A. Lamont, - - 14 CAPE-FEAR AND DEEP RIVER.

One of the most important measures of the sesion of our present Legislature, is the passage of the bill which provides for the indorsement of the State on \$300,000 of the bonds of the Cape Fear and Deep River Navigation Company. All will see the great importance this measure is to our town, as well as to all the sections connected with this valuable improvement.

L brief postponement of the Distribution from the 30th of January, to the 18th of Extraory, at which time it with positively take place.

The Manugers find it necessary to make the above change, dwing to the occup in completing the building of the Galleries, and the taception of Works at Art; which necessarily deserted its publishing of the illustrated Catalogue until late to December, thereby provening the general circulation desired among the distant Secretarical and friends of the Association.

TO ALL THOSE WHO MAYE NOT YET

TO ALL THOSE WHO HAVE NOT YET
