IN ALL CASES IN ADVANCE. In issuingsa Prospectus to ask subscriptions the COMMERC AL, the subscribers feel it a duty to define their position, so as to leave no doubt upor

the minds of their patrons as to the principles their paper will sustain.

In the mutations of past years the Senior Editor has had one paramount principle before him. SOUTHERN RIGHTS, under the Constitution, have been the aim and object of all his efforts these alone are maintained by the Plutform of the Democratic party Several years ago, we in-serted in our Prospectus the following words: THE COMMERCIAL is a model of political independence; nevertheles. The principles avowed in the Cincinnati Platform, will be sustained now and so long as we remain in public life.

We believe BUCHANAN and BRECKENRIDGE Will e the honest and faithful expenents of the principles to which we adhere, and oa which the safety and happiness of the South depend. Those who have heretofore read our paper, know that we have long desired to meet the present hour, when the South will demand her rights without stint or compromise, and see how many of the National Democrats of the Free States will sustain her just pretensions.
