Loss of Flesh

When you can't eat breakfast, take Scott's Emulsion. When you can't eat bread and butter, take Scott's Emulsion. When you have been living on a milk diet and want something a little more nourishing, take Scott's Emulsion.

To get fat you must eat fat. Scott's Emulsion is a great fattener, a great strength giver.

Those who have lost flesh want to increase all body tissues, not only fat. Scott's Emulsion increases them all, bone, flesh, blood and nerve.

For invalids, for convalescents, for consumptives, for weak children, for all who need flesh, Scott's Emulsion is a rich and comfortable food, and a natural tonic.

Scott's Emulsion for bone, flesh, blood and nerve.

We will send you a free sample.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

Colds Cause Pneumonia.

One of the most remarkable cases of a cold, deposited on the lungs, causing pneumonia, is that of Mrs. Gertrude L. Fenner, Marion, Ind. who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and sneezing so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. A few bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by Spruill & Bro.

When a married man loses anything he suspects his wife of taking it.

Proper Treatment of Pneumonia.

Pneumonia is the dangerous disease for anyone to attempt to doctor himself, although he may have the proper remedies at hand. A physician should always be called. It should be borne in mind, however, that pneumonia always results from a cold or from an attack of the grip, and that by giving Chamberlain's Cough Remedy the threatened attack of pneumonia may be warded off. This remedy is also used by physicians in the treatment of pneumonia with the best results. Dr. W. J. Smith, of Sanders, Ala., who is also a druggist says of it: "I have been selling Chamberlain's Cough Remedy and prescribing it in my practice for the past six years. I use it in cases of pneumonia and have always gotten the best results." Sold by Spruill & Bro.

A Favorite Remedy for Babies.

Its pleasant taste and prompt cures have made Chamberlain's Cough Remedy a favorite with the mothers of small children. It quickly cures their coughs and colds and prevents any danger of pneumonia or other serious consequences. It not only cures croup, but when given as soon as the croupy cough appears will prevent the attack. For sale by Spruill & Bro.

Young men, beware of the girl who is too lazy to return your kisses.

Inflammatory Rheumatism Cured.

William Shaffer, a brakeman of Deoni, Ohio, was confined to his bed for several weeks with inflammatory rheumatism. "I used many remedies," he says "Finally I sent to McCreary's drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clam." For sale by Spruill & Bro.

Milinery Announcement.

We wish to inform the public that we have secured Miss Annie Burchinal, of Baltimore, to take charge of our Milinery department.

Furthermore, that this young lady's testimonials are of the highest order, and we commend her to our patrons. She is at present making our pattern hats and getting the newest ideas in the Fashions of Today.

We will announce the time of our opening next week.

Respectfully,
 MRS. L. E. PADGETT.
