WE note that at a mass-convention of old line Republicans held in the town of Hertford on the 26th of September, our former townsman, Joshua L. Wheedbee, Esq., was nominated as the Republican candidate for Congress in the First District.

This convention was largely attended and enthusiastic. It denonnced fusion Skinner as well as John H. Small. This looks like Mr. Skinner was on the low side in this fight, for he cannot expect the Populists who are in favor of the Ocala platform, to support him, and with Whidbee in the field, as a straight Republican, he can't expect much support from them, and surely that Free Silver champion, John H. Small, will get all the Democratic votes, together with the reform yotes from the other two parties. If Small is not elected, we have the consolation of believing that Skinner will not be. It looks to us like the fight is between Whidbee and Small, and the election of either means the defeat of the ring-fusionpie-hunting gang.

Persistent Coughs

A cough which seems to hang on in spite of all the remedies which you have applied certainly needs energetic and sensible treatment. For twenty-five years that standard preparation of cod-liver oil,

SCOTT'S EMULSION

has proved its effectiveness in curing the trying affections of the throat and lungs, and this is the reason why: the cod-liver oil, partially digested, strengthens and vitalizes the whole sys-

tem; the hypophosphites act as a tonic to the mind and nerves, and the glycerine soothes and heals the irritation. Can you think of any combination so effective as this?

He sure you get SCOTT'S Emulsion. See that the soc. and \$1.00, all druggiets.
