Mr. W. Fletcher Ausbon, Real Estate and rental Agent, informs us that he has letters from parties in the states of Ohio and New York, who are "ingelring" for homes in or near Plymouth. These parties think of spending the winter in the South, and have selected Plymouth because of its pure water, delightful climate and being a paradise for the hunter and fisherman. We hope they may come.

Married For Money.

What the Asheville Citizen says about "Married for Money," which will be presented here at the Opera House Tuesday night, Nov. 12th: "The Comedy Drama, 'Married for Money,' was the attraction at the Grand Opera House last evening. The audience was a large one and the Company gave an excellent performance of the bill to which the audience showed their appreciation by round after round of applause. Mr. Core and Miss Carlisle are exceptionally clever and we hope they will return again before the season is over."

Reserved seats on sale at Louis P. Hornthal's. Admission 15, 25, and 35 cents.

Cold Steel Or Death.

"There is but one small chance to save your life and that is through an operation," was the awful prospect set before Mrs. I. B. Hunt, of Little Rock, Wis., by her doctor after vainly trying to cure her of a frightful case of stomach trouble and yellow jaundice. He didn't count on the marvellous power of Electric Bitters to cure Stomach and Liver troubles, but she heard of it, took seven bottles, was wholly cured, avoided surgeon's knife, now weighs more and feels better than ever. It's positively guaranteed to cure Stomach, Liver and Kidney troubles and never disappoints. Price 50c at Sprull & Bro's.

A Gentle Reminder.

We were very much disappointed last week inasmuch as so very few called and paid their subscription. Friends, we have been very easy on you the past year, and while we have often been at our wit's end to meet our bills, we have not pushed any of you. The amount you owe us is very small, and there is none of you but can now easily pay it if you try. When we took charge of the paper we cut off all that we had reason to believe were dead beats, and only kept such as we had confidence in and believed would pay an honest debt without having a mortgage behind it to force payment. Believing that your intention is to be honest with us, and that this matter has slipped your memory we now urge you to hand or send us the little you owe us. The amount is very small to you, but as there are a great many of you, those small amounts, as a whole, will be a great help to us. You have got more than your money's worth; it now belongs to us; we need it, and will greatly appreciate it. Please remember us.

No Noxious Doses. No Weakening of
the Nerves. A Pleasant and Posi-
tive Cure for the Liquor

It is now generally known and understood that Drunkenness is a disease and not weakness. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been perfected after many years of close study and treatment of incubates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how long a drinker. One record shows the recovery of thousands of thousands of Drunkards into sober, industrious and upright men.

LIVES CURB YOUR HUSBANDS!
CHILDREN CURE YOUR FATHERS!
This remedy is by no means a nostrum but is a scientific and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "CURE" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. DO NOT WAIT. Do not be deceived by apparent and misleading "improvement." Drive out the disease at once and for all time.
