Commercial. Iti-weekly

VOLUME X---NUMBER 98.

WILMINGTON, N. C., THURSDAY MORNING, NOVEMBER 1, 1855.

WHOLE NUMBER 1198

MADNESS OF GEORGE THE THIRD.

of them: "It was agreed that if any nify Thy glorious name, evermore, feature of the king's malady appeared praising Thee and saying, Holy, Holy, his majesty appeared to be addressing Nettie. himself to two of the persons whom he tnost favored in his early life, long ance glowing with excitement, "when I dead, Sir Henry observed: "Your majes- go to Heaven, I will ask God to send ty has, I believe, forgotten that ____ and | you a pair of wings, so that you may | faced." was the reply, "died to you and the us!" world in general, but not to me. You, Sir Henry, are forgetting that I have the power of holding intercourse with to Heaven in His own good time. those whom you call dead. Yes, Sir Baillie," pursued he, with resumed grav- and not a year before the time at which ity, "I don't know. He is an anato- our story commences had lost her husband, mist; he dissects his patients; and then a man of God, loved and respected by all. it would not be a resuscitation merely, but a reaction, and that I think, is beyond my power."

The following memoranda of his condition from 1813 till his death are given by anonymous writer, but are well authenticated, I believe, and comprise all that I have been able to find respecting but she was devotedly attached to boththis period : "At intervals he still took tion was good, though mixed up with a number of erroneous ideas; his memory was tenacious, but his judgement unsettled; and the loss of royal authority seemed constantly to prey upon his mind. His malady seemed rather to increase than abate up to the year 1814, when, at the time the allied sovereigns arrived in England, he evinced indications of returning reason, and was made which had recently occurred

The queen, one day, found the afflicted monarch engaged in singing a hymn, and accompanying himsels on the harpsichord. After he concluded the hymn, he knelt down, prayed for his family bell toll, he asked who was dead .- what has most astonished us is, that we "Please your majesty," said an attend- should have been met just here upon the ant, "Mrs. S." "Mrs. !" rejoined the very threshold, and the issue made upon king; "she was a linen draper, at the this question between Americans themselves. corner of street, and brough up her That foreigners, or at least the great mass family in the fear of God. She has of them, should have been found arrayed gone to heaven; I hope that I shall soon follow her." He now became deaf, imbibed the idea that he was dead, and said, "I must have a suit of black, in memory of George III., for whom there which the American party at first appreis general mourning."

In 1817 he appeared to have a faint been foreseen that the principal opposition glimmering of reason again; his sense was to come from Americans themselves, of hearing returned more acute than and the fiercest of position, the most unreever, and he could distinguish persons lenting hatred, the lowest abuse, the most by their footsteps. He likewise recol- unblushing falsehood, the vilest calumny, lected that he mad a memorandum and the basest treachery, were to be en many years before, and it was found countered among men who share with us exactly where he indicated. After 1818, he occupied a long suit of room, in which were placed several, pianos and harpsiwere placed several pianos and harpsi- eigners in the effort to cast odium upon their chords; at these he would frequently country. They have not hesitated to use stop during his walk, play a few notes every means to subserve this purpose-the from Handel, and then stroll on. He seemed cheerful, and would sometimes vaded; they have torn open with a ruthless talk aloud, as if addressing some noble- hand, the bleeding heart of the country, unman; but his discourse bore reference furled upon its sacred soil the flags of forto only past events, for he had no know- eign potentates, and attempted, by every ledge of recent circumstances, either po- means within their power, to extinguish litical or domestic. Toward the end that spirit of nationality which pervades of 1819 his appetite began to fail. In the universe, and which owes its existence January, 1820, it was found impossible to the highest, purest and best impulses of human-nature. All this and more have to keep him warm; his remaining teeth they done. There can be no crime committed, no outrage perpetrated, no law vioto a skeleton. On the 17th he was con- lated, no portion of the social compact brofined wholly to his bed, and on the 29th ken; in short, there is nothing that is mean, of January, 1820, he died, aged 82 base, despicable and monstrous, of which years."

American Journal of Insanity.

LULU AND NETTIE. "Mama," said Nettie, "what makes them. If the American party be what the sister sleep so long? Wont she be cold anti-American party say it is, what position in the parlor without any covering ?- should our country occupy in the eyes of I went in just now to see if she had the civilized world? waked up, and when I put my hand on her's, it was so cold! Mama, please let me put something over her ?"

"My darling," said Mrs. Lee, taking petite, ravenous. It gets into the pulpit her little daughter on her lap, "your sis-ter Lula is a lovely angel in Heaven, it gets into the kitchen and scolds the cook. and cannot be cold or sick again, for she it is long visaged; sour, faced, and melanis in Jesus' arms, who loves the little choly. It feels as if the world was made on lambs, and takes them up to him bepurpose to be found fault with. It sheds
fore they are corrupted by sin."

"Mama, I wish I could go to Heaven too, and then Jesus would take me in best of husbands-" It has the headache, the don't know what it has. his arms and I should not be sick any hungry by and bye, goes into an eating

more. Mama, I love Jesus." She fixed her eyes on her mother in house and eats hot pudding. Consequensuch a loving manner, that Mrs, Lee ces-children cry, wife cries, and the cat to the room, so silent and gloomy, where Lula lay pale and beautiful, in her pure white robe.—She did not look as if she were dead, but only sleeping. A sweet smile played still on her wept when she thought of her other gets trodden on. Consequences continued smile played still on her countenance. better. Nettie gazed in silent awe and grief on her much-loved sister; she did not ful-torturing, desolating, deceiving, racking, torturing, desolating, deceiving, racking, ly comprehend what Death—the grim monster, at whose approach strong men quail and tremble—could be. Mrs. Lee repeated to her the story of her Savior's love and death; and told her that Lula torturing, desolating, deceiving, racking, burning, miserable, venomous thing—men curse thee. Though comparatively free from thy power, yet for the sake of man-kind, would that we could crush thee, thou tormenting little fiend. Half the misery that hypnanity and tree is brought about by now had wings, and a beautiful golden that humanity endures is brought about by

where the way is with a court

经过一种

harp, and sang with the other angels thee. Half the doleful books that are writ-Little is known respecting the nature the praise of God. That passage from ten, and the miserable sermons preached, of the delusions which possessed the the Communion Service, "Therefore, king's mind, but the following passage with angels and archangels, and all the from Lord Eldon's papers indicates one company of Heaven, we laud and magduring the presence of the council Sir Holy Lord God of hosts,-Heaven and Haltord should on receiving a signal from me endeavor to recall him from Thee, O Lord, Most High!" came a- fare are pick axes and shovels.—Olive his aberrations; and, accordingly, when cross her mind, and she repeated it to Branch.

"Mama," said the child, her counten--both died many years ago." "True," come too. Lulu will be so glad to see

Mrs. Lee told her she must be good and love Jesus, and He would take her

Lulu and Nettie were twins. Lulu Henry Halford," continued he, assuming | had always been more fragile and delia lighte manner, "it is vain, so far as I cate than Nettie, though both were fair am concerned, that you kill your pa- and seemed more fit for Heaven than tients, Yes, Dr. Baillie-but, Baillie, earth. Mrs. Lee had only two children, He was a physician-rich, not in this world's goods, but in good works; the poor and needy always found a friend in him; and Mrs. Lee found herself bereft of one of her darling children. She had loved both almost to idolatry, but Lulu being more gentle and delicate than her sister, she sometimes fancied she loved her most . . She led Nettie to her chama lively interest in politics. His percep- ber, and after hearing her simple prayer, put her to bed.

Sleep on Little Nettie! May thy future life be pure and happy as now!

ANTI-AMERICAN SPIRIT. Under the foregoing caption the Galveston Confederate, of the 28th ult., contains some very just and forcible observations,

which we append. The editor speaks boldly and truly. Among the many singular circumstances acquainted with the astonishing events developed by the present condition of parties in the Union, none has ever occasioned more astonishment and sincere regret than the vindictive hatred and diabolical passions which have been excited by the simple affirmation of the American party, that our citizens, in all the relations which citizens A FULL assortment of plain and fancy colored sustain to their government, are more relia Dusters, just received, to which the attention of the and the nation, and earnestly supplicable, more intelligent, more patriotic and Ladies is respectfully invited. Call at L. N. BARLOW'S. ted for the complete restoration of his more national than the mass of foreigners mental powers. He then burst into who land upon our shores, and whose countears, and his reason suddenly left him. try, home, friends, prejudices, education and But he afterwards had, occasionally, In- sympathies have been, and still are, with cid moments.
