

**Habits of Domesticated Animals.**

The dog is the most widely distributed of the domestic animals. He lives in the lowly hut of the African savage and is the companion of the Greenland Esquimaux, the most northern inhabitants of the world. He is, in fact, the inseparable companion of man and is found wherever the human race exists. His habitat is thus extended further north and further south than that of any other domestic animal.

**Uses of Coconut.**

Oriental coals not being well suited for the production of large quantities of illuminating gas, and gasoline not being readily obtainable, the government laboratories in the Philippines have adopted a method of preparing gas from coconut oil. The oil is slowly poured into red-hot cast-iron retorts, and a gas of a high quality is given off, with the production of very little tar.

**A Lively Tussle**

with that old enemy of the race, Constipation, often ends in Appendicitis. To avoid all serious trouble with Stomach, Liver and Bowels, take Dr. King's New Life Pills. They perfectly regulate these organs, without pain or discomfort. 25c at Sprull & Bro's.

**The Quality of a Mirror.**

In the mirrors of to-day the light is reflected by a layer of silver or an amalgam of tin, but a proportion of light is lost in the process of reflection and the image is less luminous than the original. The value of a looking glass is usually estimated by the thickness of the glass, because the thicker it is the stronger it must be. But, speaking scientifically, thick glasses are defective because the outlines of the image reflected are less clearly defined.

**Weight of Earth and Water.**

A cubic foot of earth weighs about five and a half times as much as a cubic foot of water. A cubic mile of earth weighs 25,649,800,000 tons. The volume of the earth is 259,880,000,000 cubic miles. The weight of the world, without its atmosphere, is 6,666,250,000,000,000,000 tons. To add to this the weight of the atmosphere gives a grand total of 6,666,255,819,600,000,000,000 tons.

**South African War Scandal.**

One of the most recent discoveries in connection with the British South African war stores scandal is that the army authorities bought "one pound" tins of jam which weighed 12 ounces. This discovery was made when 1,350,816 surplus tins were sold at the end of the war.

**GOOD NEWS FOR PLYMOUTH.**

Science at Last Discovers a Real Cure For Rheumatism.

After years of experiment a new scientific remedy has been found that not only relieves, but absolutely cures Rheumatism and kindred diseases to stay cured. Rheumatism is caused by an excess of poisonous acids in the blood. The new discovery RHEUMACIDE, though purely vegetable, and acting through nature's channels, neutralizes these acids and sweeps all poisons and harmful germs out of the blood. At the same time it tones up the stomach and regulates the liver and kidneys. RHEUMACIDE therefore, cures the disease permanently, because it removes the cause. It has cured hundreds of cases after the most noted doctors and hospitals have failed. RHEUMACIDE cured James Wilson of Dillon, N. C., after he had been held in bed by rheumatism for three years and his feet were drawn up almost to his back. This is only one of the many marvellous cures RHEUMACIDE has already performed. RHEUMACIDE is curing many cases of Rheumatism, Sciatica, lumbago, gout, kidney trouble, indigestion and constipation, right in this community today. Because it has cured so many others we believe it will cure you. All the leading druggists in this place sell and recommend RHEUMACIDE.

**ORINO Laxative Fruit Syrup**  
Pleasant to take and does not gripe or nauseate  
**Cures Chronic Constipation, Stomach and Liver Trouble**

**Stimulation Without Irritation.**  
ORINO Laxative Fruit Syrup is a new laxative syrup combined with the delicious flavor of fruits, and is very pleasant to take. It will not gripe or sicken. It is much more pleasant and effective than Pills, Tablets and Saline Waters, as it does not derange the Stomach, or irritate the Kidneys, Liver or Bowels.

**Constipation.**  
ORINO Laxative Fruit Syrup will positively cure chronic constipation as it restores the natural action of the intestinal tract. Ordinary cathartics may give temporary relief but the stomach is upset and the bowels are irritated without any permanent benefit having been derived.

The condition of the patient remains unchanged. The Stomach, Liver and Bowels have not been stimulated and in a few days a stronger purgative may have to be taken. This is why Pills and Aperient Waters never give permanent relief. Their violent action results in an unnatural movement of the bowels and it is necessary to keep taking them indefinitely.

**Why ORINO is different.**  
ORINO Laxative Fruit Syrup is the only preparation that really acts upon all of the digestive organs. Other preparations act upon the lower bowel only and do not touch the Liver. It can very readily be seen that a preparation that does not act upon all of the digestive organs, can not cure Chronic Constipation, Torpid Liver, Indigestion, Sour Stomach, etc.

**For Billiousness and Sick Headache.**  
Take ORINO Laxative Fruit Syrup. It sweetens the stomach, aids digestion and acts as a gentle stimulant on the liver and bowels without irritating these organs.

**Clears the Complexion.**  
ORINO Laxative Fruit Syrup stimulates the liver and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. Refuse substitutes.
