TAKE NOTICE.

It is with the greatest reluctance that Dr. JOHN-STON permits his card to appear before the public, deeming it unprofessional for a physician to advertise, but unless he did so, the afflicted, especially strangers, could not fall to fall into the hunds of those impudent, boasting imposters, individuals destitute of knowledge, name and character, pediars, shoemakers, mechanics, &c., advertising themselves as physicians; ignorant quacks, with filthy, lying certificates of Great Wonderful Cures from persons who cannot be found, or obtained for a few dollars from the Worthless and Degraced, and many other cunning and contemptible artifices to entire the affileted, trifling month after menth, or as long as possible, and in despair, leave you with ruined health, to sigh over your galling disappointment.

It is this motive that induces Dr. J. to advertise, for he alone can cure you. To those unacquainted with his reputation, he deems it nect saary to say that his credentials or diplomas always hang in his Office.
