profess to cure. I consider them happy combinations of some of our most valuable and safe therapeutical agents, and must be of in-finite worth to the afflicted and mankind at large. In furnishing the medical profession with these active and concentrated preparations, so convenient for administration, and of a standard quality, you have rendered them an eminent service, and I can do no less than earnestly recommend these preparations to practitioners, and especially in the country, where the impurity of commercial Drugs is one

of the greatest obstacles to the success of the Physician.
Doct. W. Love writes to us that he has administered the Expectorant to his wife, who has had the Bronchitis for fourteen years, and that she is fast recovering from her long standing malady. It has in a few weeks done her more good than all the remedies she has heretofore used under able medi-

cal counsel. From Dr. H. P. Worthington, Laurel, Md. "After several months' use of your Expectorant, both in my own family and in general practice, I am confirmed in the opinion expressed of it, when W. L. S. TOWNSHEND having purchased first made acquainted with the recipe. For one 1 thank you for so convenient and elegant a preparation of J. R. RESTON & CO., the business will be from Geo. Gerry. M. "I have much pleasure in adding my testimony in favor of your valuable Cherty Expectorant. I have, after an extensive use, found it to answer all my expectations," From Dr. Daniel W. We have been favored with a written certificate. cheerfully given by numerous medical gentlemen in Maryland, Virginia and Ohio, which alone should convince the most doubting that these are really Good Medicines; after stating that they are acquainted with the composition of both the Expectorant and Cordial, and that they have administered them to their patients, they testify that they are remedies of great value, safe, efficient, and well worthy of the patronage of the profession and the Public, that they are more reliable than any other proprietary medicines with which we are acquaint-The above notices of recommendation from mem-bers of the Medical Faculty, Pharmaceutists of

high standing, and Merchants of the first respec-tability, should be sufficient to satisfy all, that these medicines are worthy of trialby the afflicted, and that they are of a different stamp and class from the "Quackery" and "Cure Alls" so much im-posed upon the public.

This valuable Medicine which has become celebrated for the number of extraordinary cures effected through its agency, has induced the proprietors, at the urgent request of their friends, to ofter it to the public, which they do with the utmost confidence in its virtues and wonderful curative properties.—
Thefollowing certificates, selected from a large number, are, however, stronger testimony than the mere word of the proprietors: and are all from gentlemen well known in their localities, and of the highest respectability, many of them now residing in the city of Richmond, Virginia.

F. Boyden, Esq., of the Exchange Hotel, Richmond, known every where, says he has seen the Medicine called Carter's Spanish Mixture administered in over a hundred cases, in nearly all the diseases for which it is recommended, with the most astonishingly good results. He says it is the most extraordinary medicine he has ever seen.

Ague and Fever—Great Cure.—I hereby certify, that for three years I had Ague and Fever of the most violent description. I had several Physicians, took

violent description. I had several Physicians, took large quantities of Quinine, Mercury, and I believe all the I onics advertised, but all without any permanent relief. At last I tried Carter's Spanish Mixture; two bottles of which effectually cured me, and I am happy to say I have had neither Chills or Fe-JOHN LONGDEN, Beaver Dam. near Richmond, Va.
C. B. Luck, E-q. now in the city of Richmond, and for many years in the Post Office, has such confidence in the astonishing efficacy of Carter's Span-

ish Mixture, that he has bought upwards of 50 bottler, which he has given away to the afflicted. Mr Luch says he has never known it to fail when taken according to directions. Dr. Minge a practising Physician, and formerly of the City Hotel, in the city of Richmond, saye he has witnessed in a number of instances the effects of Carter's Spanish Mixture which were most truly surprising. He says in a case of Consumption, dependent on the Liver, the good effects were wonder-

ful indeed. SAMUEL M. DRINKER, of the firm of Drinker d. Morris, Richmond, was cured of Liver complaint of years standing, by the use of two bottles of Caretr's Spanish Mixture. Great cure of Scrofula. -The Editors of the Rich mond Republican had a servant employed in their press room, cured of violent Scrofula, combined with Rheumatism, which entirely disabled him trom work. Two bottles of Carter's Spanish Mixture made a perfect cure of him, and the Editors, in a no tice, say they "cheerfully recommend it to all who are afflicted with any disease of the blood " Still another cure of Scrofula —I had a very valuable boy cured of Scrofula by Carter's Spanish Mixture. I consider it a truly valuable Medicine.

JAMES M. TAYLOR.

Conductor on the R. F. & P. R. R. Co., Richmond SALT RHEUM OF 20 YEARS STANDING CURED. Mr. John Thompson, residing in the city of Rich-mond, was cured by three bottles of Carter's Spanish Mixture, of Salt Rheum, which he had nearly 20 years, and which all the physicians of the city could not cure. Mr. Thompson is a well known merchant in the city of Richmond, Va., and his RIGHARD E. WEST, of Richmond, was cured of
