VOLUME IX---NUMBER 16. WILMINGTON, N. C., SATURDAY MORNING, APRIL 22, 1854. WHOLE NUMBER 1068

MISCELLANY.

A GOOD JOKE.

The Rome *Sentinel* tells the following excellency story in connection with the escape of two females from the jail in that town on Sunday night last:—"On Monday morning a constable, not a thousand miles from this town, having some business at Utica, started in his sleigh, with the intention of finding and arresting if possible, the fugitives. He had got a short distance below Oriskany, when he overtook a couple of females who politely asked him for a ride. This reasonable request could hardly be denied by the gallant constable, so he took the young ladies (!) in his sleigh, and carried them to Utica, and there left them. After the transaction of his business in that city, he returned to Rome, and was relating to the jailor the little piece of gallantry which he had performed in the morning, when it turned out on further description, that these same females who had had such a fine ride were the ones who had escaped from jail, and who the constable was in pursuit of."

DISCOVERY OF HUMAN REMAINS.

Yesterday afternoon some laborers while engaged in excavating and preparing the foundation for a new building about to be erected in the rear of No. 7 Oak-street, dug up a human skull and the bones of a human frame, which they found about 12 feet below the surface. News of the affair soon spread, and a large crowd collected, many of whom believed that some person had been murdered and buried on the spot. Captain Ditchett, with a force of the 4th ward police, repaired to the place and preserved order The bones were placed in a box and conveyed to the store of Messrs. Fowler, phrenologists, who pronounced the skull to be that of an Indian. The remains had probably been deposited in the place in which they were found for nearly a century.

N. Y. Sun, 14th.

TERRIBLE DEATH.

A master bricklayer, attached to the Stanton Iron Works in South Derbyshire, England, while effecting some repairs upon the wall of a furnace, was precipitated from his position by the giving way of some bricks, into the midst of a mass of molten lead The operatives who saw him stooping with his hands and feet in the red hot metal, could do nothing more than pour vast quantities of water upon the fire and upon the person of their unfortunate fellow workman. When the heat of the furnace was somewhat subdued so as to allow of access to the body, all that could be found of the remains was a single shrivelled fragment of the trunk, two or three feet in length.

BOOTBLACK IN A FIX.

A domestic, newly engaged, presented to his master, one morning, a pair of boots, the leg of one of which was much longer than the other.

'How comes it, you rascal, that these boots are not the same length?'

'I really don't know sir—but what bothers me the most is that the pair down stairs are in the same fix.'

A humorous fellow, subpœned as a witness on a trial for an assault, one counsel, who was notorious for brow-beating witnesses, asked him what distance he was from the parties when the assault hadpened; he answard:

"Just four feet five inches and a half."

"How came you to be so exact, fellow?" said the counsel.

"Because I expected some fool or other would ask me, and I measured it."

PROGRESS OF TEMPERANCE.

According to the latest advices, the Emperor or Russia refuses to treat.

Mr. John Stier, a revolutionary soldier aged 94 years, died near Frostburg, Md., on the 8th instant.

Mrs. Long, wife of Nathaniel Long, residing 16 miles from Tampa, Fla., was recently bitten by a rattlesnake, and died in a few hours.

BALTIMORE LOCK HOSPITAL.

DR. JOHNSTON Proclaims to the afflicted, far and near, that he has discovered the most certain, speedy and efficacious plan for treating particular diseases that has ever been presented to the world. By his plan, founded on observations made in the Hospitals of Europe and America, he will insure

A CURE IN TWO DAYS, OR NO CHARGE.
[No Mercury or Nauseous Drugs Used.]

Pains in the Loins, Constitutional Debility, Impotency, Weakness of the Back and Limbs, affections of the Kidneys, Palpitation of the Heart, Dyspepsy, Nervous Irritability, Disease of the Head, Throat, Nose, or Skin; and all those serious and melancholy disorders arising from the destructive habits of Youth, which destroy both body and mind, those secret and solitary practices more fatal to their victims than the song of the Syrens to the mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN.

Especially, who have become the victims of *Solitary Vice*, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

He who places himself under the care of Dr. Johnston may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

OFFICE, No. 7, SOUTH FREDERICK St. 7 DOORS FROM BALTIMORE St., (east side,) UP THE STEPS. BE PARTICULAR in observing the NAME and NUMBER, or you will mistake the place.

DR. JOHNSTON.

Member of the Royal College of Surgeons, London; graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by private and improper indulgences, that secret and solitary habit which ruins both body and mind, unfitting them for either business or society.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded; Loss of Memory of Causing of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons, of all ages, can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale and emaciated, have a singular appearance about the eyes, cough and symptoms of Consumption.

DR. JOHNSTON'S INVIGORATING REMEDY FOR GENITAL DEBILITY

This grand and important Remedy has restored strength and vigor to thousands of the most nervous and debilitated, many of whom had lost all hopes, and been abandoned to die. By its complete invigoration of the Nervous System, the whole faculties become restored to their proper power and functions, and the fallen fabric of life raised up to beauty, consistency, and duration, upon the ruins of an emaciated and premature decline to sound and pristine health. Oh, how happy have hundreds of misguided youths been made who have been suddenly restored to health, from the devastations of those terrific maladies which result from Indiscretion. Such persons, before contemplating

MARRIAGE.

Should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view—the mind becomes shadowed with despair, and filled with the melancholly reflection, that the happiness of another becomes blighted with our own. Let no false delicacy prevent you, but apply immediately, and save yours li from the dreadful consequences of this terrible malady.

WEAKNESS OF THE ORGANS

Immediately cured and full vigor restored.

☞ALL LETTERS MUST BE POST PAID. Remedies sent to any part of the country.

TO STRANGERS.

DR. JOHNSTON, of the Baltimore Lock Hospital, whose long residence in this city, standing as a gentleman of character and responsibility, extensive practice in the various Hospitals of Europe and this country, and skill and experience to which thousands can testify, as well as his ability in the Surgical department of his profession, as evidenced by reports of his operations on the Eyes and Deformed Limbs, published in the Baltimore Sun and other papers, in the years 1841-2, by which *the blind were made to see and the lame to walk straight*, renders him worthy of all confidence upon the part of those who need his professional services, and who would shun the many trifling and ignorant pretenders advertising themselves as Physicians.

☞To those unacquainted with his reputation, Dr. Johnston deems it necessary to say that his credentials or diplomas always hang in his office.

☞OFFICE, No. 7 SOUTH FREDERICK St., East side, up the steps.

SALAMANDER SAFES.

THE name of Salamander was first applied to Wilder's Patent, and introduced by the subscriber in 1840, who in 1844 purchased the right to manufacture. The superiority of Herring's (Wilder's) Salamander Safes over all others induced many to infringe upon the patent right by using the composition; others more cautious, and to evade a forfeit, made an inferior article, imitating the exterior in form, style, color of painting, and attaching the name "Salamander," Improved Salamander," "Fire Proof Salamander," "The Genuine Salamander," &c., &c., and have succeeded in palming off some of the spurious Salamanders as genuine. Those wanting the original Salamander, manufactured by the subscriber, should take the precaution to see that they have upon them a metal plate—"Silas C. Herring, Maker,"—all such being the genuine (Wilder's Patent) Salamander, or Herring's Improved Patent Champion Safe, which received the medal at the Great World's Fair, and which have never failed to preserve the contents in case of fire. Purchasers can select from the largest assortment in the world by calling at the sale rooms of SILAS C. HERRING,

135, 137, and 139 Water, cor. of Pine Streets.

N. B.—Chilled Iron safes with powder proof locks manufactured expressly for banks, jewellers, brokers, and others requiring security from rogues—Bank vault doors on hand, and made to order. VALUABLE DWELLING HOUSE
FOR SALE.

THE Subscriber offers for sale that most desirable DWELLING AND PREMISES, situated on the North Western intersection of Third street with Red Cross street, the Lot fronting 100 feet on Red Cross, and 200 feet on Third.

The Dwelling House, Kitchen, Smoke-House, Stables, and all the other out-houses on the premises, have been built within a few years, of choice materials, in the best manner, and nearly all of them covered with tin. The Dwelling House is capacious, handsomely finished, and most conveniently planned, and all the other buildings are judiciously arranged, and well fitted up.

There are few Lots in Wilmington so desirably located, and the improvements on which are so admirably adapted for a family residence. Third street on the entire Eastern line of this lot, is 99 feet wide, and separates it from that on which a new Episcopal Church is about to be erected.

Persons desiring to purchase, can ascertain terms of sale by application to the subscriber, or N. N. NIXON, Esq., or M. CRONLY, and the subscriber will cheerfully accompany any such who wish to inspect the premises.

MEDICAL HOUSE,

No. 16, SOUTH FREDERICK STREET,
BALTIMORE, MARYLAND.

Established in order to afford the Afflicted sound and scientific medical Aid, and for the suppression of Quackery.

DR. I. B. SMITH has for many years devoted his whole attention to the treatment of Private complaints, in all their varied and complicated forms. His great success in those long standing and difficult cases, such as were formerly considered incurable, is sufficient to commend him to the public as worthy of the extensive patronage he has received. Within the last eight years, Dr. S. has treated more than 29,500 cases of Private Complaints, in their different forms and stages; a practice which no doubt exceeds that of all other physicians now advertising in Baltimore, and not a single case is known where his directions were strictly followed, and medicines taken at reasonable time, without effecting a radical and permanent cure; therefore, persons afflicted with diseases of the above nature, no matter how difficult or long standing the case may be," would do well to call on Dr. Smith, at his office, No. 16, South Frederick St., and if not effectually relieved no remuneration will be required for his services. His medicines are free from Mercury and all mineral poisons; put up in a neat and compact form, and may be taken in a public or private house, or while travelling, without exposure or hindrance from business, and except in cases of violent inflammation, no change of diet is necessary.

STRICTURES.—Dr. Smith has discovered a new method by which he can cure the worst form of stricture and that without pain or inconvenience to the patient. Irritation of the urethe, or prostrate glands, or neck of the bladder, is sometimes mistaken for strictures by general practitioners or charlatans

YOUNG MEN

and others afflicted with Seminal Debility, whether originating from a *Certain Destructive Habit*, or from any other cause, with train of bodily and mental evils which follow, when neglected, should make an early application, thereby avoiding much trouble and suffering, as well as expense. By his improved method of treatment, Dr. S. can safely guarantee a speedy and perfect cure in all cases of this complaint.

TO FEMALES.

All diseases peculiar to Females (as also Suppressions, Irregularities, &c.) speedily and effectually removed. The efficacy of these remedies, for the cure of the above affections, have been well tested in an extensive practice for the last twelve years.

Persons at a distance may consult Dr. S. by a letter, post-paid, describing case, and have medicine securely put up and forwarded to any part of the United States, always accompanied with full and explicit directions for use. Communications considered strictly confidential. Office arranged with separate apartments, so that patients never see any one but the doctor himself. Attendance daily, from 8 in the morning till 9 at night.

N. B.—Persons afflicted with any of the above complaints, would do well to read the various

NOSTRUMS AND SPECIFICS

advertised by Apothecaries and Druggists as a certain cure for any and every disease. They are put up to sell, but not to cure, and frequently do much more harm than good—therefore avoid them.

A word to the wise is sufficient. Address
