OF THE RAIL ROAD TIMES. AN INDEPENDENT JOURNAL. Devoted to News, Internal Improvement, Education, Agriculture, Manufacture & Com-

WE know that the interests of the People of our State demand such a paper, and believing that one free from political strifes and quarrels of the day, devoted to such topics, will be the kind they desire, we confidently enter upon this enter-prise with the assurance of meriting and meeting their approbation and support. Our object is to anake the Times the mirror of the State, in which all can see their true interests held up and encour-

INTERNAL IMPROVEMENTS .- To this subject we expect to devote as much space as a full statement of the various operations will require

statement of the various operations will require; for as our works of improvement advance, so do all the other interests of the State.

EDUCATION.—It is a source of regret to all interested in the Educational interests of our State, (and who is not?) that our papers are so much devoted to party politics, &c., that this great cause has been too much neglected; we propose, therefore, to devote to this subject, a portion of our space. We will fester and carefully note the advancement of Education, not only in our higher Schools, but also in our Common Schools. AGRICULTURE, MANUFACTURE AND COMMERCE, at this stage of our history, are commanding the attention of all our good State and money-loving citizens. Therefore, the Markers will be reported with care, and all items, calculated the stage of th fated to throw light on either of those inseparable pranches of industry, will be carefully gleaned and

nserted every week, It is unnecessary to say more if we had time, but the "whistle of the locomotive" on the East and the cheering news from the West admonish us to close. Permit us, however, to assure you that the first number of the Times will make its appearance about the time the cars reach this place

from the East.

The Annals of Southern Methodism, for 1855, will be a 12 mo, volume of not less than 360 pages well printed, from stereotype plates, upon good paper. It will contain all available statistics in every department of the operations of the METHODIST EPISCOPAL CHURCH, SOUTH. The design embraces the Plan of Episcopal visitation; accounts of the sessions of all the Conferences held in 1955, the appointments, numbers, &c; a summary of all reported revivals, notices of the dedication of new Churches; reports of College Commencements, with all else connected with ou educational movements; a resume of our Missionary operations, embracing whatever seems of general interest in that department; the movements of the Tract and Sunday School Societies; whatever appertains to our publishing interests, with an-nouncements of all New Books published by our Concern, or written by Southern Methodists; what the Church is doing for the instruction of Slaves Historical and Biographical Essays; interesting personal reminiscences; and a miscellany of important facts and incidents.

A letter from Rev. Charles Hibbard, Mis sionary in Burmah, to his father, Joseph Robin-son, Esq., of this City, has been handed to us for publication, from which we make the following extracts,- Providence Journal.

NEWTON, Maulmain, June 6, 1855. "Dear Father-Will you kindly say to Mr. Davis that Mrs. Hibbard and myself, and indeed I might add, all who came out with us, feel very grateful for the box of Pain Killer which he gave us when we left our native land for burmah. I have used it for Coughs, Colds, violent Internal Pains, Summer Complaints, Burns, Bruises and for the Sting of Scorpions- and with uniform success The only severe spasm of the stomach which Mrs. Hibbard has had in Burmah, was instantly relieved by the Pain Killer. We always keep it where we can put our hands on it in the dark if need be.

Although I took Mr. Nisbet's box in addition to my own when he returned to America, still it is all gone but three or four bottles, and that would have been gone long ago, had I not refused to part

The Karens, also, are beginning to learn its val-ue, and call for it, but I have to deny them, except in doses, for we could not think of being without it. With the Pain Killer, I feel myself well armed against disease- that is in all ordinary cases .-It is indispensable, and I seldom meddle with any ther medicine

Rev. CHARLES HIBBARD.

MR. PERRY DAVIS-I feel it to be my duty to bear my testimony to the efficacy of your infalli-ble Pain Killer. I have used it for years, for complaints of the Stomach and Bowels, having for-merly been subject to severe attacks of Diarrhoa and Cholera Morbus-but for the last two years I have not had occasion to use it or any other medicine for that complaint, it having perfectly restor ed my digestive organs.

I had a very severe attack, a few days ago, of the ague, and such a pain in my back, for three days and nights, that I could get no rest. I demanded of my physician, after several things had been tried, to give me something to relieve my back and head of pain. He said I must bathe, and wait till the Ague wore off, and the pain would wear away. I had too much pain to feel easy, and sent and got a 25 cent bottle of the "Vegetable Pain Killer." I took a little inwardly, and bathed according to directions, and one application has removed all the pain and I am able to write to-day, though with a tren.bling hand. The application was made last night about nine o'clock, and I had a sweet night's rest. I have recommended it for several years-This Company has received a charter giving ad- and it has given universal satisfaction where it has been used according to directions,

Thousands of Living Witnesses Certify to their Neighbors from day to day, the Wonderful Effects of DAVIS PAIN KILLER.

SANDUSKY CITY, Ohio, Noy. 24, 1848. Mr. J. N. Harris-Dear Sir :- Your favor of the 28th ultimo is at hand, and in reply will say-We began selling Perty Davis' Pain Killer, and with very little effort on our part; sales were small at first, but as it became known in our community the demand increased rapidly, far beyond our expectations, and every person that bought it would come after more, and speak of it in the highest terms as a valuable remedy for all those diseases your pamphlet spoke of. From those recommendations we were induced to use it in our own families, and the good effects of the medicine were im-mediately apparent. We have sold more of the Pain Killer than we ever have since or before of any other medicine in the same length of time and we do not hesitate to say that it has given better satisfaction to the purchaser than any other ar-ticle we have ever sold.

Keep a large supply in the West, it is just such a medicine as the people want, and they have already found out that they can cure the fever and ague for twenty-five cents. It will cure a cold in one hour—a severe cough in one night—and has proved to be the best medicine in use for a diseased stomach and many other purposes. Yours, 4-c.,

LOCK WOOD & GRAHAM.

DAVIS' VEGETABLE PAIN KILLER. This unparallaled preparation is receiving more testimonials of its wonderful efficacy in removing pain, than any other medicine ever offered to the rom the ignorant, but from persons of every de gree of intelligence and every rank of life. Physicians of the first respectability, and perfectly conversant with the nature of diseases and reme-dies, have recommended this as one of the most effectual in their line of preparations for the ex-tinction of pain. The Pain Killer is used internally and externally, according to the nature of the complaint. It has been found to be an excellent remedy for sudden colds, coughs, &c.; fever and ague, as thma and phthysic, pain in the head, kidney complaints, bruises and sores, severe burns, canker, boils, and ringworms, weak stomach, and general debility, painter's colic, broken breast, &c., bowel complaint, and dysentery, cholera, liver complaint, and dyspepsia, teeth-ache, &c., &c.
The Pain Killer is sold by George R. French,
