We have not the time this week to say what we would like to concerning the nominations made at the recent County Convention, but every man nominated was a good one. We will have more to say of this later.

The Democratic State Convention passed off in perfect harmony, the nominations made being selected with great care. Every man on the ticket, which will be found at the head of this column, is a true and tried Democrat, and it goes without saying, that at the coming election North Carolina will roll up a Democratic majority never before dreamed of in the State.

There seems to be some misunderstanding among some people as to what effect the constitutional

of his. All this class of people can register and vote under the provisions of this great constitutional amendment no matter whether they ever saw or heard tell of a single letter in any book. And to further protect and forever make sure the rights of these white people to vote, this amendment says that those who are descendants of white men, when once registered, shall never stop voting until the good Lord shall call them to that country where voting is not necessary and where demagogues are not found.

GLORIOUS NEWS

Copies from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved,—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. Test. W. H. STUBBS, Clerk.

DISCOVERED BY A WOMAN.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recover, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lintz." Thus writes W. C. Hamrick & Co., of Shelby, N. C. Trial bottles free at Plymouth Drug Store, Regular size 50c. and \$1.00. Every bottle guaranteed.

A gentleman in a neighboring town was good to go to meeting, but could never remember the text and his wife would make fun of him. So one Sunday the text was: "An angel came down from heaven, took a live coal and laid it on the altar." He kept this in his mind and went home. His wife said: "Well, forgot the text, I reckon?" He replied, "Oh, no, I'm too fast for you this time." She asked him to repeat it, and he said: "An Indian came down from New Haven, took a live colt by the tail and jerked him out of the halter."—Ex.

"YIELDING to the persuasion of my dealer, I changed chill tonic and tried ROBERTS' and found it the best I ever used, and shall in future continue its use." W. B. Corprew, Jamesville, N. C., to the Roberts Drug Co., Suffolk, Va., August 14, 1899. 25c. per bottle. Look for the red cross. W. C. Ayers

I was reading an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the Worcester Enterprise recently, which leads me to write this. I can truthfully say I never used any remedy equal to it for colic and diarrhoea. I have never had to use more than one or two doses to cure the worst case with myself or children—W. A. STURM, Popomoke City, Md. For sale by all druggists.

April showers may bring May flowers, but they spoil spring bonnets.

"A word to the wise is sufficient!" and a word from the wise should be sufficient, but you ask, who are the wise? Those who know. The oft-repeated experience of trustworthy persons may be taken for knowledge. Mr. W. M. Terry says Chamberlain's Cough Remedy gives better satisfaction than any other in the market. He has been in the drug business at Elkton, Ky., for twelve years; has sold hundreds of bottles of this remedy and nearly all other cough medicines manufactured, which shows conclusively that Chamberlain's is the most satisfactory to the people, and is the best. For sale by all druggists.

The cook usually strikes for higher wages when she needs the dough.

Even chiropodists may mount the pinnacle of fame, but they are forced to begin at the foot.

THE BEST PRESCRIPTION FOR CHILLS and Fever is a bottle of GROVE'S TASTELESS CHILL TONIC. It is simply iron and quinine in a tasteless form. No cure—no pay. Price, 50c. mar 1-1y

The average man somewhat resembles a lobster. He's not so green after he's been in hot water.

If troubled with rheumatism, give Chamberlain's Pain-Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third the time required by any other treatment. Cuts, burns, frostbites, quinsy, pains in the side and chest, glandular and other swellings are quickly cured by applying it. Every bottle warranted. Price, 25 and 50 cts.
