We appeal every reader of THE ROANOKE BEACON, to aid in making it an acceptable and profitable medium of news to our citizens. Let Plymouth people and the public know what is going on in Plymouth. Report to us all items of news—the arrival and departure of friends, social events, deaths, serious illnesses, accidents, new buildings, new enterprises and improvements of whatever character, chance in business—indeed anything and everything that would be of interest to our people.

FRIDAY, JULY 12, 1895.

JUNE the 30th witnessed another cut in the expenses of the Government. On that date about 65 clerks, etc., were dismissed from the Pension Bureau.

THE Shemwell-Payne trial at Lexington this week is creating great interest throughout the State. Shemwell's counsel will set up self defence, if possible. Both Dr. Payne, the deceased, who was shot dead on the street, and Shemwell, his slayer, were prominent people, and able counsel has been secured in the now exciting trial.

THE News & Observer says: Mr. Edward Atkinson shows in an article in Harper's Weekly that the deficit in the revenues of the government was caused by extravagant expenditures. Under Cleveland's first term the cost of government was \$458 a head. That is to say that there went out of North Carolina annually \$7,786,000 for the support of the Federal government, and since then the cost has been increased under the McKinley act and big appropriations. The big blunder made by the last Congress was in not redu-

cing the tariff more than it did and cutting down extravagant appropriations. No people can be prosperous with such an outgo of taxes.

English Sparin Liment removes all Hard, Soft or Calloused Lumps and Blemishes from horses Blood Spavins, Curbs Splints, Sweeney, Ring-Bone, Stiffles, Sprains, all Swollen Throats, Coughs etc. Save \$50 by use of one bottle. Warranted the most wonderful Blemish Cure ever known. Sold by J. W. Bryan, Druggist, Plymouth, N. C.

LIFE INSURANCE OF TO-DAY.

Perhaps no business has advanced more rapidly in the amount of the work accomplished, the wide and far-reaching benefits secured to all classes of people, and the firm hold it has gained and still maintains in the confidence of the best business minds of the country, than Life Insurance.

The good results derived from judicious investments in Life Insurance are apparent in almost every community throughout the land, and as its advantages are becoming better known the desire to embrace them is steadily increasing.

The great difference between the Assessment Insurance plan and what is known as the Regular, or Old Line Insurance, is also being appreciated more fully every day. In evidence of this, the companies representing the latter plan are now considered fully equal and in some instances superior to any banking institutions throughout the world.

First and foremost of the leading life insurance companies of to day stands easily the old and original, The Mutual Life of New York. Its aggregated capital is far in the millions, and this, coupled with its unexcelled business management, offers security to the insuring public that no other company can present.

The interests of the Mutual Life of New York, is in good hands in Eastern N. C., its business being represented by Dr. E. P. Murray, formerly a resident physician of Plymouth. Dr. Murray needs no introduction to our people, for by his gentlemanly behavior and professional life among us for several years he became a familiar acquaintance and friend of nearly all of our citizens. He is now devoting his entire time to this work for the company named, having as an assistant, furnished by the company, an experienced lady solicitor in the person of Mrs. C. T. Caldwell, of Charlotte, N. C.

Mrs. Caldwell is a lady of culture and refinement, her family connections both in North Carolina and Virginia representing the best intelligence and social position in each state. She is now in our county, the guest of Mr. William R. Chesson.

TURNING GRAY AND THREATENED WITH BALDNESS

The Danger is Averted by Using **AYER'S HAIR VIGOR**

"Nearly forty years ago, after some weeks of sickness, my hair turned gray and began falling out so rapidly that I was threatened with immediate baldness. Having used Ayer's Hair Vigor highly spoken of, I commenced using this prepara-

tion, and am so well satisfied with the result that I have never tried any other kind of dressing. It stopped the hair from falling out, stimulated the hair to grow again, and kept the scalp free from dandruff. Only an occasional application is now needed to keep my hair of good, natural color. I never hesitate to recommend any of Ayer's medicines to my friends."—Mrs. H. M. BARTON, Avoca, Neb.
