For Vice-President:

ADLAI E. STEVENSON, of Illinois.

For Presidential Elector, 1st Dist.:

CHARLES L. ABERNETHY, of Carteret.

For Congress, 1st Dist.:

JOHN H. SMALL, of Beaufort.

J. G. JOHNSON, chairman of the Democratic National Executive committee, has made public an electoral table showing that William J. Bryan will receive 320 electoral votes; McKinley 94, with 23 doubtful votes. The tabulated claims are as follows:

	McKinley	Bryan	Doubtful
Alabama		11	
Arkansas		8	
California		9	
Colorado		4

Washington		4	
West Virginia		6	
Wisconsin		12	
Wyoming		3	
Total	94	320	33

"The figures I have given," says Chairman Johnson, "are based not only upon correct and reliable information which our committee has received from every state in the union, but upon these further remarkable facts: Every one knows that the gold democratic vote of the country elected McKinley in 1896, and it is well known that 90 per cent of that vote will be for Bryan this year. Every one knows that the German vote was unanimously against Bryan four years ago. We have reliable information that 80 per cent of that vote will be cast for Mr. Bryan in many of the pivotal states. This latter statement is true also with respect to more than one of the other distinctively foreign classes of voters. In the states of Illinois, Indiana, Ohio, Kentucky, West Virginia and Maryland the negro vote holds the balance of power. The outspoken and vigorous revolt of Bishop Turner and many other men high in the negro Methodist and Baptist churches will carry an avalanche of votes in those states from McKinley to Bryan."

Mr. H. H. Black, the well-known village blacksmith at Grubbsville, Sullivan Co., N. Y., says: "Our little son, five years old, has always been subject to cramp, and so bad have the attacks been that we have feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough muscles and by giving frequent doses when the crampy symptoms appear we have found that the dreaded cramp is cured before it gets settled. There is no danger in giving this remedy for it contains no opium or other inj. drugs and may be given as confidently to a babe as to an adult. For sale by Plymouth Drug Co., and Roper Store Co."
