EDUCATION. - It is a source of regret to all interested in the Educational interests of our State, (and who is not?) that our papers are so much devoted to party politics, &c , that this great cause has been too much neglected; we protherefore, to devote to this subject, a portion of our space. We will foster and carefully note the advancement of Education, not only in our higher Schools, but also in our Common Schools. AGRICULTURE, MANUFACTURE AND COMMERCE, at this stage of our history, are commanding the attention of all our good State and money-loving citizens. Therefore, the Mark ets will be reported with care, and all items, calcu lated to throw light on either of those insep oranches of industry, will be carefully gleaned and

inserted every week. It is unnecessary to say more if we had time but the "whistle of the locomotive" on the East and the cheering news from the West admonish us to close. This property lies on both sides of Tar River in the counties of Nash and Edgecombe, one mile from Rocky Mount Depot on the W. and W. R. The power is made available by a solid dam of granite, laid in Hydraulic Cement. and completed within the last twelve months at an expense of near ten thousand dollars. It is robably the best dam in North Caro ina. The other improvements consist of 1st. H. P. RUSSELL,

L. A. HART

T. M. GARDNER, GEO. DAVIS. Whereas, The subscription heretofore made by the Commissioners of the Town to the stock of the Wilmington, Charlotte & Rutherford Rail Road Company, was made under certain conditions which are contained in the two first resolutions passed by the convention for organizing the said Com-pany, held at Wadesboro' on the 3rd and 4th of October, 1855; and whereas, the said conditions have not yet been complied with and it is not probable that the subscription of \$600,000 required in the said resolutions can be obtained: Therefore be it Resolved, That an election be held by the Sheriff of New Hanover County, on Wednesday the 13th day of August next, for the purpose of ascertaining the views of the citizens relative to making an unconditional subscription of \$200,000 to the Capital Stock of the Wilmington, Charlotte and Rutherford Rail Road Company. That the polls be opened at 9 o'-clock of that day and close at sunset. All citizens who are in favor of making an unconditional subscription to the above amo nt will deposit a ballot on which shall be written or printed the word "Sub-

scription," and those who are opposed to an unconditional subscription will deposit a ballot containing the words "No Subscription."

Resolved, That the said two first resolutions of the convention above alluded to be published herewith, in order that the citizens may fully understand what will be the effect of withdrawing the conditions contained in them

Resolved, That the Mayor be requested to publish for the information of the citizers, all the facts explanatory of the late action of the Commissioner n reference to the corporate subscription to the Wilmington, Charlotte and Ruther ford Rail Road. RICHARD MORRIS, Town Clerk.

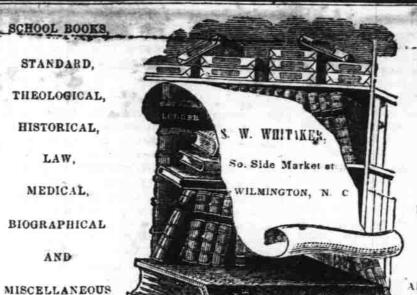

RESOLUTIONS Of the Convention of the Wilmington, Charlotte & Rutherford Rall Road Company referred to in

the above proceedings: lst. Whereas, The Commissioners of the Town of Wilmington have subscribed the sum of \$200,000 to the stock of the Wilmington, Charlotte and Ruth erford Rail Road Company, and whereas the said subscription was only authorized by the citizens of the said town and made by the said Commissioners upon the faith of its ensuring a reasonable prospect of the successful completion of the said Road, and whereas this company is desirous of offering a reasonable guaranty that the said subscription shall not be uselessly expended, and it appearing that there is no probability that the said kload can be completed unless the sum of at least six hundred thousand dollars shall be subscribed in addition to the said subscription by the said Commissioners; now therefore, be it Resolved, That no money, except to pay surveys and other incidental expenses, shall be expended for work upon the said Road east of Charlotte, until the said sum of \$600,000 exclusive of the said corporate subscription, and of such subscriptions as have already been made West of Charlotte, shall have been subscribed. And whencontract throughout the entire line.

2nd. Resolvet, That the Eastern terminus of the Road be located within the corporate limits of the Town of Wilmington, on the East side of the Cape Fear River.

he is dull, irresolute, and engages even in his sports with less energy than usual. If he emancipate himself before the practice has done its worst, and enter matrimony, his marriage is unfruitful, and his sense tells him that this is caused by his early follies. These are considera-tions which should awaken the attention of all who are similarly situated.
