TUESDAY was a notable day for North Carolina—it was a day on which opened a campaign for the white man and white metal—on that day the Democratic party opened a campaign and entered a fight which must be a fight to the finish.

The ablest men have been selected to do the campaigning—men who have the ability and the courage to expose the disgraceful and dishonest gang that have heaped shame upon the State.

In this issue will be found an article entitled "A Vile Slander" from the able pen of Jno. A. Arthur, Jr., editor Washington Messenger.

The Southern people can stand to be misrepresented as an industrial people, as patriots, soldiers, and section, but when her fair daughters are assailed and their purity of character is questioned, the people should rise in their might and denounce the vile slanderers as liars, and those orders or papers which give those expressions publicity should be banished from our homes.

Read the article of Bro. Arthur and let the press and the people of the South say Amen.

As has been noted in this paper before, there are some objections to the building of the Record Vaults.

It seems to us that every county should take the best of care of its records, and to do this it is necessary to have vaults that will stand under all circumstances.

These are symptoms of anemia or poor blood. They are just as frequent in the summer as in the winter.

Scott's Emulsion of cod liver oil with hypophosphites will certainly help you.

It changes the light color of poor blood to a healthy and rich red. It nourishes the brain; gives power to the nerves.

It is the duty of this county to set its records, even at an additional cost.

A VILE SLANDER.

Until recently we have always had the highest respect and consideration for the American Tract Society, and this consideration has been shared largely by the Christian people of the South who have contributed of their means to its support.

"For the girls of our Southern cities there is at present only one industry—prostitution. They are too sluggish and dull-witted for factory work; they have not perseverance enough for plain household work or sewing.

We can all see at a glance this refers to the poor girls of the South, but it is a lie all the same, and the author, although he is a divine, knew it was a lie when he penned it.

We have often thanked God that our Southern women were just as they are, unassuming, modest, passing daily to their accustomed toil and becoming the mothers of a race of men from which the heroes of the war like Hobson, Bagley and Blue have come.

THE WAR SITUATION.

The Situation in Cuba.

About 15,000 U. S. Soldiers have been landed on Cuban soil. One or two fights have been fought, in which the Americans were more or less victorious, with small loss of life.

The Cuban Insurgents are aiding the Americans in many ways, but the extreme heat is a great disadvantage to our soldiers, and makes the fighting more difficult.

The invading army is near Santiago and a final charge was expected yesterday and the people are anxiously awaiting to hear the result.

The news that the Cadiz fleet under Admiral Camara, was moving Eastward, heading for the Philippines, is accepted as true, and the United States has fully decided to send a flying squadron to the coast of Spain and carry war into the Spanish homes.

Now is the season when the festive picnicker, in his white trousers, sitteth down upon the blackberry pie.

Economy is half the battle of life; it is not so hard to earn money as to spend it well.—Spurgeon.

A SURE THING FOR YOU.

A transaction in which you cannot lose is a sure thing. Biliousness, sick headache, furred tongue, fever, piles and a thousand other ills are caused by constipation and sluggish liver.

Some people talk incessantly all their lives and yet never say anything.

He—Do you believe in marrying for money? She—I don't know; but I believe in divorcing for matrimony.—Boston Transcript.

EVERYBODY SAYS SO.

Cascarets Candy Cathartic, the most wonderful medical discovery of the age, pleasant and refreshing to the taste, act gently and positively on kidneys, liver and bowels, cleansing the entire system.

The Spanish say they give no quarter in Cuba. We doubt if they are able to give a dime.

When a man gets beat at any game he always says he's out of practice.

TO CURE CONSTIPATION FOREVER. Take Cascarets Candy Cathartic. 10c. or 25c. If C. C. C. fail to cure, druggists refund money.

The mitten of a pretty Orange girl can knock out more men than the gloves of Fitzsimmons.

BEAUTY IS BLOOD DEEP.

Clean blood means a clean skin. No beauty without it. Cascarets Candy Cathartic clean your blood and keep it clean, by stirring up the lazy liver and driving all impurities from the body.

Many people wear the cloak of religion because it doesn't cost them anything.

"I have used Chamberlain's Cough Remedy in my family for years and always with good results," says Mr. W. B. Cooper of El Rio, Cal.
