CONGRESS. MR. BROOK'S LETTER. SENATE, Monday, June 2, 1856. A letter was read from the President of the Senate, requesting Mr. Stuart to preside for the day, and Mr. S. took the chair.

A message was received from the President of the United States, transmitting, in compliance with a resolution of the 17th January last, a further answer respecting correspondence touching the construction ordered to be printed.

lowing letter from the Hon. P. S. Brooks, and dancing. In this room the vilest of the House of Representatives:

House of Representatives, May 29. SIR: I have seen in the public journals this morning the report of the committee of the Senate to whom was referred a resolution of the Senate directing an inquiry into an assault made by me on the 22nd instant on a Senator from Massachusetts.

report that what I had intended only as a separate apartment in the rear of the redress of a personal wrong had been con- gambling room; while the upper portion strued into or must necessarily be held as of the house was occupied by abana breach of privilege of the Senate.

Whilst making a full and explicit disclaimer of any such design or purpose, I the gamblers had possession of it; it is ask leave to say that, for the occasion, considering-myself only as a gentleman in society, and under no official restraint as a member of the House of Representatives, I did not avert to or consider there was any alternative-restraint imposed upon me by reason that the offence came from a member of the Senate.

I had read attentively and carefully the speech delivered in the Senate on the 19th and 20th inst. by the Senator from Massachusetts, and found therein language which I regarded as unjustly reflecting not only upon the history and character of relative. To such language I thought I had a right to take exception under the circumstances, the Senator from South Carolina, who was affected by these remarks. being absent from the Senate and the city.

I had reason to believe that the Senator ment, therefore, I had no alternative but to fear,

That the assault was made in the Senate chamber was caused only by the fact that, after a careful search elsewhere on the previous as well as on the same day, the offender could not be found outside the walls of the Senate chamber, and the Sen ate had adjourned for more than an hour

previous to the assault. should the facts, as reported by the committee of the Senate, be nevertheless necessarily considered as a conclusion of law, as may be, by this unhesitating and unqualified apology.

Asking that you will oblige me by communicating this to the Senate as its presiding officer, I have the honor to remain, sir with great respect, your obedient servant, Hon. J. D. BRIGHT, President of the

PROSPECTUS OF THE "SOUTHERN SENTINEL,"

A Democratic and Miscellaneous Journal, to be published weekly, at Wilson, N. C.

THE existing condition of political parties, and I of partizan strife, naturally suggests the estab-lishing of such a journal as the "Southern Sentiel' proposes to become. The present, indeed, is a crisis in our political history, never witnessed be ore. The Constitution has been invaded; the laws trampled and spat upon; religious liberty assailed; ballot boxes broken and burnt; the landmarks of our political ancestry partially effaced; the wis-dom derived from a time-honored experience unscated; strange and questionable men have been pushed into high positions; and fanaticism, unchained from its axe and its faggot piles in the North, is heard to how among us in the South. These evils, so far as it humble abilities shall serve,

THE SOUTHERN SENTINEL Will endeavor to arrest. It will endeavor to incul cate a reverence for the laws as they exist, and for the Constitution, as it has been interpreted by the wise men of the past and by the Fathers of the Democratic faith. It will defend not only political but BELIGIOUS liberty, and will do battle against ev ery political heresy that may appear, whether hatched in caves or culverts, or open convention. The Sentinel will also, to relieve the monotony f politics, devote space to literary topics, origina and selected, as well as to miscellaneous subjects, which shall include Agricultural and the latest Commercialintelligence. In brief, no efforts nor expenses will be spared to make the Sentinel one o he most useful and efficient journals in the South The first number of the Sentinel will be issued about the first of the next month, and sent to subscribers at the rate of \$2 per annum: \$2 50 at the end of six months, and \$3 at the end of the year. — Discount made In behalf of clubs, who shall take five, ten or more copies.

A CERTAIN DISPASE

A CERTAIN DISEASE. When the misguided and imprudent votary of pleasure finds he has imbibed the aceds of this painful disease, it too often happens that antil-tigned sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrisd disease make their appearance such as ulcerated sore throat, diseased nose, noctural pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful reface and extremities, progressing with frightful ra-pidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commis-serstion, till death puts a period to his dreadful suf-ferings, by sending him to "that bourne from whence no traveller returns." To such therefore, Dr. Johnston pledges himself to preserve the most inviolable secresy; and, from his extensive practice in the first Hospitals of Europe and America, he can confidently recommend a safe and speedy cure to the unfortunate victim of this horrid disease. It is a melancholy fact, that thousands fall victims to this dreadful complaint, owing to the unskiifulness of ignorant pretenders, who, by the new of that deadly poison, mercury, ruin the constitution, and either send the unfortunate sufferer to an

untimely grave, or else make the residue of life mis-TAKE PARTICULAR NOTICE. Dr. J. addresses all those who have injured themselves by private and improper indulgences.
