

As to Tax Valuation of Property.

The most important officers in North Carolina are the tax assessors. They have difficult, delicate and very important duties to perform, calling for the exercise of discretion, sound business judgment, and common sense. In most counties they have been fortunate enough to have the laws governing their action expounded by a member of the Corporation Commission. In the other counties they have the letter of the law before them. The first thing for those assessors to do is to assess their own property at its "true value in money" as required by the law, and to do so conscientiously. If they fail to put their own property on the tax books at its "true value in money" they will let all others escape true valuation or subject themselves to deserved severe criticism. They should know no friends or enemies, but should study true values in every possible way and assess all property at its "true value in money."—News and Observer.

Startling Evidence.
Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Bentonsville, Va., serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by Spruill & Bro. Trial bottles free, regular sizes 50c. and \$1.

FOLEY'S HONEY AND TAR
Cures Colds; Prevents Pneumonia

Everybody admires a plucky man, but the plucked man gets no sympathy.

Mrs. Fred Unrath,
President Country Club, Boston Harbor, Mich.
"After my first baby was born I did not seem to regain my strength although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and see what it would do for me. I did take the medicine and was very grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."
Wine of Cardui reinforces the organs of generation for the ordeal of pregnancy and childbirth. It prevents miscarriage. No woman who takes Wine of Cardui need fear the coming of her child. It Mrs. Unrath had taken Wine of Cardui before her baby came she would not have been weakened as she was. Her rapid recovery should commend this great remedy to every expectant mother. Wine of Cardui regulates the menstrual flow.

What is Wealth?

Does wealth consist in money, houses, lands, bank stocks, railroad bonds, etc., alone?
We think not. The young man starting in life with no money, but with good digestion, good sleep, good health, and ability to work in some profitable employment, has what the aged capitalist would be glad to exchange all his millions for.

What compensation is money for sleepless nights and painful days, or the misconduct of dissipated children?

Which brings the greater happiness—the glitter, show, jealousies and falsity of fashionable life, or the heartfelt friendships which prevail so largely in the homes of the industrious poor?

In how many of the palaces of our millionaires will you find greater happiness in the parlor than in the kitchen?

How many millionaires will tell you that they are happier now than when starting in life without a dollar?

On the tops of mountains we find rocks, and ice and snow. It is down in the valleys that we find the vineyards.

Let no man envy those richer than himself until taking all things into account—age, health, wife, children, friends—he is sure he would be willing to exchange.—Geo. T. Angell, in Dumb Animals.

Driven To Desperation.

Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accident, resulting in Burns, Cuts, Wounds, Ulcers, etc. Lay in a supply of Bucklen's Arnica Salve. It's the best on earth. 25c. at Spruill & Bro.
