DELECTION DELECTION SHIT THE THE CHOLERA. A Certain Cure for this disease, may be found In the use of Perry Davis' Vegetable PAIN KILLER. 60 1m

Dusuque, Iowa. May 5, 1855. Gentlemen: I feel under obligations to you for the benefit I have received from your invalu-able Pain Killer. able Puin Killer.

We have had some cholera here on the Mississippi thus early in the season. A few days since I assisted in laying out and burying one of our citizens who was supposed to have died with the disease. The next morning I was taken with se-vere vomiting, accompanied with coldness of the extremities. Warm covering and hot applica-tions failed to restore warmith. My wife's family who has used the Pain Killer with success during the chlera sesson in Bufficies [549 advised me

the cholera season in Buffalo in 1849, advised me to take it. I took two doses at intervals of filteen minutes; a fine perspiration ensued, and the next day, barring a little weakness, 1 was well, and have been since. It may have been an attack of

ague; but whether ague or cholera, it answered Since my reco Since my recovery I find that several of our cit-izens have used the Pain Killer, as a remedy for cholera, and pronounced it good. I therefore take pleasure in recommending it to a still more exten-sive notice. Yours truly, W. M. CROIZER, Attorney at Law.

Perry Davis & Son, Providence, R. I.

PERRY DAVIS-Sir:-Although personally stranger to you, yet the benefits I have received from the use of your invaluable remedy, the Pain Killer, induces me to pen a word of praise for it, and gratitude to you its inventor. I have trued a score of patent medicines of various kinds, and consider the Pain Killer the very best of its kind in use. It is not a Panacea for all the ills flesh is heir to, but is certainly a grand spec'fic for many diseases. Two years' experience has convinced me that for headache, indigestion, pain in the stomach, or any other part of the system, severe chills, weariness, common colds, hoarseness, Cholera, Cholera Morbus, Diarrhœa, Dysentery, Tooth Ache, &c, &c., there is nothing better than the Pain Killer. I have this hour recovered from a severe attack of the sick headache, by using two aspoonsful, taken at thicy minutes interval, in a wine glass full of warm water. I am confident that through the blessing of God it saved me from the Cholera during the Summer of 1849. Travelling in Connecticut and Mussachusetts, amid heat,

in several minutes. Gratitude, and a desire for its general use, has drawn from me this unsolicited testimonial in its favor. The Pain Killer is a blessing to mankind, and needs but to be known to be admired. May you be richly rewarded as its distinguished inven-
