AFFLICTED READ!! DHILADELPHIA MEDICAL HOUSE.

Established twenty-two years ago by Dr. KINKELIN, corner of Third and Union streets. Philadelphia, Pa. TWENTY-TWO YEARS Experience has rendered Dr. K. a most sus-cessful practitioner in the cure of all diseases of a private nature; manhood's debil'ty, as an impediment to marriage; nervous and sexual in-firmities, diseases of the skin, and those arising

from abuse of mercury.

TAKE PARTICULAR NOTICE. There is an evil habit sometimes indulged in by oys, in solitude, often growing up with them to manhood: and which, if not reformed in due time not only begets serious obstacles to matrimoni al happiness, but gives rise to a series of pro tracted, insidious, and devastating affections. Few of those who give way to this pernicious

practice are aware of the consequences, until they find the nervons system shattered, feel strange and nnaccountable sensations, and vague fears in the mind. (See pages, 27, 28, 29, of Dr. K's book on "Self Preservation.") The unfortunate thus affected becomes feeble, it unable to labor with accustomed vigor, or to apply his mind to study: his step is tardy and weak; he is dull, irresolute, and engages even in his sports with less energy than usual.

If he emancipate himself before the practice has done its worst, and enter matrimony, his marriage is unfruitful, and his sense tells him that this is caused by his early follies. These are considerations which should awaken the attention of all who are similarly situated.
