FROM the most correct news we can get at this time shows that North Carolina has remained true to Bryan and Democracy. The Democratic majority will not fall short of 30,000.

Out of nine Congressional Districts the Democrats have carried all but two—the Eighth and Ninth.

Simmons carries over eighty counties out of the ninety-six; his majority over Carr being over 40,000.

The trusts and Hansans will flourish for another four years. The doubtful states fell in line with the Republicans, giving them large majorities.

ALTHOUGH we have lost the national ticket, it is gratifying to know that Washington county has won its place in the Democratic ranks.

The official vote of the county is as follows:

Bryan	834
McKinley	784
Bryan's majority	50
Small	816
Alexander	379
Meekins	347
Small's majority	90
Simmons	536
Carr	119
Simmons' majority	407

The vote was not as heavy as in the August election, but for Washington county it was a decided Democratic victory.

**A Life And Death Fight.**

Mr. W. A. Hines of Manchester, Ia., writes of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I would not be without it even if it cost \$5.00 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure Throat, Chest and Lung troubles." Regular size 50c and \$1.00. **A VILLAGE BLACKSMITH SAVED HIS LITTLE SON'S LIFE.**

Mr. H. H. Black, the well known village blacksmith at Grahamsville, Sullivan Co., N. Y., says: "Our little son, five years old, has always been subject to croup, and so bad have the attacks been that we have feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by Plymouth Drug Co., and Roper Store Co.

There is a vast difference between the lay of a poet and the lay of a pulpit.

To remove a troublesome corn or bunion: First soak the corn or bunion in warm water to soften it, then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily; rubbing vigorously for five minutes at each application. A corn plaster should be worn for a few days, to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by Plymouth Drug Co., and Roper Store Co.

A tailor is justified in giving his customers fits occasionally.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy and find it to be a great medicine," says Mr. E. S. Phipps, of Potcau, Ark. "It cured me of bloody flux. I cannot speak too highly of it." This remedy always wins the good opinion, if not praise, of those who use it. The quick cures which it effects even in the most severe cases make it a favorite everywhere. For sale by Plymouth Drug Co., and Roper Store Co.
