SOUTHERN LITERARY MESSENGER We have received the above named work for agust. It is well known as a truly Southern Periodical of the first class. Published by Macfarlane, Ferguson & Co., Richmond, Va., at only \$3 a year. JNO. R. THOMPSON, Editor.

PLEASE NOTICE.

We copy the following from the Columbia, S. C. Times. The Whiggery and Democracy of our State will please notice:

"The much derided and abused American Par-ty (called in derision Know Nothings) of South Carolina glory in the fact that they have become sectional, a condition they foresaw, and now hold themselves in readiness to sustain a Constitutional Union or perish contending for their rights .-This is the position occupied by the Southern American Party. Can the Democrats of the South, as a party, occupy a more prominent po-sition in defence of the rights of the South?— They cannot."

A MARTYR.

The New York Tribune is abusive of Judge KANE, for asserting the principles of organic and sustaining the Constitution of the country, in re- of 1,000,000 reals. gard to the rights of the South.

In this connexion he has advanced a very amu- Garonne. sing idea; which is, that the Judge, in the administration of justice to the culprit, has made a Burgos. martyr of the ruffian Williamson. A martyr is one who is put to death for any cause; so Will- sanctioned by the Cortes. LIAMSON only proximates martyrdom, though public justice would seem to require that he atthe right sort of a thing to take him out of jail Rome have been reinforced. and hang him to a lamp post. He would be then a martyr on the principle that every man who commits murder or robbery, is entitled to canonization if he be caught and punished.

We guess there will not be quite so many aspi- Cabinet was hourly expected. rants for martyrdom after this, as there were before a little necessary correction was inflicted on

THE PHYSICIAN.

Here is a tribute, well deserved to a professi to which society owes a vast debt :

"No class of men in the regular discharge of duty incur danger more frequently than the honest physician. There is no type of malignant naladies with which he fails to become acquaint ed; no hospital so crowded with contagion that he dare not walk freely through its wards. His vocation is among the sick and dying; he is the Har friend of those who are sinking into infectious disease : and he never shrinks from the must do so with equanimity; as he inhales the bery, forgery, utterance of forged paper. re, he must coolly reflect on he medicine which may mitigate the sufferings at he cannot remedy. Nay, after death has enmed he must search with his dissecting knife. for its hidden cause, if so by multiplying his own perils he may discover some alleviation for the aftence. And the habit of caring for the lives of deck, the two Reuss, Lippe, Hesse Hamburg, Brehis fellow man is far from leading him to an habnce to his own. The physician shuns every danger but such as the glory of his ands him to defy."

The Chicago Press says that a few cases of occurred at Bridgport, on the Chicago River, and also at Chicago city.

THE IMPORTANCE OF PUNCTUALITY. "BESIND TIME."-A railroad train was rushing long at almost lightning speed. A curve was of July 18th, says: ust ahead, beyond which was a station at which the cars usually passed each other. The conductthe down-train was to wait had nearly elapsed; but he hoped yet to pass the curve safely. Suddenly a locomotive dashed into sight right ahead. an instant there was a collision. A shriek, a shock, and fifty souls were in eternity; and all ecause an engineer had been behind time.

A great battle was being fought. Column afer column had been precipitated for eight mortal hours on the enemy posted along the ridge of a hill. The summer sun was sinking to the west; reinforcements for the obstinate defenders were already in sight; it was necessary to carry the position with one final charge, or every thing would be lost. A powerful corps had been suminto an attacking column, and led them down the hill. The whole world knows the result. Groua prisoner at St. Helena because one of his marshals was behind time.

A leading firm in commercial circles had long mous assets in California, it expected remittancrived, its credit, its honor, and its future prosperity would be preserved. But week after week elapsed without bringing the gold. At last came the fatal day on which the firm had bills maturing to enormous amounts. The steamer was telegraphed at daybreak; but it was found on inquiry that she brought no funds; and the house failed. The next arrival brought nearly half a mil-

lion to the insolvents, but it was too late; they

were ruined because their agent, in remitting,

had been behind time. A condemned man was being led out for execution. He had taken human life, but under circumstances of the greatest provocation, and public sympathy was active in his behalf. Thousands had signed petitions for a reprieve, a favorable answer had been expected the night before, and, though it had not come, even the sheriff felt

confident that it would yet arrive in season .-Thus the morning passed without the appearance of the messenger. The last moment was up .-The prisoner took his place on the drop, the cap was drawn over his eyes, the bolt was drawn, and interference." The editor adds, in the general The Russian army had invested Kars Kutal, a lifeless body swung revolving in the wind. Roin, arrived in this city yesterday afternoon by the The Black Warrior dispute has been definitely | Charlotte Road, destined to the final resting place, burial will be performed at the family sepulchre.

"DOG FIGHT."

A correspondent of the Spartanburg Express, writing from Columbia, and referring to the fact that a Dog Fight closed the spots of the 4th July,

frequently in Columbia during the last few years.

As the Times, (being one of the papers pub lished in Columbia,) is undoubtedly referred to, we regard it proper to reply to the correspondent' of the Express.

Such, or similar notices as the one designated have never appeared in our columns, nor could they appear with our knowledge or consent .-Once, a notice of a chicken fight was inserted, much to our regret. The columns of the Times will never be disgraced by the insertion of such disgraceful proclamations, unless they slip in without our knowledge or consent, to guard against which our orders have been issued against their insertion. Those who indulge in such disgraceful sport, or aid in propagating such vices in any way, justly merit the contempt and censure

of every friend to good society .- Ib. WHO WOULD BE A MONARCH ? Grandenr seems to be like a candle-burning blackest nearest the wick. The following shows

what society hems in a monarch: "On the occasion of one of his last visits to who was in the employment of the royal family. Merchants' Exchange Reading Room .- Ib, with a watch. A watch was offered to the artist der, rape, forgery, arson, embezzlement by public by his Majesty's chamberlain; but it corresponded so ill with the lofty reputation of the imperial donor, that the painter ventured to remark to a friend that it was not a very imperial gift. The observation was repeated to the Czar, and it was perceived that the officer charged with the execution of his Majesty's intention had received the value of a high-priced watch from the treasurer to his household, but had sent a worthless watch knowledge: then, with a look in which sadness and disgust were more visible than anger, he took his own watch from his pocket, and said, 'Give this one to the painter, and for the rest .- say nothing about it, if you please.' The offender was one of the most confidential attendants on his own person !"

PARDONED.

pardoned by President Pierce.

A CHOLERA PATIENT BURIED ALIVE. A special correspondent of the New Orleans Picayune, at Bolivia, Mississippi, writing under date

I learn that there is considerable sickness on the river now, the boats often stopping to bury was late, so late that the period during which their dead. I was informed by a physician that seven were put off on Tuesday last at Napoleon. Our country continues healthy. I heard a good story the other day. It is tough, but my informant vouches for the truth of it. On the steamer -, on her last trip, there were many cases of cholera-many died and were buried. At of old flatboat plank. At sundown another case the widows and orphans who have been made died-a deek passenger. He was thrust into the such in this terrible war. The pictures are not box, and the top loosely nailed on.

The captain ran into a wood-yard, and not likmoned from across the country, and if it came up him. The box was left under the bank alone un- a drawing for it. THE MAID, THE WOLF AND THE DEER.

A Wisconsin paper tells a story of a Wisconsin heroine:-"A young lady of fifteen, living at Rawley's Bay, while walking with another young lady, saw a wolf a short distance off, watching a deer that he had driven into the lake. With a courage rarely equalled she drove the wolf away, and, wading into the lake, brought the deer on shore by the car; but, after petting him a short time, the ungallant fellow made several attempts to get away, and finally carried matters so far as to knock her down and tear her dress, when, beoming justly incensed by such behaviour, she ook a stone and dashed out his Trains, the wolf all the time standing a short distance off, a silent spectator of the fight in which he took no further part than by showing a formidable row of teeth occasionally, to show his disapprobation of her Hoosier style: "It is safe enough to predict that

ANECDOTE OF WESLEY

While traveling in Georgia, I picked up the folminutes too slow, making its bearer arrive behind owing anecdote of John Wesley and General Oglethrope. It seems that these two gentlemen the services of a physician.-Slandard. were fellow passengers from Europe. In the course of this voyage Mr. Wesley heard General Orglethorpe making a great noise in the cabin. pon which he stepped in to know the cause .-

myself with several dozens of it, and this villian a year at Sebastopol because they delayed a su- (his servant, who was present, almost dead with perflous day after the battle of Alma, and came fear) has drank up the whole of it. But I will be up too late for a coup de main just twenty-four revenged on him. I have ordered him to be tied behind time." Five minutes in a crisis is worth | hand and foot, and to be carried to the man-ofwar which sails with us. The rascal should have taken care how he used me so, for I never for-

"Then, sir," said Mr. Wesley, looking calmly at him, "I hope you never sin." The General, confounded at the reproof, threw his keys to the servant, and bade him do better

From the Norfolk Argus of Tuesday. WORTHY OF ALL PRAISE. Several cases of the yellow fever having been announced, the Sisters of Charity connected with St. Patrick's Church of this city received a note vesterday from a physician informing them that their services had been been offered to attend the promptness, and in terms expressive of a self sacrifleing devotion to the cause of suffering humanity, and stated their readiness to enter at once upon the work of love and mercy. They add that their force will probably be divided between Portsmouth and Norfolk, and if needed, aid will immediately be procured at Em metsburg, so that in case the fever should unfortunately spread in our city, the public may not want for careful and experienced nurses to attend at the bedsides of the sick, the suffering and the dying.

SHOCKING ACCIDENT. On Saturday, while two painters, named James originated. Dougherty and John Lane, were painting the front wall of the New York Hotel on Broadway, on a scaffold put up at the sixth story of the building, by some misschance the fastenings gave way, and both men, along with the scaffolding, fell to the sidewalk, a distance of nearly seventy feet .-Dougherty was instantly killed, his brains being dashed out upon the sidewalk, presenting a horrid spectacle. Lane was picked up in a dying

A DESERVED REWARD. The Atlantic and Mutual Insurance Companies f this city have presented to the captain, chief officer and carpenter of the ship Young Brander, as an acknowledgment of their distauguished scrvices in saving that ship from loss, and the owners and underwriters from expense, after its collision with the iron propeller Pactolus, in the Euglish channel, in December last, the sum of nine hundred dollars, four hundred of which is for the captain, three hundred for the mate, and two hundred for the carpenter. The iron cutwater of the propeller, which was driven through the side of the ship, and remained there, broken off after Berlin, the Emperor wished to present a painter, the vessels parted, is now on exhibition at the

INQUIRIES ANSWERED.

In reply to numerous inquiries, relative to the Goldsboro' Female College, I take this method of saying to all whom it may concern. First, the buildings for school purposes are complete. Secondly, arrangements are made to secure accommodations for the young ladies, in the first families of the place, at the same price and under the same regulations, as pertained in the College.to the painter, and kept the difference for himself. Thirdly, the Faculty is efficient as heretofore, the Kansas with Christians. The Czar frowned when this story came to his health of the place is unsurpassed, and lastly the school will commence on the 1st day of August. JAS. H. BRENT.

Papers friendly to the College, please copy.

A young lady found one day reading a novel, wm. Tinnin, convicted of robbing the malls at the last Federal Court held at Raleigh, and sentenced to twelve months' imprisonment, has been she replied, "The style? the style?—Oh, sir!! am not come to that yet."

Victoria's Children and the Provident Fund

Association. The Boston Traveller publishes the following extract from a letter of a young lady of that vicinity, now in London. It will give our readers some idea of the interest which the Queen of Engleand takes in raising funds for the families of the poor soldlers who have been slaughtered or crippled in the eastern war, and the shifts resorted to by the managers of a London exhibiton to raise the wind:

"Tuesday we went to an exhibition of water color drawings, which have been executed by length all the coffin-plank was used up, and the private individuals, and are for sale in aid of the carpenter was compelled to make his boxes out Provident Fund, which has been established for remarkable for excellence, though good for an amateur collection, embracing many hundreds .ing to stop to bury the body, bargained with the The greatest attraction seemed to be that the owner of the yard, an acquaintance, to do it for Queen allowed each of the royal children to make

their eyes dilated with horror, and their wool | The Princess Royal's picture was a water color master went down and a strange sight presented ing over the-body of a dead soldier on the field of itself. The corps had revived, and finding itself battle. The drawing was well executed. I should The man was soon well, and is now chopping wood that the Queen and Prince Albert both draw but although the resurrected will come to the they could hold a pencil. The drawings of the landing and talk with the officers, no persuasion Prince of Wales and Prince Afred were in pen can induce him to go on board. He is fearful of and ink, and very well done. Those of Princess Alice and Princess Helena, in Crayon. The Princess Royal is the eldest, and is fourteen years old. Her drawing was sold for 250 guineas, and there are to be 2,000 lithographs made from it, at one guinea each. Each of the other drawings will of course bring a large price, so it seems even royal children may do some good in the world."

BURGLARY. CHARLESTON, S. C. August 2 .- The store of Mr. Banter, at the foot of Chapel and Washington streets, was broken into between twelve and one o'clock Tuesday evening by two negroes, or two persons with blackened faces. Mr. Banter was aroused by the noise made by forcing the door, and arming himself with a pistol, and taking a companion, hid himself in the rear to await their coming. Having succeeded in effecting an entrance, they commenced to rifle the place of its valuables, when Mr. B. despatched after them a bullet from his pistol, wounding one of the rascals, both of whom nevertheless escaped. They carried nothing away from the store, however .-This is the fourth time the same thing has been attempted on the premises of Mr. Banter, and it is said that others in the neighborhood have suffered in the same way. The wounded man is described as being of a thin visage, and it is sugges ted that this description may posibly lead to his ted that this description may posibly lead to his he has the former, we shall do so cheerfully detection, as it may be necessary for him to have though we are not asked to notice him outside of

FIRE AGAIN. Yesterday afternoon, at half past four o'clock, the attic story of Mr. P. F. Smith's residence on The General immediately addressed ham, saying: Wentworth street, 2d house West of King, was " Mr. Wesley, you must excuse me. I have discovered to be on fire. An alarm was instantly met with a provocation too great for man to bear chimed, and the timely arrival of our effective Fire Department, who soon had their engines in agrees with me best of any; I therefore provided full operation, checked the flames, which, a few minutes previous, threatened to result in a serious conflagration. The house, which is owned by Mr. Smith, is damaged to the extent of about \$1000, and is covered by an insurance of \$3000. A portion of the furniture was injured by water, but the most valuable articles were removed. The origin of the fire is a perfect mystery, no person having visited the attic for some time previous to its breaking out .- Ib.

NEARLY SERIOUS AFFRAY. A difficulty occurred between Mr. S. Phelps and Mr. J. White at the fire yesterday afternoon, which caused the former gentleman to have a peace-warrant issued against the latter. Last evening, between eight and nine o'clock, Mr. Phelps, with an officer, was going to serve the warrant, when they met Mr. White on King street, between Liberty and Wentworth, who resisted being arrested, and a fracas occurred, in which Mr. sick, if desired. They replied with commendable | Phelps received two or three cuts from a knife in the neck and throat, neither of which, however, is considered dangerous.- 16.

NEW ORLEANS. On account of yellow fever in New Orleans, the corporate authorities of Natchez and Vicksburgh have adopted quarantine laws against all ascending and decending boats. The penalties for violation of these laws are very severe. There seems to be a determination on the part of the cities of the upper Mississippi to confine the fever, if possible, to the place whence it is supposed to have

THE ORIGIN OF YELLOW FEVER. The Commercial Bulletin, of New Orleans,

How yellow fever originates in New Orleans is question which for years has employed the minds of every member of the medical profession to a greater or less degree. As far as we can learn from conversation with a large number of the faculty, and reading the report of the sanitary committee on the subject, we infer that the profession in New Orleans stand in the proportion of eight to two against the theory of importation .-If the question then is to be determined be the weight of numbers, it is no longer a mooted point. Yellow fever is endemic in New Orleans; to the manor born;" an old inhabitant who is apt to continue his residence among us in spite of Boards of Health and quarantine regulations.

THE TUCKERMAN FRAUD.

The item of \$50,000 in the deficit of Tuckerman which the investigating committee in the case did not deem it advisable to say anything about, is said to be an investment of \$40,000 in the prosecution of Morton's claim upon Congress for the ether discovery. The odd \$10,000 is not accounted for; but it is surmised, though probably without good reason, that the corporation purpose to invest another \$10,000 in the claim, in hope of making good their loss .- Boston Jour., Tuesday.

A NEW PROJECT.

Boston, July 30. It is proposed that the 3000 Anti-Nebraska clergymen in New England become life mebers of the Emigrant Aid Society each pay \$20, the proceed to be applied to settling

QUARANTINE REGULATION.

TA SPECIAL MEETING of the Com A TASPECIAL MEETING of the Commissignars of Navigation and Pilotage, it was
Resolved. That in consequence of information
received of the existence of yellow fever in Norfolk and Portsmouth, Va., it is ordered, that all
vessels arriving from those places, as also, all vessels arriving from ports south of Cape Fear, where
the vellow inver exists, shall not be allowed to proceed to town under thirty days from the date of
their clearance or departure from such ports or
places. The said order to continue in full force places. The said order to continue in full lorde, and effect until the first day of November next.

By order of the Board.

W. J. LOVE, See'y. B. C. N.

Wilmington, N. C., Aug. 4th, 1855. 61-2w.

TOWN MATTERS.

OFFICIAL PUBLICATION. At a special meeting of the Board of Commis-oners of the town of Wilmington, at office, Au-

President His Honor, the Mayor, J JOHN McRAE, I. NORTHROP. A. A. BROWN, W. S. ANDERSON,

P. RUSSELL WHEREAS, the Yellow Fever is prevailing in some of the neighboring cities, and the Commis-sioners of the town of Wilmington have, what they consider well founded apprehension that the town is in danger of being visited by said disease, and being desirous to adopt such precautionary measures as may be necessary to prevent, if possible, the introduction of said disease, it is therefore

Ordered, That if any person shall visit the town of Wilmington within fifteen days next after such person shall have been in such infected cities, or n any family in which the Yellow Fever prevails, such person if white shall be fined \$100 for each and every day he or she may remain in the town; and if a slave, and shall visit this town, by order or with the consent, of his or her owners, the penalty shall be paid by the owner of said slave; and if any slave shall visit the town as aforesaid, without the consent of his or her owner, he or she shall receive not to exceed thirty nine lashes, and shall leave the town forthwith, excepting such persons, as are citizens of this place, and they Molasses, per gallon, N. Orleans... all be required to report themselves daily to the Port Physician for fifteen days, after their arrival, under the penalties above named; provided, that nothing in the above shall be construed to interfere with travellers going North or South, who shall pass in regular course through the town. Ordered, That the above be published in each of the papers of the town, and that hand-bills be struck off, and posted in different parts of the town, and furnished to each and every conductor (two copies each) of the two railroads terminating

R. MORRIS, C. T. Holloway's Ointment and Pills the best Remedies for the Cure of Female Complaints. The extraordinary effect these Pills have upon all complaints peculiarly incidental to females, would appear incredible to the citizens of the Union, if it were not confirmed daily by the wonderful cures they effect in the various States. It is an unquestionable fact, that there is not any remedy to equal them for exterminating suffering from the softer sex, particularly for young girls entering into womanhood, therefore all are requested to give them a trial, which will insure their recom-

NOTICE.

THOSE who are indebted to me individually or John Dawson & Co., will please call and pay n or before the 20th inst., if not, many will be sued to June Court, balance sure to September, as farther indulgence will not be given; having made business arrangements elsewhere, so that I will require all my capital. All sums under \$100, if not oald immediately, will be put in the hands of the proper officers for collection.

JOHN DAWSON.

PERRY DAVIS'S PAN KILLER -The Buffalo Christian Advocate says: - We like Mr. Davis for the moral and benevolent tendencies of his haracter and life. He manufactures an article known almost universally to be a good and safe so far as we can aid him in securing the last, for Best quality Mill Saws, 6 feet, I our advertising columns. We refer to his new notice this week. His Pain Killer should be in every family. The casualty which demads it, may comes unawares.

By the Asia.

Liverpool, July 21.—Cotton—Milligan's circular says: Orleans fair, 7½; middling, 6½; Upland fair 6½, middling, 6½. Stock in port, 629,000 bales, including 434,000 bales of American cotton.

Breadstuffs.—The Brokers' Circular differs from the first dispatch, namely: Wheat is quoted as advanced 2d, and flour as 1s. White Wheat 12s

unchanged. Sales at 41s a 43s 6d. Rice is Sugar and coffee are firm. PHILADELPHIA MARKET. Aug. 1.—Flour and Mesl—There is no coin the Flour market. Shipping brands are held at \$9 per bbl., and small sales are to 9 25 for mixed brands, 9 50 a 10 50 for choice.

Corn has been less active, the arrivals not having been as large, prices were without material change until yesterday, when Western mixed fell off 2c per bushel, at which the market was again heavy to-day, closing at 88 a 884. Southern is nominal at 93 a 95c for yellow, and 1,05 a 1.08 for white. There has been but little done for future delivery, on Thursday 5000 bushels Western mixed for September were sold at 25.

Cotton—The sales for the week ending to-day are about 5000 bales, and the closing quotations show a slight advance. Sales 91 a 124. Brig Lincoln Webb, Perkins, for Bath me., by show a slight advance. Sales 94 a 124.

Naval Stores—Crude Turpentine has been in demand at firmer rates. The sales are 2,700 bbls at 2.874 a \$3 for Wilmington and North County. Spirits Turpentine have been in fair demand at somewhat easier prices. The sales are 3 100 at 40 a 41, closing with more firmness at 40 a 41.—
Rosin has been offered more freely, and prices of common have slightly declined. The sales are 5,600 bbls, at 1,80 a 1,85 for common, the lower rate for lots afloat; fine rosins are without change with a good stock in market, but little pressing; No. 2, 82 a 2.25. No. 1, 2,50 a 4.50. Tar is went.

CHARLESTON MARKET. Ang. 1 .- Cotton .- The sales to-day reached 125 bales, at 84 a 91.

FOREIGN MARKETS.

Naval Stores and Produce - The Brokers' elec lar says: There is nothing doing in Tar. Spirits of Turpentine is steady and unchanged. Sales at 31s 6d a 32s. Linseed Oil is steady and prices

9 25 for mixed brands, 9 50 a 10,50 for choice ex-tra and fancy lots. Rye Flour and Corn Meal are less active—the former is field at \$6,75, and the latter at 4.25 per bbl.

Grain—Wheat is now in limited supply, with a moderate inquiry. Sales of 4000 bushels of Sou-thern and Penusylvania red at 1.83 a \$1.85; and

thern and Pennsylvania red at 1.85 a 2189; and white at 1,90 a \$2, mostly affort. Sales of 300 bushels of Rye at 1.25. Very little Corn offering; sales of 3500 bushels yellow at 97 a 98c per bush.

A. B. McCALEB. NOW ON HAND. by, for table use.
