> AFFLICTED READ!! PHILADELPHIA MEDICAL HOUSE, I Established twenty-two years ago by Dr. KINKELIN, corner of Third and Union streets, Philadelphia, Pa. TWENTY-TWO YEARS'

Experience has rendered Dr. K. a most sue cessful practitioner in the cure of all diseases of a private nature; manhood's debility, as an in pediment to marriage; nervous and sexual in-firmities, discases of the skin, and those arising from abuse of mercury.

TAKE PARTICULAR NOTICE.

There is an evil habit sometimes indulged in by boys, in solitude, often growing up with them to

manhood; and which, if not reformed in due time, not only begets serious obstacles to matrimonial happiness, but gives rise to a series of protracted, insidious, and devastating affections. Few of those who give way to this pernicious practice are aware of the consequences, until they find the nervous system shattered, feelstrange and unaccountable sensations, and vague fears in the mind. (See pages, 27, 28, 29, of Dr. K's book on "Seif Preservation.") The unfortunate thus affected becomes feeble, is

unable to labor with accustomed vigor, or twap-ply his mind to study: his step is tardy and weak; he is dull, irresolute, and engages even in his sports with less energy than usual.

If he emancipate himself before the practice has done its worst, and enter matrimony, his marriage is unfruitful, and his sense tells him that this is caused by his early fullies. These are considerations which should awaken the attention of all who are similarly situated.

REMEMBER. He who places himself under Dr. Kinkelin's treatment, may religiously confide in his honor as a gentleman, and rely upon the assurance, that the secrets of Dr. K,'s patients will never be dis-Young man-let no false modesty deter you from making your case known to one, who, from education and respectability, can certainly be-Dr. Kinkelin's residence has been for the last twenty years at the N.
