HOLLOWAY'S OINTMENT.

THE GREAT COUNTER IRRITANT!

The virus of discase often makes its way ! the internal organs through the pures of the skip This penetrating Ointment, melting under the hand as it is rubbed in, is absorded through the same channels, and, reaching the seat of inflam mation, promptly and invariably subduest, which er located in the kidneys, the liver the lungs, or any other important organ. It penetrates the sur-face to the interior, through the countless tubes that communicate with the skin as summer rain passes into the fevered earth, diffusing its cool and SKIN DISEASES AND GLANDULAR SWELL-INGS.

Every species of exterior irritation is quickly re Every species of exterior irritation is quickly feduced by the anti-inflammatory action of this Ointment. Angry Envertons, such as SALT RHEUM, ENVETERS, TETTER, RINGWOODM, SCALD HEAD, NETTLE RABH, SCABLES (or ITCH) 4-C., die out, to return no more, under its application. Hospital experience in all parts of the world proves its infallibility in diseases of the skin, the muscles, the joints and the glands. ULCERS, SORES, AND TUMORS.

The effect of this unrivated external remedy upon Serofula and other virulent ulcers and sores, is almost miraculeus. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterward complete are safe as well as permanent. This marvelous remedy has been introduced by its inventor in person into all the leading Hospitals of Europe, and no private household should be without it. UNDENIABLE TESTIMONY.

The Medical Staff of the French and English Armies in the Crimea have officially signed their approval of Holloway's Ointment, as the most re liable dressing for sabre cuts, and gun-shot wounds. It is also used by the surgeons of the Allied Navies.

These striking and remarkable novels have long been standards in English Literature, and, it is believed, will not full to be appreciated by American readers. They were favorites of Lord Byron, who wrote; "Norhing of Scott's is finer than 'The German's Tale.' Ladmired it when a boy, and have continued to like what I did then." The Specialor said: "There is scarcely any educated person of this century who has not, at some time or other, drawn a sincere pleasure from these pages." The Edinburgh Post said : "Few readers of entertaining literature can be ignorant of these popular productions;" and also, "The pure morality which reigns through these tales—which we can scarcely dareto call fictions—will render them the most eligible reading for young persons. They ought to be in every family library."

we have received from newspapers in every section of the country, we quote the following extract "The Nation appears in clear large type on snow white paper, and is richly adorned with illustrations."—N. Y. Sin. "It will attain to a high position in the literary world."—Philidelphia Daily News. "It is one of the best weeklies now published, and we take pleasure in bringing it to the notice of the reading public."—Harrisburg, Pa. Herald. "The talent and energy of the proprietors, its original and interesting contents, and the beauty of the typography cannot fail to serure for it a general circulation." — Williamsburg, Pa. "As a literary and family journal, we have no hesitation in pronouncing it the best smong our exchanges. We advise the Ladies to procure it without delay."—Fulton, Pa. Republican. "We dislike putting city emanations, but in this case we are bound to give way to merit. Unlike many city cote apporaries, the Nation is composed of sound substantial and useful matter, and is not filled up with an overdose of flimsy, wishey washy stuff from the hands of crack-brained anthors. -"It has the most beautiful engraved head we

ever saw, and its contents are deeply entertaining, truly delicious and soul absording."—Williamsburg, Va. Gazelle.

There is room for just such a paper, and it has secured two as true heads and hearts to control its columns as the literary and social world holds.—
Wellsborough, Pa. Agitutor.
"It will soon become a leading paper at the fireside."—Boonville, Mo. Observer. "We seldom endorse northern papers, but in this instance we are forced to overcome our pre-judice, and command the "Nation" to our read-ers."—Troy, Aia. Bulletin.
