at reasonable rates. SCULPTURING, LETTERING OR CARVING, Executed as well as can be done either North of The best reference can be given, if required. JAS. McCLARANAN. Johnston. Young men who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school, the effects of which are nightly fell, aven when asleep, and if not cuted, renders marriage impossible, and destroys both mind and body. What a pity that a young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in a certain secret habit.— Such persons, before contemplating MARX1AGE.
