"SOUTHERN SENTINEL," A Democratic and Miscellaneous Journal, to be published weekly, at Wilson, N. C. THE existing condition of political parties, and of partizan strife, naturally suggests the establishing of such a journal as the "Southern Sentinel" proposes to become. The present, indeed, is a crisis in our political history, never with essed before. The Constitution has been invaded; the laws trampled and spat upon; religiousliberty assailed; ballot boxes broken and burnt; the landmarks of our political ancestry partially effaced; the wisdom derived from a time-honored experience un-seated; strange and questionable men have been pushed into high positions; and fanaticism, unchai-ned from its axe and its faggot piles in the North, is heard to how among us in the South. These evils, so far as it humble abilities shall serve,

THE SOUTHERN SENTINEL Will endeavor to arrest. It will endeavor to incul-cate a reverence for the laws as they exist, and for the Constitution, as it has been interpreted by the wise men of the past and by the Fathers of the Democratic faith. It will defend not only political but against evilone in the past and will do buttle against evilone the past of the ery political heresy that may appear, whether hatched in caves or culverts, or open convention. The Sentinel will also, to relieve the monotony of politics devote space to literary topics, original and selected, as well as to miscellaneous subjects which shallinelude Agricultural and the latest Commercial intelligence. In brief, no efforts nor ex-penses will be spared to make the Sentinel one of he most useful and efficient journals in the south. The first number of the Sentinel will be issued scribers at the rate of \$2 per annum: \$2 50 at the end of six months, and \$3 at the end of the year.— Discount made In behalf of clubs, who shall take five, ten or more copies.
