**FOUR MORE INJURED DIE AT SNYDER, OKLA., MAKING 117.**

**Frightened Citizens Are Digging Five Thousand Cellars—Efforts for Protection.**

Snyder, Okla., May 14.—Four more of the persons injured in Wednesday night's tornado died to-day. They were Miss Mize, Mr. Panson, John McCart and Miss Buser. This brings the total number of known dead to 117. A number of persons are missing and several of the injured are in a critical condition. Relief is coming from many quarters. There was no rain to-day and conditions are more cheerful.

A pocket-book containing \$32 was picked up to-day nineteen miles from Snyder. It belonged to Mrs. James who was killed and it was carried twenty-three miles in the storm.

Armore, I. T., May 14.—In a storm which swept over Sulphur, Ada, and other points in the Chickasaw nation a number of houses were destroyed. The body of John Layton was recovered from the ruins of the Harper Hotel, destroyed at Sulphur. Near Ada, George Bolen was killed by the storm.

Lawton, Okla., May 14.—As a result of the tornado at Snyder, Okla., inhabitants of the "new country" in Oklahoma are digging 5,000 tornado cellars. City officers and town boards are urging the construction of such caves and some towns have passed ordinances requiring the digging of caves. At Hinton, Okla., the following official public notice has been published:

"On nights when clouds look at all dangerous sentry will be stationed in the bell tower provided with a repeating shotgun. If there is apparent danger, he will ring the bell and fire a number of shots in quick succession. Also any person who sees a storm coming when the sentry is not stationed will be expected to fire a gun."

**Saved by Dynamite.**

Sometimes a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. F. Gray, of Canton, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption Coughs and Colds, which eased her cough, gave her sleep and finally cured her." Strickly scientific cure for Bronchitis and La Grippe. At Sprindl and Brothers' price 50c and \$1.00 guaranteed. Trial bottle free.

**Warning.**

You cannot have good health unless your kidneys are sound. For the kidneys filter the blood of impurities. When otherwise not irritating poisons break down the delicate organs, they cause serious trouble. If you have kidneys or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results as it positively cures all forms of kidney and bladder diseases. sold by J. **BLACK-DRAUGHT STOCK and POULTRY MEDICINE**

Stock and poultry have few troubles which are not bowel and liver irregularities. Black-Draught Stock and Poultry Medicine is a bowel and liver remedy for stock. It puts the organs of digestion in a perfect condition. Prominent American breeders and farmers keep their herds and flocks healthy by giving them an occasional dose of Black-Draught Stock and Poultry Medicine in their food. Any stock raiser may buy a 25-cent half-pound air-tight can of this medicine from his dealer and keep his stock in vigorous health for weeks. Dealers generally keep Black-Draught Stock and Poultry Medicine. If yours does not, send 25 cents for a sample can to the manufacturers, The Chattanooga Medicine Co., Chattanooga, Tenn.

ROCHSTER, GA., Jan. 30, 1902. Black-Draught Stock and Poultry Medicine is the best I ever tried. Our stock was looking bad when you sent me this medicine and now they are gaining so fast. They are looking so per cent better. S. P. BROCKING, JR.

**TURN ABOUT.**

An eminent actor had been introduced in a club, to a gentleman who professed a great liking for the stage. A few days later the actor received from his new acquaintance this note:

"I have heard from many sources that your performance is excellent. Will you send me two seats for any night next week?"

The actor made inquiries and learned that the man was the possessor of great wealth. So he replied:

"I hear from many sources that your wealth is immense. Will you send me \$200 any time this week?"

**Letter to W. J. Jackson,**  
Plymouth, N. C.

Dear Sir: You want a cheap job of paint for a cheap house, don't you?  
It's Devoe. It's the regular thing in Devoe; there's nothing in all paint so cheap as Devoe.

Oh, yes, you can paint with mud; but that isn't paint; you want it to look about right for a month or two.

Paint Devoe; can't do it for less; there's nothing so cheap as Devoe. It goes so far; save gallons; no matter about the price, save gallons. A gallon of paint put on costs \$4 or \$5; save gallons.

Devoe is your paint; save gallons; Devoe is your paint. Yours truly,

F. W. Devoe & Co.

**TAR HEEL**

You will see from the pedigree, there is no better bred Stallion in the country than this horse; he is by a speed producing Sire out of a speed producing Dam, and combines the blood of MAMBRINO CHIEF and HAMBLETIAN 10, the two acknowledged fountain heads from which all the great Champion trotters have come, and is closely related to four of the fastest trotters in the world. The Grand-sire of his Dam is out of the Dam of **Maid S**, 2:08 3-4, who held the champion record to high-wheeled sulky nearly 20 years; his Great-grand-sire is also the Great-grand-sire of **Alex**, who held the champion record for mares, 2:03 1-4, for more than 10 years; the Sire of **Tar Heel's** Dam is a half brother to the Sire of **John A. McKerron**, who holds the champion wagon record of the world; and the Grand-Sire of the Sire of **Tar Heel's** Dam is a half brother to the Grand-sire of **Cresceus** 1:59 1-2, who was a World's Champion for a good many years.

This horse is a beautiful chestnut, 16 hands high, and weighs 1,100 pounds; he is kind and gentle, perfect in form and a picture to look at. Farmers and others desiring to raise good horses should breed their mares to this horse. Western farmers raise a colt every year from their mares while they are at work, and supplies the Southern farmer with his horses. This should not be. These interested should write, or visit my breeding and training stables.

Stud fee \$20.00 the season. Mares from a distance will be cared for at a moderate charge.
