Suppose their leaders who are advising the negroes to leave North Carolina suggest that they go to New York to be with their Northern friends who have so much to say every time there is a little trouble between the races down here.

The fact that the policemen of that city have a sworn understanding to kill all the gang if any policeman is killed, is pretty good proof that their friends are all in the North.

It was a horrible butchery of innocent and inoffensive men, and had it occurred in the South, some Jewell woman would have gone to lecturing about barbarity in the South.

In this issue will be found a report of the State Farmers Alliance meeting held at Hillsboro last week, which will be of interest to the members of that order among our readers.

In a personal letter from Editor Poe, of The Progressive Farmer, he says that he thinks this paper, among others, was unfavorable to the Alliance a few years ago.

When the Alliance began to lose its identity by being absorbed by a political party that we considered was only conceived by disgruntled leaders to secure offices which neither of the old parties would trust them with, we were unfavorable, not to the Alliance, but to the party that was stealing its identity as an organization for which it was established.

We clip the following article, which is from the pen of our townsman, Hon. S. B. Spruill, from the Raleigh News and Observer:

What is the necessity of Senatorial primaries to decide who shall be Senator? The most ardent friends of those gentlemen whose names have been prominently mentioned for this position; if they will use but ordinary discernment will see at a glance that the solid mass of Democratic voters will support but one man, and that man is North Carolina's great statesman and patriot, the matchless organizer and leader of his party, F. M. Simmons.

It has been suggested that Carr, Waddell and Jarvis emulate the patriotism of Cuninghame, Justice and Davidson in the gubernatorial nomination race with Aycock. But whether they do or not the eternal gratitude of the rank and file of the Democratic party will compel them to cast their vote for Simmons.

STATE ALLIANCE'S STRONG STAND.

Better Schools, Compulsory Attendance and Reformatory.

LEGISLATURE URGED TO THESE REFORMS.

OFFICERS ELECTED—CHILD LABOR IN FACTORIES CONDEMNED—THE ORDER GROWING—EDITOR POE ON ALLIANCE, PRESENT AND FUTURE.

By request we publish the following article clipped from the Raleigh Times-Visitor of the 16th inst.:

Editor Poe of the Progressive Farmer, and J. W. Denmark today returned from Hillsboro, where they attended the fourteenth annual session of the North Carolina Farmers' Alliance.

Part of the machinery in the shoe factory at Hillsboro has been removed and it will not be operated again for some time at least. Financially the order showed a gain of \$2,000 over two years ago and \$1,800 over last year, as balanced after paying all expenses.

Resolved, That the Legislature of North Carolina be and hereby is, petitioned:

1st. To levy a special tax, under Article 9, Sec. 3, of the State Constitution, sufficient to run our public schools for four months, and that in addition the special appropriation of \$100,000 be continued.

2. To appropriate a sum sufficient for the support of the State University, the Agricultural and Mechanical College, and the State Normal and Industrial College upon a permanent basis, such appropriation to enable free tuition in those institutions to be offered to every white student in North Carolina.

3. To enact such laws as will compel the attendance of all children, between the ages of 7 and 15 upon the public schools.

4. To prohibit the employment of children of immature age in manufacturing industries.

5. To establish reformatories for young criminals.

A resolution was passed on the death of Ex-Governor Elias Carr, ex president of the State Alliance, also resolutions thanking President Winston of the A. and M. College for an excellent address before the body, commending and endorsing the official organ, The Progressive Farmer, and its non-partisan policy, and appointing a committee to confer with the A. and M. College authorities about the education at the college of practical and theoretical farmers.

President Graham was detained at home by illness in his family. The Alliance will put additional lecturers in the field and hope to double the membership during this year.

The Alliance also decided to offer a number of premiums for agricultural displays at the State Fair in October.

Editor Poe of The Progressive Farmer, when asked about the present and future of the order, said: "I never care to refer to the politics of Alliance officials, as such matters are not considered in their selection, but to show the falsity of the prejudice of some, it may be well to say that the president and trustee, the secretary treasurer, and State business agent, and assistant lecturer are all influential Democratic farmers, while the remaining offices are filled by wide-awake farmers and educators, belonging to other parties or none. The prejudice against the Alliance is rapidly dying out and the outlook for re-organization is very bright. Democrats, Populists, Prohibitionists and Republicans attended the State meeting, all worked in harmony and devoted themselves to the agricultural and educational lines along which the Alliance will work, and all will assist in the re-organization to be effected this fall and winter.

DISCOVERED BY A WOMAN.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recover, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Hammick & Co., of Shelby, N. C. Trial bottles free at Plymouth Drug Store. Regular size 50c. and \$1.00. Every bottle guaranteed.

A MINISTER'S GOOD WORK.

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kan. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost bloody flux. I asked him if he had tried Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said: 'No.' I went home and brought him my bottle and gave him one dose; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured."
