#### MISCELLANY.

the tro ps that were first sent on! to gar- better o nditio , than if she had lived. rison the islan I found a melancholy desof turniture scarce and lad, the most civil engineer in the West. common utensils for cookery unattainable, and such wretelied hops, that you ed Madame Ruttpay has established a the want of ten-jots. Fancy any laini- men. ly in Great Britan without a tea-jot! Sad has been their lot in the loss of Probably such an anomaly does not ex- fortune, hone, country, and the cherist; but here there were three or four ished aspirations of a devoted patriorregiments-several I undreds of wretch | ism, one of these ladies has been heard ed Christians-without a tea-pot among to declare that she looks with resignathem. But we are wrong when we say tion upon what they have endured, since without a tea-pot-there was a tea-pot, it has brought to her boys the knowla silver one, a piece of family plate that edge of a practical and actual republithe owner had brought out with her to canism, in the enjoyment of which they be used on grand occasions. But what live here, and the spuri and science of a life it led! and what a life its mistress which they will carry to Europe with led! It was certainly a grand thing to them, should Hungary ever le able to he the possessor of the only tea-jot in call back her martyrs. the island-the position was imposing; but the glory, like many other glories, was ouerous in the extreme; and many a day poor Mrs. R. was induced to wish that she had hid her light under a bushel, rather than have exposed herself to be eternally jestered for the loan of the tea-pot. Beside, it could not satisfy all wants ; when Mrs. A. had it Mrs. B. meeting was called to order and organized wants; when Mrs. A. had it Mrs. B. meeting was called to order and organized as its potency, that like the virus just mentioned by appointing Jasper Etheridge, Esq. it requires what merely adheres to the point of quill dipped into a solution of it, to affect the en-Mrs C. sent for it, she was too often Chairman, and N. B Hancock, Secretary told that Mis. D.'s maid had just carried it away. Then of course, it only circu-

knew that the thing existed, but that was all-they never so much as got a Such was the condition of the com dom brought anything that was useful in: Therefore be it to the unfortunate exiles, there was not much to be hoped from it. However, as the smallest trifle would have been ac reptable, as the beggars say, Colonel G desired one of his serjeants to go down to the quay and inquire what they had on board. Picture to yourself, reader, what must have been the feeling of Seijeant L. on being informed by the cap- sident of the United States. tain that they were treighted with teaflew to spread the news. It's the most de ties a Governor. providentialist thing,' he observed, 'that woman in the garrison, high and low, tions and every bachelor that wanted to make a comfortable cup of tea for himself, the Charlotte Convention, that they will ed and auxious, pushing and driving. vention our cordial support. each straid of being last, lest the supply, being limited, should be exhausted be- appointed the following delegates, viz:fore all wants were satisfied. 'W high conscious importance, headed the proshow us thet ca-jots! 'Tea-pots!' ech | and Secretary were added. firmatively. Where are the tea-pots? On motion, the Wi mington Journal was requested to publish the proceedings, and hish.' "Tea-pots!' said the captain, with on motion, the meeting adjourne a smile and bow-and the crew repeated after him 'tea-pots!'

But by this time the extraordinary commotion had drawn to the shore, among their spectators of the scene, a certair Italian cook, who, happening to have a smattering both of English and Romaic, stepped forward to offer his services as interpreter. 'He says he's ing County. The beas' is the property of freighted with tea-pots,' said Serjeant wr. Ganung, (termerly of the firm of May-L; do make him produce them.' What be, Ganung & Co, well known circus ard have you brought ? said the cook to the menagerie proprieters) who quarters is captain. 'l'ea-pots l' replied the cap-tain. 'Ah !' said the cook, turning to son at the farm of the above named Mr. the anxions expectants, "Le say he bring | Watson | The monster was not missed untipotas—dat mean, in his language, no il daylight, Raising a numerous crowd ting.'

#### A HYENA LOOSE IN PAULDING COUNTY.

On Wednesd by morning last, between 3 and 4 o'clock, a striped hyena broke loose from his cage in the barn of Mr. Eli Watson, a few miles west of Paulding in t'auld-

Knowing the terrible instincts of the an-Phough now in a certain degree re- inal, the party proceeted to a grave yard fired from public notice, we are certain bour a mile distant and the e found him.

told a warm interest in the hearts of dies and mostly devoured them. He had susand among its We are glad also partly dug up other graves. To capherefore to know that after many sev- mre the monster alive in his then infuriated cre truls incident to their forced exile state was of course an impossibility Mr. Watson therefore fire da rifle at him but did and sudden change of circumstances, land, and language, they are now in great degree sheltered from the cruel ferbers, but his a German mimed Patterbers, but his a German mimed Patterbers, but his almost instantly A

en icated. A large force was immediately raised, and the annual was pursued, but at | Das. LEBRUN & DUFFON, OCULISTS AND pursuits have, we need hardly add, created great excitement in the vicinity of Paulding - Cleveland Plaindealer 6th.

#### ANTIPHLOGISTIC SALT

A PERFECT SUBSTITUTE
FOR THE LANCET, LEECHES AND BLISTERS
IF the equipment of the englishment of the english Onity, and not the Discoverer, must be the

ludge. Many Medicines offered for sale are accompanied by doubitul certificates, (their chief virtue,) and cinim to be universal remedies, curing all mandies—a burier que ou common sense. As the discoverer of this Salt solemnity protests ugainst having it placed in the entegory of frands and impositions, he has resolved that it shall go forth to he world like the pure gold dollar, with no other passport than its own true value. If the public limit amounts have will resolve to the protection of the public limit amounts have will resolve the protection of the public limit amounts have will resolve the protection of the public limit amounts have will resolve the public limit amounts of the public limit amounts have will resolve the public limit to t find it genuine they will receive it-if spurious, hey will reject and condenin it Instead a panacea for all ills, it has control over out one ill-has out one aim and accomplishes but one thing, to wit : SUBDUES INFLAMMATURY DISEASE-whatever eits form or locanty - whether in the head, throat

chest, abdomen, extremities, or skin. hen the discoverer, after a long series of laborious and costly experiments, became fully confirmed in his conviction that the intiphlogistic Sult, which he now has the happiness to present to the American public, was a
PERFECT SUBSTITUTE

For Blood-letting Leeches and Blisters, his mind was so agitated that he could not sleep for many The cause of his ogitation was the striaing fact that the manner of its operation, like mat of the virus in v ccination, could not be satisfacte rily exclained upon any known principle. How in what way, it so effectually subdues inflammatory diseases, and no othero, was at first wholly inexpit cable—but, on further experiment, it was proved that by its power over the veins, arienes and glands, it equalizes the fluids of the body, the wantot in equal through in which, is the sole cause of inflammation. It exerts, like the vaccine mut er.an extraordinary influence over the circulation-resulring in a gradual decline of inflammation as in icated by the poise, which soon resumes he not urat state, as the heat and pain disappear. Such tire system—but must be instantly used to preven decomposition and secure its full virtue. Three quills in acute, and two in thronic distase, every 24 hours, till the heat and fever have subsided and a perfect cure effected. When it takes the place of Leeches, Stimulating Ointments and Blisters in Local Inflormation, as Brain Fever, Croup Tooth-

ache Picurisy, &c., its mode of administration is two-fold (See directions for dissairing, etc.)

The peculiar excellence of this Sait is that without the useless less of blooms. ache Picurisy, &c., its mode of administration is two-fold (See directions for disserting, etc.)

The peculiar excellence of this Sait is that without the useless loss of blood and strength, it effectually cures Inflammatory Diseases (no others) by producing an equilibrium of all the fluids in the head and a consequent to the said and strength in the head and a consequent to the said and strength in the said and stren the body and a consequent uninterrupted circula-tion. The following different forms which the un balanced fluids assume, and many not here men-

1-Cases where the unbalanced fluid offices the Head and Throat-to wit: Brain Fever, Headache, Fits, Inflamed Eyes, Ears and Nose Canker, Neuraigia, Catarrh, Erysipelas, Bronchitis, &c.

2 —Cases where the anbalanced fluids affect the
Chest and Abdomen to wit: Pleurisy, asthma,
Inflamed Lungs and Liver, Colic, Heartburn
Coughs, Dyspepsia, Gravel, Genorrohæa, Venere,

3-Cases where the unbalanced fluids affect the Extremities and Skin-to wil: Sheumatism, Gout, Scrofula, Ulcers, Chicken and Smil Pox, Salt Rheum, and all Itching and other - utansous Erup-

This Sait greatly alleviates the Inflaminatory Pains reculiar to married ladies, (before and at the time of confinement,) and many Female Complaints; and is very efficacious in Fevers, Ague. Wounds. Nervous and Spinal Affections, and any other forms of (mark this) Inflammatory Disease, attended with heat or febrile symptoms.

Persons who have a retidency of blond to the Head and Heart, or lead inactive lives, or breathe the impure sir of connufactories and the poisonous fluids of the body, which one dose, without interfer ing with alet or business, once in the ce months. would invariably prevent. It is believed to afford protection from Infectious Diseases; and, there fore, it is recommended to Travellers, Sailors and

To protect the community from imposition counterfeits, the Proprietor will empioy No VG. NT. and has made such arrangements that ean send the M. dieine in any quantity, by Mail or Express, to any part of the United States or Foreign Countries Its prime cost to the Discovere is \$1.50 per drachin—price \$2 per drachin—and is put up in drachin packages for Acute Disease, with directions, &c. ) at \$2; 3 drachms do. for Chronic Cases. \$5; and 5 drachms do. for Families

## Boston, May. 1857. Discoverer and Proprietor. 25tw-YOUNG AMERICA TARGET PISTOL

Manufacturing Company, NEW HAVEN, CT. This Pistol is intended as the foretunner of the or

This Pistol is intended as the foretunner of the ordinary pistol, and is designed for young men and book who wish to enjoy the exciting sport of firing at a target, at the most trifling expense, and without any danger of accident. The changest ordinary pistol is here or four times the price of this he sides being dangerous in the hands of boys. This ist I is loaded with the compone Fire Crucket, which forms a complete cattridge, and will carry a half ten or fitte a paces with the same precision as the ordinary pistol, but not with afficient force to any setting damage. As America is a shooting only in the young Americans must and will learn nation, the Young Americans must and will learn nation, the boung Americans must and will learn the art by which our independence was secured—tence this Target Pi-tol is exactly in time, and must meet with unive sal sale among our youth o the South and West. Its operation is prefectly simple, and it is not it ble to get out of order. A full description will amount overly case of pissols—The pistols are put up at the factory in cases of 50 each ready to send by express to any part of the United States of tanada.

Retail price, 25 cents; by the case, \$7.50, or 15 cents each.

EAR AND EYE.

inform d, been reared in a cage and had have been pronounced by Drs. Khramer, of Berlin, and Deleau of Paris, and Cartis Pilcher of
London, as the most wonderful ever applied for discase of the internal and middle car. They dered. His escape, fearful work and his ompaise differ in courses for the rational discase of the internal and middle car. If the disease is confined to the external ear, their effects are apparent on the fith or sixth day. Dr. La Brun warrants acure in every case, when the ear is perfect in its formation. He has eighteen certificates from those who have been deaf from infancy, whose hearing is now completely restor-ed and they are now enclied to fourn the lan-guage! Over twenty-seven hundred cases of desiness have been success ully treated by him. Certificates to that effect may be seen on appli-

> In all cases of deafness arising from infla amation thickents g, or even perforation of the "membrana ty pani," usually called the drum; inflamation of the mucus membrane of the 'tympanum and custa-chian tube, with accumulation of mucus; nervous ease can be traced to the effects of scarlet typhus billious or intermitting lever, colds, the use of quinine and mercurial medicines, gathering in the eves of culldhood, &c., the sense can in nearly every instance, be restored. Where the want of secretion is apparent, the 'auditory ca nal" being dry and scaly; when the deafness is accompanied with noise in the ear, like rustling leaves, chirping of insects; falling of water ringing of bells, pulsations, discharging of matter, when in a stooping position, a sensation i felt as if a rush of blood to the need had taken place; when the hearing seems less acute in dull cl udy weather, or when cold has been taken, the couse yursued by Dr. Le Brun is considered

Dr. Dufton the only practitioner in the United States, who practices the new, painless, and successful method in treating all the diseases to which the e e is subject. Where every other means have failed to afford relief, he asks from such a fair and impartial trial, Patients, by sending a few particulers of their case, can have

emedies sent to any part. TR-TIM NY. - We the undersigned, practitioners medicine in the city of New York, having had occusion to witness the practice of Drs LeBrun & Dulton, in d seases of the ar and eye, laving aside all professional jealousy and prejudice, free ly admit that the course pursued by them in treat-ing diseases of these delicate organs, from the unparalled sentress which has attended it, is wel weithy the attention of our professional brethren throughout the United States. Their system o reating discoses of the middle and internal ear. by the use of "med cated vapors," particularly in chronic and complicated cases forms a new era in the practice of aural surgary, and fi laup a void which has long been felt by the generous pracutioner. In diseases of the eye, they selfinm require to resort to an operation. As skillful aurists and ocul'sts, and enthusiastically devoted to their profession, we cordially recommend them to such

Students wishing to perfect themselves in this branch of medical science, will find an opportuniby by joining the class, at the Ear and Kye In-firmaries of Dr. Delacy, Le. Brun, Union Place from 1 till 3 'clock during Medical College terms. Terms .- Five do lars. Consultation free .-Ten deltars to be paid when the hanring is te stored to its original acuteness. Address. Drs. 1. DELACY LEBRUN & DUFTON, Union

Place. New York City.

N B .- A tree 1-e upon the nature and treatmen of deafness and disease of the car, with the treatment of the deaf and dumb. Price \$1 I'm don'y letters must be registered by the simaster. Registered letters are only at our risk; please bear this in mind ## Correspondents must ENCLOSE POSTAGE for return answers, the new postage laws requiring prepayinent of letters.

THE OLD WELDON HOTEL. S NOW OPEN ON THE SOUTH EAST SIDE OF the Railroad as you get in on any Road. It

EXCHANGE HOTEL. And it is bound to do justice to passengers in get-ling their meats—the Proprietor pledging himself to satisfy all who may favor him with a call, or no

Passengers will find meals ready on the arrival of every train, with good Porters to attend to them and check their baggage to any point which they may desire to have it checked. The House is within twenty steps of the Ticket office, where passe gers can obtain their Tickets without any trouble, and be in good time after getting their dianer or supper, as there is consid-

erable baggage to change.
Passengers will please bear in mind that there is a house in front of mine, rented by the other house to keep off opposition, which is called the New Weldon Hotel, but gentlemen and ladies will pleasel recollect that his house has been built on ly some four, five or six years to my knowledge. and has been occupied by three diff-rent person-during that time, and has a new Proprietor at pres while many nostrum makers victimize the control of the makers victimize the control since, but it is now increasing fast in popular favor, is passengers find that the mails recent Inflammatory Disease are overcome by one Acute Package, and the most obstinate and long standing by one Thronic Package. Although 30 standing by one became partially known to the citizens of moston and a few neighboring towns, yet such have been the results of its trial that during the past week, nearly 400 packages were sold in this city and ornearly 400 packages were sold in th the walters are more polite and attentive to the wants of those who favor it with their presence Please beer in mind that my honse is the newloopened EXCHA' GR HOTE) on the hill, twen ty steps from the Ticket Office.

## When a CURE is guaranteed

IN ALL STACES OF SECRET DISEASES, Self-Ab ise, Nironus Dibility, Sirictures, Gleet Gravel, Di beles, Diseases of the Kidneys an

Bladder, Mercurial Rhenmalism, S. rofuia Pains in the Bones and Ankles, Diseases of th Lungs, Throat, Nose and Eyes, Ulcers upon the Body or Limbs, Cancers, Dropsy, Epiliptic Fits, St. Vitas's Dance, and all Diseases arisiing from a derangement of the Sexual Organs. Such ar Nervous Trembling, Loss of Memoryd .086 of Power. General Weakness, Dimness of vision, with per ultar spots appearing before the cyes, Loss of Sight, Wakeldiness, Dyspensia. Liver Disease, Eruptisns upon the face, l'ain in the back and head, Female irregularities and all improper discharges from both sexes. It matters not from what cause the disease originated, how ever long standing or obstinute the case recovery gent cure can be effected by any other treatment nent physician and resisted all their means of care. The middines are pleasant without odor, ausing no sickness, and free from mercury or oalsam. During twenty years of practice. I have rescued from the jaws of Death, many thousands, who, in the last stages of the above mentioned disease had been given up to die by their physicians, which warrants me in promising to the afficted, who may place themselves under my care a perfect and most speedy cure. Secret diseases are the greatest enemies to health, as they are

fine hands of inico opetent persons, who not noty all to cure the discases but ruin the constitution fiting the system with mercury, which with the discase, hastens the sufferer into rapid consump-But should the disease and the treatment not cause death speedily and the victim marries, the disease is entailed upon the children, who are nife corrupted by a virus which betrays itself in Scrofula, Tetter, Ulcers, Eruptions and other affections of the skin, Eyes, Throat and Lungs, en-

the first cause of consumption, Scrotula and many other diserses, and should be a terror to the

numan family, as a permanent cure is scarcely

ever effected, a majority of the cases falling into,

tailing upon them a brief existence of suffering and consigning them to an early grave. SELF ABUNK is another formidable enemy to health, for nothing else in the dread catalogue of nun an discuses causes so destructive a drain up on the system drawing its thousands of victims through a few years of suffering down to an untimely grave. It destroys the Nervous System. rapidly wastes away the energies of life, mental derangement, prevents the proper development of the system, disqualities for marriage, society, business, and all eartnly happiness, and leaves the sufferer wrecked in body and wind, predisposed to consumption and a train of evils more to be dreaded than death itself. With the full st confidence I assure the unfortunate victims of Self-Abuse that a permanent and speedy cure, can be effected, and with the abandonment fruinous practices, my patients can be restored robust, vigorous health.
The afflicted are cautioned against the use of

Patent Medicines, for there are so many incenious snares in the columns of the public prints to careh and rob the unwary sufferers, that millions have their constitutions rained by the vie compounds of quack doctors of the equally pois nous nos-trums vended as "Patent Medicines." I have carefully analyzed many of the so-called Patent Medicines and find that nearly all of them contain Corrosive Sublimate, which is one of the strongest preparations of mercury, and a deadly poison which instead of curing the disease, disables the

Three fourths of the patent nostrums now in e are put up by unprincipled and ignorat cersons who do not understand even the alphabet of the materia medica, and are equally as destitute of inv ki owledge of the human system, having one object only in view, and that to make money re-

gardless of consequences Irregularities and all diseases of males and females treated on principles established by twenty ears of practice, and sanctioned by thousands of he most remarkable cures. #### BALTIMORE LOCK HOSPITAL. DR, JOHNSTON

THE founder of this Celebrated Institution of-fers the most certa. b, Speedy and only effectu-al semedy in the word for

SEDRET DISEASES. Gleets Strictures, Seminal Weekness. Pains in the Leins, Constitutional Debility, Importancy, Weakness of the Back and Kimbs, Affections of the Kidneys, Palpitation of the Heart, Dystersia Nervous Irritability, Disease of the Head, Throu Nose of Skin; those scrious and melanchory disor dersarising from the destructive habits of Youth which destroy both tody and mind. Those secre and solitary practices more fatal to their vierim than the song of the Syreus to the mariners o Ulysses, blighting their most brilliant hopes or an ticipations, rendering marriage. Ac., impossible YOUNG MEN.

Especially, who I ave become the victims of Solilary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eluquence, or waked to eestacy the living lyre, may call with full

MARRIAGE.

Married persons, or Young Men, contemplating marriage, being aware of Physical Weakness, Organic Debility, Deformities, &c., should immediately consult Dr. J., and be restored to perfect He who places himself underthe care of Dr. Johnston may religiously confide in his honor as a ren-rieman, and confidently rely upon hisskill as a phy-

Dr. Johnston is the only regularly Educated Physician advertising to cure Private Complaints. His remedies and treatment are entirely unknown to all others. Prepared from a life spent in the Great Hospitals of Europe and the First in this Country, viz: England, France, the Blockley of Philadelphia, &c., and a more extensive practice than any other physician in the world. His many wonderful cures and most important Surgical ( perations is a sufficient guarantee to the ufficient. Those who wish to be specuity and effectually relieved should shun the numerous trifling imposters, who

only ruin their health, and apply to him.
A CURE WARRANTED OR NO CHARGE, No Mercury or Nauseons Drugs Used. OFFICE, No. 7, SOUTH FREDERICK St., left hand side going from Baltimore street, a few doors from the corner. Fail not to observe his name and number, for ignorant triffing importers,

attracted by the reputation of Dr. Johnston, furk DR. JOHNSTON. Member of the Royal College of Surgeons London Member of the toyal Conege of Surgeons London graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadiphia, and elsewhere, has effected sone of the most astonishing cures that were ever known, Wang you held with ringing in the target had Many troubled with ringing in the ears and head

when asleep, great nervousness, being alarmed at sudden sounds, and bashfurness, with frequent blushing, attended sometimes with derangement of mind, were cuted immediately. A CERTAIN DISEASE. When the misguided and imprudent votary pleasure finds he has imbibed the seeds of this painful disease, it too often happens that anili-limed sense of shame, or dread of discovery, deters him from applying to those who, from education CLOTH, PLUSH, AND SILK GLAZED CARE, prices, and respectability, can alone befriend him, delaycas or dozen. At New York Wholesale Prices, and respectability, can alone befriend him, delaymarch 12. disease make their appearance such as ulcerated sore throat diseased nose, noctural pains in the on the shin bones and arms, blotches on the beud, face and extremities progressing with frightful rapidity, till at last the palute of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commisscration, till death puts a period to his dreadled suf-ferings, by sending him to "that bourne from whence no traveller returns." To such therefore whence no traveller returns." To such therefore Dr. Johnston pledges himself to preserve the most inviolable secrety; and, from his extensive practice in the first Hospitals of Europe and America, he can confidently recommend a safe and speedy cure to the unfortunate victim on this horrid di ense. It is a melancholy fact, that thousands fall victims to this dreadful complaint, owing to the unskilfulness of ignorant pretenders, who, by the use

of that deadly poison, mercury, ruin the constituuntimely grave or else make the residue of life mie TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured them-Dr. J. aldresses all those who have injured themselves by private and improper indulgences.
These are some of the sad and melanctoly effects, produced by early habits of youth, viziWeakness of the Back and Limbs, Pains in the
Head. Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsy. Nervous
irritability Derangement of the Digestive Functions, General Debility, Symptoms of Concumption, &c.

Mentally -The fearful effects on the mind are much to be dreaded; Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion of Society, Self Distrust, Love of Soll tude. Timidity, &c .. are some of the cvils produced. Thousands of persons of allages, can now judge what is the cause of their declining health. I os-ing their vigor, becoming weak, pale and emacia-ted, have a singular appearance about the eyes, cough and symptoms of consumption

cough and symptoms of consumption.

DR. JOHNSTON'S INVIGORATING REME.

DY FOR ORGANIC WEAKNESS.

By this great and important remedy weakness of the organs are speedily cured and full viger restore. Thousands of the most Nervous and Debilitated individuals who had lost all hope, have been immediately relieved. All impediments to MARRIAGE Physical or Mental Disqualifications. Nervous Iritability Tremblings and Weakness or exhaustion. itability Tremblings and Weakness, or exhaustion of the most fearful kind, speedily cured by Dr. Johnston.

Young men who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil con panions, or at school, the effects of which are nightly felt, even when asleep, and if not cuted, renders marriage impossible, and destroys both mind and body, should what a pity that a young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in a certain secret habit.—

Such persons, before contemplating MARRIAGE. Should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a wears pilgrimage; the pros pect hourly darkens to the view; the mind becoves shadowed with despair and filled with the mela reholy reflection that the happiness of another be
