

Matters of entirely a personal nature, uninter-esting to the public, induce the subscriber to ofinment of The Commercial for sale. fer the estab Few if any establishments in the southern States offer a fairer prospect of pecuniary independence, to an industrious and enterprising man, than this. A tri-weekly will be always wanted here, and will not be seriously affected by other issues, as the history of the past proves. All the purchaser has to do, in order to gain a competency, is to sustain the character of The Commercial, and execute Job Work in the style in which it has been heretofore done in this establishment. A triweekly, of the proper character, will always ans- deed love and weekly, of the proper character, will always sus-tain a preponderating influence abroad, and retain Russia, and the like. We all know that we have a respectable degree of consequence at home. In the office are four presses, one of which is a We know that whenever she met disaster it was always a blessing to us and ours; when her flag patent Card Press; a full assoriment of types, as is shown by the sheet issued; a large stock of has been torn and trampled, and when she dared not deny us, she has always relaxed her deaily paper for the News and for job work, some of the clutch upon our coun ry-otherwise never. We know that when the Americans had swept her latter very superior ; Cards, Blanks, &c., &c. It has been remarked by several southern Proprietors, who have visited our office, that the Job Office is one of the best assorted in the Southern did! would she had tasted it then; and many a States. Every thing is in this office necessary to States. Every thing is in this office necessary to spared us since. We know that after British meet the demands of business and the require- fraud and toolish Irish trust and gratitude had dis-

ments of the community. The whole of the materials, with the subscription list and good will, will be disposed of for Waterboo the British army, (half of it Iri.h, to \$5,000. As this is much below its value, there our shame and sorrow,) laid prostrate not only will be no "chaffering" in the bargain. After examination the purchaser must give this sum, land has lain more pitiality and hopelessly low or there will be no trade. It is believed the terms can be made accommodating to suit.

- All debts due the establishment, with those for advertising and subscription, pro rata, will be paid while prosperity and success shone brightest upto the subscriber, up to the time of transfer.

Any person in advance to the Establishment. for advertising, subscription or Job Work, will have what is due refunded to bim, if dissatisfied with any arrangement that may be made.

If desired, suitable arrangements can be made by the purchaser, with the subscriber, to assist in the Editorial Department, while here, and to correspond when abroad, for one year, at least. This proposition will remain open no louger service can help themselves.

CONGRESS. We have as yet no perfected business of importance to report from this body. The most interesting business before the Senate, is the Deficiency Bill, and the report of a select committee, appointed last Congress, on some sixty memorials complaining of the awards of the late Board of Comnissioners under the treaty of Guadalupe Hidalgo with Mexico. The report does not affirm that any of the awards of that Commission were founded upon, fraudulent papers except those to Gardiner and Mears ; and, in reference to these, the committee recommend that the Executive be directed to test the liability in law of the parties who re-

ceived the money to refund it to the Treasury .--The report is adverse to all the memorialists except three.

The following bill, which it is supposed will meet with no serious opposition, is before the House Be it enacted, &c. That the Secretary of the

Navy be and he is hereby authorized to cause to see how those who are engaged in the British be constructed for the United States navy, at as early a day as practicable consistently with a due In connexion with this matter, we see from the regard for economy and efficiency, six first-class of by that time the subscriber will continue The New York Daily Times, that it is reported that a steam frigates, to be provided with screw pro-Commercial, with some improvements. The Greek Revolution had not fully subsided. The Egyptain troops had been sent to Candia. Servia was quiet.

FRANCE. The King of Prussia had sent an autograph let-

ter to Napoleon, defending the Prussian neutrality, and suggesting a new mediation by Prussia Napoleon's reply was-"Too late."

LATEST NEWS. The Czar's reply to the demand for the evacuation of the Principalities could not be known till the 17th or 18th of March.

In the English Parliament Mr. Gibson moved an address, praying the Queen, in the event of war, to give directions to abstain from interfering entering into a similar treaty with the U. States and other countries.

The London Morning Chronicle states that despatches from the French Envoy in London had been received in Paris, stating that the English government were not disposed to look upon the proposition made by Prussia for a resumption of negotiations between the Western Powers and Russia as serious, or likely to lead to a pacific so-lence, Heart Burn, Resilessness, Numbress, Neu-

last, a most daring attempt was made to assassin- lution, and therefore think there is no occasion for ralgia, raising the spirits, and giving power to the

WESTERN STRAMBOAT EXPLOSION. Many of the Western steamers afford an expe-ditions and direct route to enternity. Several hun-dred persons have already reached their final destination this Spring, by means of these palace coffins, and strong inducements are held out to others, to follow their example. The Cincinnati

Gazette of Saturday, says : We learn that some steamers are licensed to carry steam twenty degrees higher than allowed by Law; that a steamer carrying passengers, in-

stead of having a metalic life-boat, is provided only with a wooden yawl; that on many boats the pumps, which, with hose, are required to be in readiness in case of fire, are blocked up with freight; that in the Gen. Bem, that sunk below Memphis on the 4th of January, the life-boat was on the lower deck, and as the boat sank with great rapidity it could not be of use to the passengers.

EMIGRATION TO NEBRASKA.

Besides the emigrants hastening to Nebraska from the Northwestern States. there appears to be a prospect of a large accession from the North A convention is to be heid at Worcester, (Mass.) on the 18th April, for the formation of a colony of New England mechanics and farmers, who propose to proceed thither and form a settlement on

NEW ORLEANS, March 28.-Mr. Fillmore was

officially received to day by our citizens, who welcomed him with a grand procession, which passed through the principal streets. The greatest were thronged. He made a speech in the public square, which was enthusiastically received.

The election, yesterday, has resulted in the election of a majority of four independent reformera to the city council.

From the Baltimore Tim :. Wilmington N. C. Steamers--A Suggestion to our Merchants.

Dy reference to an advertisement in this Evenng's Times, it will be seen, that the four steamers, Gladiator, Gov. Duddly, Wilmington and C. Vanderbilt, belonging to the Wilmington and Raleigh N C. Railroad Company, are advertised by the President for sale. The advertisement gives an explicit description of these steamers, and it is only for us to impress at once upon the attention of our readers the importance to Baltimore of entering at once into a negotiation in regard to

them. These steamers have been tried and found | Harriss to possess the one great element for ocean navito Geo. Harriss. gation-strength. It is a remarkable fact that there has never been a loss or accident on the

Wilmington and Charleston line, although the coast navigated is one of the most dangerous on the Atlantic. We would suggest to those merchants interested in the matter, the importance phia, to T. C. Worth. of opening a correspondence with the Wilmington

HORRIBLE DEATH

BALTIMORE, March 27 .- A man named John Carson, a native of Barbadoes, came to a most horrible death on last Saturday night. He was Me., to W. M. Harriss. employed as foreman at the extensive sugar refining establishment of Messrs. Dougherty & Co., on Concord street. He was going through the VanBokkelen. building for the purpose of seeing that every thing was safe, when he by some means missed his footing, and fell into a vat of boiling sugar. As soon the proposed boundary, the amount paid, nor the our tributaries will swell the prosperity of Char as assistance could be procured, he was taken out, but life was found to be extinct. Coroner all questions between the two nations are settled, commercial metropolis will necessarily advance Rountre held an inquest on the body, and renderdeceased leaves a wife and several children in 21 bales cotton, 83 bales yarn, 5 bales waste and Barbadoes. He has been in this country for a 18 boxes dried fruit.

number of years, and just completed arrangements to send for his family .- Times

HIGHWAY ROBBERY. At a late hour on Friday night 'two gentlemen passing up West Fall's Avenue, South of Pratt, discovered a well dressed man in a speechless and almost dying condition, they immediately called the watch, two watchmen appeared, to whom they related the circumstance, and asked for their aid to convey the man to some shelter. Contrary to their expectations the watchmen refused to have Russell & Brother, with 14,000 feet Lumber, 290 anything to do with him, and passed on. The bbls. rosin and 58 bales cotton. gentleman again called "watch" when watchman Quinn and Flemming made their appearance, and 36 bales cotton. unlike the first, immediately set about removing him to the restaurant of Mr. Owen Connolly in kin & Martin, with Naval Stores. Marsh Market Space, who kindly received the unfortunate stranger and exerted himself to revive him, which was soon accomplished. After recovering his speech, he informed them that he had been assailed by two ruffians and robbed of a considerable sum of money. They then threw him NEW YORK, into the falls.
