## MISCELLANY.

INTERESTING FROM LIBERIA. Advices from Liberia to the 17th of May represent the Republic to be quiet. Two companies of immigrants, which had arrived in the Gen. Pierce and the Banshee, from Baltimore, were getting on well in their acclimation. Many of them had located on the banks of the St. Saul's, and were making rapid im-

provements. There had been a challenge passer between two gentlemen of Monrovia, Capt. R. Cooper, and Hon. S. V. Mitch-

The waten followed, keeping close upon them, to the square, above the Cemetery, when they found themselves suddenly surrounded by a crowd of from twenty-five to thirty, who immediately commenced an attack upon them. A general melec ensued, the watchmen ably defending themselves by means of their weapons; though it was so dark that nothing could be seen, except when it lightened. Several Lishmen were roughly handled; and bore off the marks of the contest. A pistol was fired, upon which the crowd

wounds. We hope he will soon recover. We are sorry to be called on to reord this occurrence. We hoped that our city would be free from any such riots as have disgraced neighboring towns. What may have been the cause of this remains a mystery. DESTRUCTIVE FIRE.

A most destructive fire broke out at Fredericton about 1 1-2 o'clock on Tuesday morning last, in the work shop of Mr. Wiley, cabinet maker, and spread with frightful rapidity, until the greater part of three blocks, between King street and the River, and north of the Temperance Hall, were entirely consumed. Some persons near the origin of the fire lost their furniture and clothing. About forty-five buildings are said to have been destroyed, and as the property was valuable, the loss will be very heavy. It is stated that there was not a great amount of insurance .- Ib.
