MILHEIM, Centre Co., Pa., Oct. 9, 1850.

I not only take pleasure, but deem it a duty I owe to suffering humanity, to certify publicly to the great power of your Compound Syrup of Wild Cherry. I was taken with a violent cough, and bloody expectoration, great wasting amount. bloody expectoration, great wasting away of my fiesh, all the symptoms of fixed consumption. After trying various remedies without any relief, and hearing of the great virtues of your Syrup, I com-menced its use, and to my great satisfaction, and astonishment of all around me, my cough began to abate, appetite improve and in fact I have become as healthy and fleshy as ever. Some twelve GUEZ. (care of City Post Charleston, S. C.) unmonths have elapsed since the disease was first arrested, and I have every reason to believe that i is completely eradicated from my system. A letter from Rev. Charles Hibbard, Mis sionary in Burmah, to his father, Joseph Robin-son, Esq., of this City, has been handed to us for publication, from which we make the following extracts,- Providence Journal. Newton, Maulmain, June 6, 1855.

" Dear Father-Will you kindly say to Mr. Davis that Mrs. Hibbard and myself, and indeed I might add, all who came out with us, feel very grateful for the box of Pain Killer which he gave us when we left our native land for burmah. 1 have used it for Cougus, Colds, violent Internal Pains, Summer Complaints, Burns, Bruises and for the Sting of Scorpions - and with uniform suc-The only severe spasm of the stomach which Mrs. Hibbard has had in Burmah, was in-stantly relieved by the Pain Killer. We always keep it where we can put our hands on it in the dark if need be.

Although I took Mr. Nisbet's box in addition to my own when he returned to America, still it is all gone but three or four bottles, and that would have been gone long ago, had I not refused to part withly The Karens, also, are beginning to learn its vale, and call for it, but I have to deny them, except

MR. PERRY DAVIS-I feel it to be my duty to bear my testimony to the efficacy of your infalli-ble Pain Killer. I have used it for years, for com-plaints of the Stomach and Bowels, having formerly been subject to severe attacks of Diarrhea and Cholera Morbus—but for the last two years 1 have not had occasion to use it or any other medicine for that complaint, it having perfectly restor ed my digestive organs.

I had a very severe attack, a few days ago, of the ague, and such a pain in my back, for three days and nights, that I could get no rest. I demanded of my physician, after several things had been tried, to give me something to relieve my back and head of pain. He said I must bathe, at d wait till the Ague wore off, and the pain would wear away. I had too much pain to feel casy, and sent and got a 25 cent bottle of the "Vegetable Pain Killer." I took a little inwardly, and bathed according to directions, and one application has removed all the pain and I am able to write to-day, though with a tren bling hand. The application was made last night about nine o'clock, and I had a sweet night's I have recommended it for several yearsand it has given universal satisfaction where it has
