BED HANGINGS IN VOGUE.

Bed hangings are again in fashion, says the London Express. The daintiest and lightest of colorings are used for them, from white Madras nets, tambour muslins, soft India silk, to brocades in all their exquisite pastel shades.

The textures of the hangings are beautiful. Tambour sets are delightful with draperies of the same. The French white work is exceedingly decorative, with curtains of a much thinner material. Japanese fabrics are always popular, and can be had in pure white with a knotted fringe or in tan or tea-colored silk edged with lace of the same shade.

Bed spreads and pillow shams of lace over colored linings tone with the hangings. Spreads of old hand-woven linen with borders of antique lace are being used again by those who are fortunate to possess them.

Many shops are showing entire spreads of Renaissance and Marie Antoinette lace, which go so well with the flowered chintzes. But these are costly. There are countless other pretty and inexpensive designs to be seen, however.

HOW TO MARKET.

To learn how to market to advantage is a fine art. To learn how to care for and make the most of everything after it is brought into the house is a finer. Both require the willing spirit, a level head and then experience or practice to make perfect. There is no royal road to housekeeping, any more than any other science. It requires study and hard knocks, though some women adapt themselves to it more readily than others.

HOUSEHOLD RECIPES

Tomato Farci—Put a layer of tomatoes in a baking dish, season with salt and pepper and sprinkle over some bread crumbs, then more tomatoes and crumbs until the dish is full; spread over the top buttered bread crumbs; bake in a moderate oven forty minutes.

Bread Pancakes—Cover stale bread with hot water and let stand ten minutes; press out the water; to one cup of softened bread add one beaten egg, half a teaspoon of salt, one-third cup of flour and about one cup of milk, or enough to make a smooth batter; sift in one teaspoonful of baking powder; bake on a hot griddle.

Rice Waffles—To two cupfuls of cold boiled rice add two cupfuls of flour; beat two eggs; add to them one cupful of milk; pour this over the flour and rice and beat well; add one tablespoonful of butter, melted, and two level teaspoonfuls of baking powder and one teaspoonful of salt; bake on a hot waffle iron; sour milk may be used instead of all sweet milk; in that case omit the baking powder and use half sweet and half sour milk and one teaspoonful of soda.

Fish Baked in Custard—Remove the fillets from a cod or haddock weighing three or four pounds; beat two eggs; add them to one pint of milk, one teaspoonful of sugar, a little grated nutmeg, one teaspoonful of salt, three soda crackers broken in small pieces and a little pepper; when the fish has been skinned and boned lay one-half of the fish on a greased baking pan, pour over it half the egg and milk mixture, then lay over the other half of the fish and pour the remaining milk and egg mixture over it; break one tablespoonful of butter in small pieces, dropping them over the top of the fish; place in a moderate oven, baste every few minutes and bake forty-five minutes; if the oven is too hot the custard will curdle; as the mixture thickens lift it to the top of the fish; serve with Hollandaise sauce.

WHOLE SOUTH INDORSES RHEUMACIDE GETS AT THE JOINTS FROM THE INSIDE

Thousands of cases of Rheumatism in the Southern States have been cured by Rheumacide, many of them after doctors and all other "remedies" had failed. So remarkable has been its record that it is now recognized as the

ONLY ABSOLUTE CURE FOR RHEUMATISM.

Here are five testimonials selected from hundreds of letters written to the proprietors, the Hobbitt Chemical Co. of Baltimore, by grateful patients who have been cured of severe cases by the remedy that "Gets at the Joints from the Inside":

MARYLAND.

Baltimore, Feb. 6, 1904. Three years ago I was attacked with inflammatory rheumatism. During that time I suffered excruciating pain, principally in my lower body. My joints were stiff, swollen and inflamed. I could not straighten my limbs. Your wonderful cure—Rheumacide—was recommended to me, and I began to take it according to directions. In a short time I experienced the greatest relief. The soreness and stiffness was soon gone, and I certainly feel thankful. Rheumacide has done me more good than all the other medicines and doctors' prescriptions which I tried. I found that Rheumacide acted well on the kidneys and bowels, and I believe it will cure any case of rheumatism or blood disease. I now have perfect use of myself, and can work and walk as well as ever, and I attribute my cure entirely to the use of Rheumacide. My friends and neighbors marvel at the great change in my condition. Without solicitation, I send you this testimony of my own accord, and will cheerfully recommend your medicine to all who may write or call on me concerning this letter and the benefit I received. I am a widow, and reside at the address given below. Yours truly, MRS. MARY BATES WEBB, No. 407 W. Saratoga St.

VIRGINIA.

Norfolk, Va., Feb. 1, 1904. I must write and tell you the benefit your medicine has been to my mother. She is an old lady, 78 last January, and has been so crippled with rheumatism that she could not walk a block without great suffering. One morning I saw your advertisement, and sent for a sample, and persuaded her to take it. I think the second or third dose began to do her good. After she took that I got her a large bottle, and she has continued to improve right along, and gets around as spry as a young woman. She is so glad that Rheumacide cured her that she tells all her acquaintances about it, and if she hears anyone complain of a pain, she tells them they must surely try Rheumacide. Respectfully, MRS. F. M. SCARBOROUGH, No. 310 N. Marshall Ave.

NORTH CAROLINA.

Raleigh, N. C. I purchased a bottle of Rheumacide for a relative of mine who had been a great sufferer from rheumatism. For nearly a month she had not been able to walk without great effort and pain. In two weeks after she commenced taking Rheumacide she was able to walk, and in a short time had entirely recovered. I congratulate you on this great remedy, and trust all suffering with rheumatism may find in it similar relief. N. B. BROUGHTON, After being completely cured, I consider Rheumacide the only specific for rheumatism. MARCELLUS RAND, Banks, N. C. Among the cured: Col. G. E. Alford, Holly Springs; R. A. Lomas, Goldsboro; D. M. Albright, Mt. Airy; W. G. Penry, Lexington; Rev. J. L. Foster, Raleigh; B. A. Johnston, Winston, and hundreds of others.

SOUTH CAROLINA.

Greenwood, S. C. Having been a sufferer with inflammatory rheumatism for 20 years, about a year and a half ago I was taken with a very severe attack, and my limbs were so swollen it was impossible for me to walk. After using one bottle of RHEUMACIDE I was entirely cured, and I have since recommended it to all my friends. A. McN. TURNER, City Hotel. Afflicted with rheumatism for more than 15 years, I was induced to try Rheumacide, and it has entirely cured me of rheumatism. T. S. WILLIAMSON, Doverville, S. C.

"BEGINS WORK WITH THE FIRST DOSE."

An Incurable Dog.

The intelligence of the dog suffered somewhat by an Athens narrative in which it is made to appear that an old dog owned by F. Holcomb recently engaged with a rattler on the low grounds near the town, and was severely bitten. Mr. Holcomb was familiar with the formula for snake bites. He had some of the medicine on hand, consisting of whisky and quinine mixed in quantities to suit. Opening the dog's jaws he turned a liberal dose down him. Two or three days elapsed during which the animal was unable to walk straight, yet he seemed not to have any pain, and in fact appeared to enjoy himself. But at last he was sober again. One would naturally think that having been bitten once he would have fought shy of the swamp afterward, but the moment he was able to navigate he was back among the boys again watching for more snakes. This is why he seems unfatigued.—Detroit (Mich.) Tribune.

Marchioness Spinola, who was Miss Lily Page, daughter of Capt. Page, of Richmond, Va., died in Rome.

Miss Whittaker, a prominent club woman of Savannah, Ga., tells how she was entirely cured of ovarian troubles by the use of Lydia E. Pinkham's Vegetable Compound.

DEAR MRS. PINKHAM:—I heartily recommend Lydia E. Pinkham's Vegetable Compound as a Uterine Tonic and Regulator. I suffered for four years with irregularities and Uterine troubles. No one but those who have experienced this dreadful agony can form any idea of the physical and mental misery those endure who are thus afflicted. Your Vegetable Compound cured me within three months. I was fully restored to health and strength, and now my periods are regular and painless. What a blessing it is to be able to obtain such a remedy when so many doctors fail to help you. Lydia E. Pinkham's Vegetable Compound is better than any doctor or medicine I ever had. Very truly yours, MISS EASY WHITTAKER, 604-39th St., W. Savannah, Ga. \$5000 forfeit if original of above letter proving genuineness cannot be produced. The testimonials which we are constantly publishing from grateful women prove beyond a doubt the power of Lydia E. Pinkham's Vegetable Compound to conquer female diseases.
