

SAVED MY LIFE

That's what a prominent druggist said of Scott's Emulsion a short time ago. As a rule we don't use or refer to testimonials in addressing the public, but the above remark and similar expressions are made so often in connection with Scott's Emulsion that they are worthy of occasional note.

We will send you a sample free. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.
