

BEACON FLASHES.

Those who have friends visiting them, or who intend leaving home themselves, will please let it be known at this office, so the fact may be mentioned. It does not matter whether you are a subscriber or not. All we ask is—let us know it.

Mr. and Mrs. P. E. Davenport have been visiting in Norfolk this week.

Mr. A. S. Newberry of Norfolk, is the guest of his mother, Mrs. A. M. Ayers.

Mr. J. W. Norman left on Wednesday for Smithfield, Va., to look after his school.

Mrs. John Campbell and children are off on an extended visit to Weldon and other places.

Eat one of King's Dyspepsia tablets after each meal and you will not suffer with indigestion. Sold by P. E. Davenport and Skiles & Son.

Mrs. L. Ralph who has been visiting in Edenton for some time, returned home on Wednesday.

Quite a number of our young people attended the old Confederate reunion at Windsor Thursday.

Mr. and Mrs. A. L. Owens are spending some days at Virginia Beach, Ocean View and other places of interest.

Miss Ellie King who has been visiting her sister, Mrs. J. B. Norman, has returned to her home in Norfolk.

The cleansing, antiseptic and healing properties of Pinesalve make it superior to family salves. Sold by P. E. Davenport and Skiles & Son.

Capt. D. P. Rice and family, and Misses Katie Ausbon and Marie Clagon spent a few days in Windsor this week.

Mr. Luther Harrison of New York, is in our midst, visiting his parents, Mr. and Mrs. J. W. Harrison, near town.

Mr. and Mrs. J. B. Williams of Hamilton, who have been visiting the family of Mr. Ed. B. Norman, returned home on Tuesday.

Misses Annie Pellard and Olga Marsh, of Bath, who have been visiting Misses Louise and Bettie Ayers, returned home on Tuesday.

Don't drag along with a dull, bilious, heavy feeling. You need a pill. Use DuWick's Little Early Risers, the famous little pills. Do not sicken or gripe, but results are sure. Sold by P. E. Davenport.

Miss Estelle Burgess, after a pleasant visit to our town as the guest of Miss Cad Campbell, left on Monday for her home in Rocky Mount.

Mr. Clarendon Willoughby returned home on Wednesday from an extended trip to New York, Philadelphia, Baltimore, Norfolk and other points.

In this state it is not necessary to serve a five days' notice for eviction of a tenant, use the original laxative cough syrup, Kennedy's Laxative Honey and Tar. No other. Sold by P. E. Davenport.

Attention is directed this week to the ad of W. S. Davenport, Saw mill, Gin, etc., for sale. A most desirable property for those wishing such an investment.

Miss Laura Williamson, who has been spending the past month in our town as the guest of Miss Katie Ausbon, left Tuesday morning for her home in Berkley, Va., leaving many friends, and at least one broken heart behind.

A most delightful entertainment was given Monday evening at the home of Mr. W. F. Ausbon by the young men of Plymouth, complimentary to the visiting young ladies, Misses Laura Williamson of Berkley, Va., and Annie Pollard and Olga Marsh of Bath, N. C.

A world of truth in a few words: "Nearly all other cough cures are constipating, especially those containing opiate. Kennedy's Laxative Honey and Tar moves the bowels. Contains no opiate." You can get it at P. E. Davenport.

No Paper Next Week.

It having been several years since we have taken a day off, we take the privilege of taking a vacation next week, so no paper will be issued. This will not be altogether a week of rest for us, as we shall continue to hustle for the paper while away, and trust the good people we go among may help us out to such an extent that we may return as much recuperated, both physically and financially, that we can make up to you the little you lose by our absence for one week.

Why does the sun burn? Why does a mosquito sting? Why do we feel unhappy in the Good Old Summer Time? Answer we don't. We use Dr. Witt's Witch Hazel Salve, and these little ills don't bother us. Learn to look for the name on the box to get the genuine. Sold by P. E. Davenport.

Sunday School Picnic at Mt. Pleasant.

Special to THE BEACON. Mt. Pleasant Sunday School gives a picnic August 5th, at Shadsberry Lane, on the sound. There will be bathing, fishing and sailing. Come and bring your baskets, and let's enjoy the picnic, while they are going. G. H. Scuppernon, N. C.

Washington County Democratic Convention.

The County Democratic Convention called to order by Hon. Thos. W. Mount, Chm., at 11 o'clock A. M., at Roper, yesterday.

Hon. S. B. Spruill was called to the chair as temporary chairman and Clarence Latham and C. V. W. Ausbon temporary secretaries.

On motion the temporary organization was made permanent.

Nominations then being in order the following named gentlemen were nominated for the respective offices without a dissenting vote, viz: For Sheriff, W. J. Jackson.

For Clerk Superior Court, C. V. W. Ausbon.

For Register of Deeds, F. R. Johnston.

For County Treasurer, Clarence Latham.

For Coroner, Dr. W. H. Ward.

For Representative, Dr. W. H. Hardison.

For County Commissioners, S. B. Johnston, H. M. Snell and H. A. Litchfield.

On motion Mr. T. S. Swain was recommended for appointment on the Board of Education.

The State Democratic platform was endorsed, and perfect harmony and good feeling prevailed throughout the entire session.

Most able speeches were made by Hons. S. B. Spruill, Thos. W. Mount, Mr. Van B. Martin and others; speeches calculated to bring Democratic harmony and success, and to seal White Supremacy and business prosperity in North Carolina for all time, if taken in the spirit they were made, and put in practice by a State-loving, home-loving, good government-loving people, as the white men of this county have ever proved themselves to be.

A Word of Thanks.

It becomes our pleasant duty at this time to return our most sincere thanks to the democratic convention, and especially to those true friends who so nobly and beautifully complimented us on Thursday. We would indeed prove ungrateful were we ever to cause them to regret one word or one heart-throb spent in the espousal of our cause.

Words fail us to express half the gratitude we feel, but it elected, we shall never forget or betray this confidence reposed in us, yet shall know no man, ring or clique in the discharge of our duties to the public, as we see them.

Yours very gratefully, C. V. W. AUSBON.

The Country Newspaper.

In no activity has there been more progress during the last twenty years than that of the country newspaper. There are now hundreds of country papers which in editorial ability, mechanical appearance, and all that contributes to inspire respect and command attention are fully abreast of their metropolitan contemporaries, in moral tone, and often in editorials they surpass most of the great dailies. In times past the country editor was quite generally regarded with a half pitying contempt as a good-natured but chicken-hearted chronicler of inconsequential localities. All of this has changed. Country newspapers, as a class, wield the mightiest influence in the nation. The editors are men of character and enterprise, doing more for the community for less money than any other body of workers.

FOR CLERK SUPERIOR COURT

I hereby beg leave to present my name for the favorable consideration of the Democratic voters of Washington county for nomination and election to the office of Superior Court Clerk.

Having always been a Democrat, I have done what I could for the success of that party since attaining my majority. Yet I make no claim upon it, believing that we are under obligations to it, and not it to us.

It is well known that this office must have something to supplement it. I am in this position; I give convenient to the Court House; I enjoy a reputation for strict attention to business, and if honored with nomination and election, shall do my best to merit your confidence and approval.

Yours, very respectfully, C. V. W. AUSBON.

Prof. Tyler, of Amherst college, said recently, "A man can live comfortably without eating; no man ever existed without a digestive system. The dyspeptic has neither faith, hope or charity." Day by day people realize the importance of caring for their digestion; realize the need of the use of a little corrective after overeating. A corrective like Kodol For Dyspepsia. It digests what you eat. Sold by P. E. Davenport.

It will take more than an eight hour day to make the twenty four hours divine. The way to duplicate a fool is to argue with him.
